The official pay schedules hereby adopted have been determined to constitute fair and equitable rates of pay. Due consideration has been given to both the employees and the taxpayers in adopting the official pay schedules. In setting these official pay schedules, the

principle of like pay for like work, and suitable differences in pay for differences in work, has been duly observed.

1 **(f) SHIFT DIFFERENTIAL:** Shift differential shall be paid for certain work
2 assignments. The Director of Personnel shall determine the work assignments for which shift
3 differential will be paid. The assignment or removal of an employee from a work assignment
4 having a shift differential shall be determined by the appointing authority and will not
5 constitute a promotion, demotion, advancement or reduction in pay. The shift differential
6 shall be added to the employee's regular bi-weekly rate.

7 (1) In order for an employee in Section 2(a) or 2(b) to be eligible for shift
8 differential compensation, the employee must work a shift that requires the completion of four
9 (4) hours of work between the hours of 4:00 p.m. and 8:00 a.m. the following morning.
10 Employees whose pay grade is denoted with the suffix "M" are only eligible to receive shift
11 differential if they are regularly scheduled to work at least four (4) hours between 4:00 p.m.
12 and 8:00 a.m. the following morning. Employees shall be entitled to receive shift differential
13 compensation for no more than one shift worked between the hours of 4:00 p.m. and 8:00
14 a.m. Employees who are assigned to work schedules that require them to rotate among three
15 shifts (day, evening, night) on a bi-monthly or more frequent basis shall be eligible for shift
16 differential compensation for all three shifts worked.

17 For employees whose pay range is established in Section 2(a) or 2(b) the shift
18 differential premium shall be one percent (1%) of the employee's base bi-weekly rate for each
19 eligible shift worked in a bi-weekly pay period.

20 An employee whose pay range is established in Section 2(a) or 2(b) shall receive shift
21 differential for working a portion of an eligible shift, provided the portion of the shift not

1 worked is charged to paid leave. Shift differential shall only be paid for whole hours worked;
2 a fraction of an hour shall not be counted toward the payment of the differential.

3 (2) For those employees whose pay range is established in Section 2(c), the shift
4 differential premium shall be \$2.00 per hour for each hour worked between 11:00 p.m. and
5 7:00 a.m. during an eligible shift. Employees must work at least 12 hours of a regularly
6 assigned 24-hour shift to be eligible for any shift differential for the shift. Such employees
7 shall not receive shift differential for overtime worked, which is not part of their regular
8 schedule. This provision will not go into effect until shift differential is agreed upon by the
9 Director of Personnel and the Union (Local 73) in writing.

10 Except shift differential premium shall be \$2.00 per hour for each hour worked
11 between 11:00 p.m. and 7:00 a.m. during an eligible shift to be paid to Overtime Code 3 Fire
12 Equipment Dispatcher classifications whose pay range is established in Section 2(c).

13 (3) For Police Officer Trainees and employees whose pay grade is denoted with
14 the suffix D, the night shift differential shall be ten percent (10%) of the hourly rate for all full
15 hours worked between the hours of 11 p.m. and 7 a.m. and all eight (8) hour shifts beginning
16 between 10:30 p.m. and 11:30 p.m.

17 (4) Except as otherwise provided in this ordinance, shift differential shall not be
18 paid to employees compensated on an hourly or per performance basis, or bi-weekly paid
19 employees who work part-time. Neither shall shift differential be paid to full-time regular
20 employees docked for any portion of an eligible shift.

1 **(g) WEEKEND DIFFERENTIAL:** When employees whose pay range is established in
2 Section 2(a) or 2(b) work on a Saturday and/or a Sunday they shall be eligible for weekend
3 differential. Employees whose pay grade is denoted with the suffix "M" are only eligible to
4 receive weekend differential when it is part of their regularly scheduled work hours. This
5 differential shall be one percent (1%) of an employee's base bi-weekly rate. An employee
6 shall receive weekend differential for working any portion of an eligible day. This differential
7 shall only be paid for full hours worked. Weekend differential shall not be paid to employees
8 compensated on an hourly or per performance basis or bi-weekly paid employees who work
9 part-time. Neither will the weekend differential be paid to full-time regular employees
10 docked for any portion of a day on which the differential would otherwise be paid.

11 **(h) COMMUTING ALLOWANCE:** Employees residing within the corporate limits of
12 the City of St. Louis who are regularly assigned to a position located in a City institution,

14 regularly assigned to a five-day, forty-hour weekly work schedule, shall be entitled to a
15 commuting allowance in the amount of one hundred eighty dollars (\$180.00) bi-weekly on the
16 effective date of this ordinance. Eligible full-time employees who are assigned to an alternate
17 form of work schedule which reduces the frequency of commuting to work shall be entitled to
18 a commuting allowance which is reduced in proportion to the reduced frequency of
19 commuting. City employees who are temporarily assigned duty to a facility located outside
20 the corporate limits of the City of St. Louis shall be entitled to a per diem rate for the duration

of the assignment. No employee living outside of the corporate limits of the City of St. Louis shall receive a commuting allowance.

A period of absence of ten (10) working days or more shall result in suspension of eligibility for the commuting allowance. Suspension of the commuting allowance shall begin during the pay period in which the tenth (10th) day of absence occurs and shall continue for any subsequent full or partial pay periods during the period of absence. Upon return to duty from such absence, an employee shall immediately be eligible to resume receiving commuting allowance, reduced in proportion to the time the employee did not work due to absence.

Employees for whom any form of free transportation (car, truck, bus, etc.) is provided by the City from a place within the corporate limits of the City of St. Louis to the work site and back shall not be entitled to the commuting allowance.

4 bi-weekly rate except that an appointing authority, with the prior approval of the Director of
5 Personnel, and when sufficient funds have been appropriated for the fiscal year, may establish
6 a modified level or type of benefit program when the provision of such benefit is needed in
7 order to attract and retain sufficiently qualified employees to work in specific per
8 performance, hourly, or unit-of-work assignments.

9 Appointing authorities are not permitted to utilize per performance and hourly
10 employees as a method of replacing bi-weekly rate employees who would be entitled to
11 employee benefits.

12 **(k)** The Director of Personnel may establish trainee rates of pay. Such trainee rates may
13 be established on an hourly, per performance or bi-weekly basis and shall be less than the rate
14 paid to a regular employee.

15 **(l)** The Director of Personnel, with the assistance of appointing authorities concerned,
16 may establish rates and conditions under which compensation may be granted for periods of
17 time during which an employee is away from the job site but restricted in his/her activities
18 because of an assignment by the appointing authority to be available for a call to return to the
19 work site to perform emergency duties. Pay rates and conditions established under the
20 provisions of this Section 2(l) may include reasonable minimum pay guarantees for
21 employees required to return to the work site to perform emergency duties. The provisions of

1 this Section 2(l) shall not be construed to restrict the right of an appointing authority to
2 establish call back procedures for employees as an established condition of employment.

3 **(m)** The Director of Personnel may authorize payment of special recruitment incentives,
4 travel, moving and related expenses to recruit employees for positions when funds for this
5 purpose are appropriated.

6 **(n)** The Director of Personnel may approve the payment of hiring incentives to current
7 employees to recruit qualified personnel for positions that are difficult to fill. Hiring
8 incentives shall be in any amount up to twenty-five percent (25%) of the annual salary of the
9 position for which the recruitment is made.

10 **(o)** (1) An appointing authority, with the prior approval of the Director of Personnel,
11 may establish cash awards or other incentives for an employee or group of employees to
12 recognize and reward increased productivity or effectiveness. The incentives offered may
13 include cash, paid time off and such other reasonable incentives as the Director of Personnel
14 may determine. Cash awards shall be made from the personal services appropriation of the
15 unit, the account from which the employee's salary is paid or from a general appropriation for
16 this purpose.

17 (2) The Director of Personnel, upon the request of the appropriate appointing
18 authority, may establish a program of cash awards or other incentives, not to exceed ten
19 percent (10%) of annual salary, paid as an addition to pay, for the purpose of providing
20 additional compensation for employees who are fluent in a foreign language and who use this
21 skill in the necessary and regular recurring performance of the duties of their position. Cash

1 awards shall be made from the personal services appropriation of the unit, the account from
2 which the employee's salary is paid or from a general appropriation for this purpose. Cash
3 awards and incentives under this program shall be made in accordance with guidelines
4 established by the Director of Personnel.

5 (3) Notwithstanding any other provision in this ordinance, the Director of
6 Personnel is authorized to extend the maximum of the pay ranges by up to forty percent
7 (40%) for the purpose of compensating positions which are extremely hard to fill.

8 (4) The Director of Personnel may provide an Employee Suggestion Program
9 which grants cash and other awards to recognize employee suggestions which improve City
10 services, operations or facilities. Cash awards to employees for suggestions resulting in
11 tangible savings to the City shall not exceed ten percent (10%) of the annual tangible net
12 savings. Cash awards and payments for other awards shall be made from an appropriation for
13 a suggestion program or other appropriate account. Additionally, cash awards for suggestions
14 shall be granted as an addition to pay, which does not change an employee's bi-weekly rate.
15 The Employee Suggestion Program shall be administered in accordance with regulations
16 established by the Director of Personnel. The Director of Personnel may establish an
17 authority to evaluate suggestions and determine awards; the decisions of this authority shall
18 be final.

19 (p) An employee who is appointed to a position requiring advanced technical skills or
20 professional qualifications may be paid at a higher rate than prescribed for the class in Section
21 2 of this ordinance on recommendation of the appointing authority with the prior approval of

1 the Director of Personnel. Such advancement shall be made solely on the basis that the
2 employee possesses exceptional academic qualifications, registrations or certifications related
3 to the duties of the position and when such academic qualifications, registrations, or
4 certifications are not deemed necessary qualifications for the class of position.

5 The Director of Personnel may also establish other incentive or reimbursement
6 programs to encourage current employees to attain registration, licensure, certification, or
7 proof of professional mastery when it is deemed to be in the best interest of the Classified
8 Service, or when such credentials are clearly recognized as adding to the capability of
9 individuals in that area. Incentives or reimbursements awarded under such programs do not
10 result in an employee being ruled ineligible for incentives or salary increases permitted under
11 other sections of this pay ordinance.

12 **(q)** In Skilled Trades classes, defined as those that have bona fide apprenticeship
13 programs registered with the Department of Labor or documented attainment of equivalent
14 apprenticeship programs, employees who have completed such apprenticeship programs and
15 attained journeyman status shall be granted the special skills recruitment rate for the class if a
16 special skills recruitment rate exists for the class. Employees in classes in the Trades Pay
17 Schedule who have completed alternative training programs established and approved by the
18 Director of Personnel, and attained journeyman status shall also be eligible for a salary at the
19 special skills recruitment rate if such a rate exists for the class.

20 **(r)** An appointing authority may, with the prior approval of the Director of Personnel,
21 establish a program to reimburse, in whole or in part, expenses incurred by employees for the

1 purchase of uniform apparel required in the performance of the duties of their positions, when
2 funds have been budgeted, therefore.

3 An appointing authority may exercise the option to furnish such uniform as may be
4 required in the employee's performance of his/her duties.

5 The Director of Personnel may establish regulations relating to employees' eligibility
6 for reimbursement for uniforms.

7 Further, when funds have been budgeted therefore, an appointing authority may
8 authorize reimbursement to uniformed security or correctional employees of up to fifty dollars
9 (\$50.00) per incident for damage to personal property sustained while the employee was
10 directly engaged in quelling a disturbance while performing assigned and/or authorized duties
11 during a shift. Employees whose pay is established under Section 2(d) of the ordinance may
12 be reimbursed for damages to personal property sustained while in the course and scope of
13 employment in accordance with Police Division policies.

14 (s) An appointing authority that requires employees to provide and maintain their own
15 tools shall provide a tool replacement program and/or annual maintenance allowance, with the
16 prior approval of the Director of Personnel.

17 (t) (1) Contingency assignment differential may be paid for certain assignments when
18 immediate position coverage is needed for any unexpected reason (*e.g.* death, forced leave,
19 emergency illness, etc.) in a higher pay grade, and shall be granted at the onset of the
20 assignment, not to extend more than one pay period. The Director of Personnel will
21 determine the assignments for which Contingency Assignment Differential will be paid. The

1 assignment of an employee to said assignment having a contingency assignment differential
2 will be determined by the appointing authority from an existing eligible list and will not
3 constitute a promotion or advancement in pay. In addition, the removal of an employee from
4 said assignment shall not constitute a demotion or reduction in pay. If an eligible list is not
5 available, an appointing authority may submit to the Director of Personnel the name of the
6 employee being considered for the assignment to determine if they meet the necessary
7 minimum qualifications for the position being considered.

8 For an employee whose pay range is established in Section 2(a), 2(b), 2(c) or 2(d),
9 with the prior approval of the Director of Personnel, the contingency assignment differential
10 will be ten percent (10%) of the employee's regular base bi-weekly rate added as an addition
11 to pay for each bi-weekly period worked or one percent (1%) of the employee's regular base
12 bi-weekly rate for each shift assignment covered, not to exceed one (1) pay period.

13 (2) Temporary assignment differential will be paid for certain assignments when a
14 vacancy exists for any reason (*e.g.* separations, terminal vacation, leave of absence, military
15 leave, etc.) in a position with a higher pay grade, and shall be granted for at least one (1) pay
16 period but not more than thirteen (13) pay periods, and offset by any days that the employee
17 by reason of absence is not fulfilling the assignment. The Director of Personnel will
18 determine the assignments for which the temporary assignment differential will be paid. The
19 assignment or removal of an employee from said assignment having a temporary assignment
20 differential will be determined by the appointing authority and will not constitute a
21 promotion, demotion, advancement, or reduction in pay. The intended employee must meet

1 the minimum qualifications for the position to be assigned. The temporary assignment
2 differential shall be computed as an addition to pay and not affect the employee's regular bi-
3 weekly rate.

4 For an employee whose pay range is established in Section 2(a), 2(b), 2(c) or 2(d),
5 with the prior approval of the Director of Personnel, the temporary assignment differential
6 will be ten percent (10%) of the employee's regular base bi-weekly rate added as an addition
7 to pay for each bi-weekly period worked, not to exceed thirteen (13) pay periods. The
8 Director of Personnel may require the establishment of a department policy on temporary
9 assignment differential pay and must sign off on the policy prior to authorizing temporary
10 assignment differential.

11 **(u)** City employees who are required by their appointing authority to routinely use their
12 personal vehicle in the performance of their duties shall be compensated by receiving a
13 vehicle maintenance and use allowance of two hundred ninety-seven dollars (\$297.00) per
14 month. Eligible employees who use their personal vehicle with reduced frequency shall be
15 entitled to a vehicle maintenance and use allowance which is reduced in proportion to the
16 reduced frequency of use, subject to the approval of the Director of Personnel.

17 **(v)** An appointing authority may, with the prior approval of the Director of Personnel,
18 establish a program to reimburse, in whole or in part, parking expenses incurred by
19 employees, when funds have been budgeted, therefore.

20 **SECTION 3.**

21 **EDUCATION REIMBURSEMENT**

An appointing authority may, with the prior approval of the Director of Personnel, authorize salary payments, payments of tuition expenses, fees, books and related material in whole or in part to employees to permit them to attend school, visit other governmental agencies or in any approved manner to devote themselves to improvement of knowledge or skills required in the performance of the duties of their position.

The Department of Personnel may reimburse, in whole or in part, expenses incurred by employees in the pursuit of improvement of the knowledge and skills required in the performance of their positions or in higher positions, when funds have been allocated in the Department's budget.

An appointing authority, with the approval of the Director of Personnel, may establish a program to reimburse, in whole or in part, expenses incurred by employees in the pursuit of improvement of the knowledge and skills required in the performance of the duties of their positions or to improve their professional, technical or managerial knowledge or skill.

SECTION 4.

SALARY RANGE LIMITATIONS

No employee in the Classified Service shall be paid at a rate lower than the minimum or higher than the maximum of the salary range established for the class to which his/her position has been allocated, except as otherwise provided in this ordinance.

SECTION 5.

STARTING SALARY

1 **(a)** The rate of pay for an excepted position to be paid upon original appointment to the
2 class shall be determined by the appointing authority for the excepted position.

3 **(b)** Except as otherwise provided in this ordinance, the minimum rate of pay for a position
4 shall be paid upon original appointment to the class unless the Director of Personnel finds that
5 it is difficult to secure the services of persons with minimum qualifications or experienced
6 qualified persons at the minimum rate.

7 The Director may establish a recruitment rate for a single position or all positions in a
8 class and authorize employment at an amount above the minimum but within the regular
9 range of salary established for the class. When a recruitment rate is established for an entire
10 class, employees already in such class may have their salaries adjusted to appropriate rates in
11 the new range resulting from the establishment of the recruitment rate.

12 **(c)** Employees with permanent status who are eligible for reemployment as determined by
13 the rules of the Department of Personnel shall be reemployed at an appropriate rate within the
14 salary range which takes into consideration the employee's prior service in the position, as
15 determined by the Director of Personnel.

16 **SECTION 6.**

17 **PROMOTION, DEMOTION, REALLOCATION,**

18 **TRANSFER AND TEMPORARY PROMOTION**

19 An employee who is transferred, promoted, demoted, or whose position is reallocated
20 after the effective date of this ordinance, shall have his/her rate of pay for the new position
21 determined as follows:

1 **(a)** Promotion: This shall be defined as a change of an employee in the Classified Service
2 from a position of one class to a position of another class with a higher pay grade or a higher
3 starting minimum salary.

4 (1) When an employee is promoted to a position in the General, Management or
5 Trades Pay Schedule, the employee's current bi-weekly rate of pay shall be set at a rate which
6 is five percent (5%) higher than the rate received immediately prior to the promotion or
7 adjusted to the nearest step in the new pay matrix which is not less than but is closest to a rate
8 which is five percent (5%) higher than the rate received immediately prior to promotion. An
9 appointing authority, with the prior approval of the Director of Personnel, may increase the
10 pay of an employee up to twenty percent (20%), adjusted to the nearest step, when such action
11 is needed to attract experienced, qualified candidates for a position. Such salary
12 determinations shall take into consideration the nature and magnitude of the accretion of
13 duties and responsibilities resulting from the promotion. However, no employee shall be paid
14 less than the minimum rate nor more than the maximum rate for the new class of position,
15 except as otherwise provided in this ordinance.

16 (2) Temporary Promotion: When an employee, whose salary range is established
17 in Section 2(a) or 2(b), is certified and temporarily promoted to a vacant position, for a
18 limited duration, the employee's current salary shall be adjusted as provided in Paragraph
19 (a)(1) of this Section. Upon expiration of the temporary promotion, the employee shall be
20 returned to his/her former rate of pay, adjusted by any increases the employee would have

1 received in the absence of the temporary promotion. In no case shall the employee's salary be
2 above the maximum of the salary range, unless otherwise provided for in this ordinance.

3 Employees whose salary ranges are established in Section 2(c) or 2(d) of this
4 ordinance, upon receipt of a temporary promotion, shall be granted the new rank with a salary
5 adjustment based on appropriate years of service in accordance with procedures established
6 for a regular promotion. At the end of the temporary promotion, the employee shall be
7 returned to the rank held immediately prior to the temporary promotion. The employee's rate
8 of pay shall be based on the appropriate years of service.

9 **(b)** Demotion: This shall be defined as a change of an employee in the Classified Service
10 from a position of one class to a position of another class which has a lower pay grade and a
11 lower starting minimum salary.

12 (1) If an employee is demoted for disciplinary reasons in accordance with the rules
13 of the Department of Personnel and Civil Service Commission and established disciplinary
14 procedures, his/her rate of pay shall be established at a rate within the range for the new
15 position which is at least five percent (5%) lower than the rate received immediately prior to
16 the demotion or reduced to the nearest step which is at least five percent (5%) lower than the
17 rate received immediately prior to the demotion, except no employee shall be reduced below
18 the minimum of the range unless otherwise provided for in this ordinance. The amount of the
19 reduction shall be determined by the appointing authority, with the approval of the Director of
20 Personnel.

1 (2) If an employee accepts a voluntary demotion, his/her current rate of pay shall
2 be reduced within the range for the new position which is five percent (5%) lower, to the
3 closest downward step, than the rate received immediately prior to demotion, except that
4 employees who are in a working test period and demote to their previous class of position or
5 pay grade, will return to the rate or step received immediately prior to the promotion, plus any
6 adjustments as otherwise provided in this ordinance. No employee shall be paid less than the
7 minimum nor more than the maximum rate for the new class of position, except as otherwise
8 provided in this ordinance.

9 (3) When an employee is demoted for reasons in the best interest of the City
10 Service as determined by the Director of Personnel, his/her salary may be reduced by reason
11 of the new salary range and grade with the prior approval of the Director of Personnel. If the
12 salary of such employee is above the maximum for the new position, the employee's salary
13 shall not be increased so long as he/she remains in the position, except as otherwise provided
14 by this ordinance.

15 **(c) Reallocation:**

16 (1) If the employee's position is reallocated to a class in a lower pay grade, his/her
17 salary shall remain unchanged or adjusted to the closest step provided the employee's rate of
18 pay shall not be reduced.

19 (2) The salary of an employee whose position is allocated to a class in a higher pay
20 grade shall be determined in accordance with the provisions of this Section 6(a)(1) relating to
21 salary advancement on promotion.

(d) Transfer: The salary rate of an employee who transfers to a different position in the same class, or from a position in one class to a position in another class in the same pay grade, shall remain unchanged, provided that no employee shall be paid less than the minimum rate nor more than the maximum rate for the new class of position, except as otherwise provided in this ordinance.

(e) Over Maximum: The salary of an employee, which is in excess of the maximum of the range prescribed by this ordinance for the class and grade to which his/her position has been allocated or may be reallocated, shall not be reduced by reason of the new salary range and grade. The salary of such employee shall not be increased so long as he/she remains in the class of position, except as otherwise provided by this ordinance.

SECTION 7.

SALARY ADJUSTMENT

Salary adjustments for all employees in competitive positions shall be based on considerations of merit, equity, or success in fulfilling predetermined goals and objectives as herein provided.

(a) Competitive positions for which salary is established in Section 2(a) - General and Management Schedule; or Section 2(b) - Trades Schedule:

(1) Any employee whose salary is established in Section 2(a) or 2(b) – General, Management, and Trades Pay Schedules, shall receive a service rating in accordance with the Service Rating Manual. The rating together with the standards of performance established in the rating manual shall determine eligibility for a one step within-range (merit) increase at

1 intervals as outlined in the Service Rating Manual or other pay regulation(s) as determined by
2 the Director of Personnel. Notwithstanding any other section of the compensation ordinance,
3 all employees in the General, Management, and Trades pay schedules who would be eligible
4 to receive an annual step increase as a result of a "Successful" or "Highly Successful" Overall
5 Rating on their regular Service Rating date will receive a 1.5% increase regardless of their
6 current rate or place in the pay schedule.

7 (2) A non-exempt (Overtime Code 3 or 4) employee whose pay is established in
8 Section 2(a) or 2(b) of this ordinance who receives an Overall Rating of "Unsuccessful" as
9 defined by the Service Rating Manual, may have his/her salary reduced as determined by the
10 standards established in the Service Rating Manual, but not less than the minimum of the pay
11 grade range.

12 (b) As used in this ordinance, "anniversary date" means the date following fifty-two (52)
13 weeks of continuous service from the date of original appointment or from the date of the last
14 salary adjustment, if other than a temporary reduction in pay for disciplinary reasons, a
15 demotion (not for disciplinary reasons) or an across-the-board ordinance increase, an increase
16 resulting from an authorized incentive program, reallocation or an upgrade of the
17 classification concurrent with adoption of the ordinance. Absence from service as a result of
18 any authorized paid leave, suspensions, military leave, or family/medical leave will not
19 interrupt continuous service. Absence from service for any other cause shall result in
20 breaking continuity of service and establishment of a new anniversary date, except as

otherwise provided in this ordinance. The Director of Personnel may authorize different anniversary dates for an employee or groups of employees.

(c) An appointing authority may evaluate the performance of an employee whose salary is established in Section 2(a) or 2(b) of this ordinance for the purpose of a salary adjustment only at intervals as described above except in the case of:

(1) Exceptional performance of duties:

With the prior approval of the Director of Personnel, the appointing authority in accordance with the Service Rating Manual, may advance the salary of an employee who demonstrates exceptional performance of duties after serving twenty-six (26) weeks of employment at the same rate in the salary range by not more than ten percent (10%) or to the closest step in the pay range which provides not more than a ten percent (10%) increase; this may be in addition to any merit increase received.

(2) Substandard performance of duties:

An appointing authority may reduce the salary of an employee whose level of performance is significantly diminished and no longer warrants payment at the current rate within the range as provided in the Service Rating Manual; providing the employee's salary is above the minimum of the range, established in Section 2(a) or 2(b) and allocated to Overtime Code 3 or Overtime Code 4.

The granting of any such increase or decrease in salary shall be made at the beginning of a payroll period, as determined by the Director of Personnel, following approval of such salary action.

1 **(d)** Competitive positions for which salary is established in Section 2(c) - Fire Division
2 Schedule:

3 All employees in the Fire Division Pay Schedule shall have a service rating completed
4 in accordance with the Service Rating Manual.

5 Probationary Fire Privates shall be advanced to the rate for Fire Privates at the
6 beginning of the first bi-weekly pay period following one (1) year of service. Probationary
7 Fire Equipment Dispatchers shall follow the same schedule.

8 **(e)** Competitive positions for which salary is established in Section 2(d) – Police Division
9 Schedule:

10 All employees in the Police Division Pay Schedule shall have a service rating
11 completed in accordance with the Service Rating Manual.

12 Police Probationary Officers who successfully complete their working test period shall
13 be advanced to the rate for Police Officer at the beginning of the first bi-weekly pay period
14 during which such officer's one (1) year anniversary as a Police Probationary Officer occurs,
15 excluding his/her initial time in training at the Police Academy.

16 **(f)** Excepted Positions: The pay of an employee in an excepted position shall be adjusted
17 to any rate within the pay range at the discretion of the appointing authority for the excepted
18 position.

19 **(g)** The Director of Personnel may approve, at the request of an appointing authority,
20 adjustments to correct or mitigate serious and demonstrable internal pay inequities. Salary

adjustments under this provision shall preclude adjustments to compensate or reward employees for long-term or meritorious service.

(h) The pay of any employee may be decreased as a disciplinary action by an appointing authority to a lower rate. Any such decrease shall be made in accordance with the established disciplinary procedures. The decrease shall not be greater than fifteen percent (15%) of the current salary rate. The decrease may be below the minimum of the pay range for the class. The appointing authority may determine the pay decrease shall be effective for a specific number of bi-weekly pay periods provided, however, that such decrease shall not be effective for more than thirteen (13) bi-weekly pay periods.

(i) An employee who is temporarily promoted shall be eligible for within range salary adjustments under provisions of this Section 7.

(j) The Director of Personnel may approve a within range salary adjustment or other incentives to retain employees in positions that are difficult to fill, or because of their unique requirements. Said adjustment may only be granted once during a twenty-six (26) week period.

SECTION 8.

INCOME SOURCES

Any salary paid to an employee in the Classified Service shall represent the total remuneration for the employee, excepting reimbursements for official travel and other payments specifically authorized by ordinance or pay regulation promulgated by the Director of Personnel. No employee shall receive remuneration from the City in addition to the salary

1 authorized in this ordinance for services rendered by the employee in the discharge of the
2 employee's ordinary duties, of additional duties which may be imposed upon the employee, or
3 of duties which the employee may undertake or volunteer to perform.

4 Whenever an employee not on an approved paid leave works for a period less than the
5 regularly established number of hours a day, days a week or days bi-weekly, the amount paid
6 shall be proportionate to the hours in the employee's normal work week and the bi-weekly
7 rate for the employee's position. The payment of a separate salary for actual hours worked
8 from two (2) or more departments, divisions or other units of the City for duties performed for
9 each of such agencies is permissible if the total salary received from these agencies is not in
10 excess of the maximum rate of pay for the class.

11 **SECTION 9.**

12 **CONVERSION**

13 **(a)** Pay schedules in Sections 2(a) or 2(b) in **Ordinance Number 71686** shall continue in
14 effect until the beginning of the first bi-weekly pay period starting after the effective date of
15 this ordinance, and the rates to be paid to employees in positions of any classes for which a
16 rate is established or changed in Section 2(a) or 2(b) of this ordinance shall become effective
17 and be adjusted (if necessary) as follows:

18 The salary of each employee whose pay range is established in Section 2(a) or 2(b) of
19 this ordinance whose class has been allocated to a higher pay grade in the appropriate pay
20 schedule as determined by the Director of Personnel shall have their current salary increased
21 to a rate, rounded to the nearest whole dollar, which is not less than but is closest to a rate

1 which is five percent (5%) higher than the rate received immediately prior to promotion, but
2 not less than the minimum of the pay range, whichever is the greater. If an employee's salary
3 is between steps, the employee's salary shall be placed at the higher step.

4 **(b)** Pay schedules in Sections 2(c) or 2(d) in **Ordinance Number 71686** shall continue in
5 effect until the beginning of the first bi-weekly pay period starting after the effective date of
6 this ordinance.

7 The salary of each employee whose pay is established in Section 2(c) or 2(d) of this
8 ordinance who previously occupied a step in the pay range within **Ordinance Number 71686**
9 that was greater than step 20, shall be moved to step 20 in the appropriate pay range at the
10 beginning of the first bi-weekly pay period starting after the effective date of this ordinance.

11 **(c)** No employee shall be reduced in salary by reason of the adoption of the new pay
12 schedules in this ordinance.

13 **(d)** The salary of an employee serving in a trainee position, which remains above the new
14 trainee rate for his/her position, shall remain unchanged.

15 **(e)** The Director of Personnel may establish a special conversion procedure for a class or
16 position in the event that the Director determines that a serious inequity would be created by
17 the application of the conversion procedures established in this Section 9.

18 **(f)** All full-time employees whose salary is established in Section 2(a) or 2(b) – General
19 and Management or Trades Pay Schedules whose bi-weekly rate is above step 30 shall have
20 their bi-weekly rate increased by three percent (3%) at the beginning of the first bi-weekly
21 pay period starting after the effective date of this ordinance.

(g) The Director of Personnel shall establish such procedures as needed to place this ordinance into effect and interpret its provisions.

SECTION 10.

PAYMENT OF SALARIES

All compensation for positions in the Classified Service shall be paid bi-weekly. The Director of Personnel and Comptroller shall establish the procedure for listing employees on the various payrolls. The payment due each employee for service, except as otherwise provided, shall be made not later than sixteen (16) days after the end of the bi-weekly pay period. In the event that an employee is dismissed or has been employed for occasional or emergency work, the Comptroller may immediately pay the employee upon termination of service without waiting for the regular bi-weekly pay date of the Department, Division, Section, Office, Agency, Board or Commission where the employee worked.

SECTION 11.

CHANGES TO CLASSIFICATION PLAN

Whenever the Department of Personnel finds it necessary to add a new class to the classification plan, the Director of Personnel shall allocate the class to an appropriate grade and schedule in this ordinance, recommend such change to the Civil Service Commission, and notify the Board of Aldermen of this action.

Whenever the Department of Personnel finds it necessary to change the overtime code of an existing class within the classification plan, the Director of Personnel shall change the

overtime code, recommend such change to the Civil Service Commission, and notify the Board of Aldermen of this action.

Whenever the Department of Personnel finds it necessary to change the pay schedule of an existing class within the classification plan, the Director of Personnel shall allocate the class to the appropriate schedule in this ordinance, recommend such change to the Civil Service Commission, and notify the Board of Aldermen of this action.

The pay grade allocated to a class of position within the classification plan shall remain unchanged for the duration of the existing compensation ordinance. Whenever the Department of Personnel considers it necessary to change the pay grade of an established class of position, such adjustment can only be made concurrent with the adoption of a new compensation ordinance. Recommendation for the allocation of a new pay grade shall be made by the Director of Personnel to the Civil Service Commission for final approval by the Board of Aldermen.

SECTION 12.

PAYROLL FORMS

The Director of Personnel shall prescribe forms on which appointing authorities shall certify to the fact that a vacancy exists in a lawfully created position and to the lawful appointment of a person to fill the position. The Director of Personnel shall indicate on these forms the proper allocation of the position and the rate at which payment is to be made. When approved by the Director of Personnel and submitted to the Comptroller, these forms shall constitute authorization for the initial placing of a person's name on the payroll. The

1 Comptroller shall not authorize any change in the rate of pay of an individual on the payroll
2 unless approved by the Department of Personnel. The Comptroller shall provide the
3 Department of Personnel with a copy of each payroll audited and found correct within twenty-
4 one (21) days after audit and approval of the payroll by the Comptroller's Office.

5 **SECTION 13.**

6 **CERTIFICATION OF PAYROLL**

7 The appointing authority shall certify on each payroll or a subsidiary document that
8 each person whose name appears on the payroll has been lawfully appointed at a salary
9 provided by this ordinance and that the employee has actually worked the time for which
10 he/she will be paid, subject to the provisions of this ordinance governing hours of work and
11 leaves of absence in the Classified Service.

12 **SECTION 14.**

13 **MINIMUM WORK HOURS**

14 Each appointing authority shall establish procedures to assure that the employees
15 under his/her supervision are actively engaged in the performance of the duties of their
16 positions in accordance with the provisions of this section.

17 Each appointing authority shall submit to the Department of Personnel the work
18 schedule established for each position in the work unit. Work schedule reports shall be
19 submitted upon request of the Director of Personnel or whenever the appointing authority
20 proposes to change the permanent work schedule of a position. The work schedule submitted

1 by the appointing authority shall constitute the normal work schedule for the position when
2 approved by the Director of Personnel.

3 All employees in the Classified Service shall be in attendance at their work in
4 accordance with schedules established under the provisions of this Section 14, subject to other
5 provisions of this ordinance with respect to hours, holidays, vacation leave, medical leave,
6 furloughs, sick leave, military leave, and leaves of absence with or without pay.

7 **(a)** Employees whose salaries are established in Section 2(a) or 2(b): Forty (40) hours
8 shall constitute the average minimum required weekly hours of service in an employment
9 cycle under regular full-time employment for all City employees paid on a bi-weekly basis
10 occupying competitive positions in the Classified Service. The minimum daily and annual
11 service required of such employees shall be in proportion to the average minimum weekly
12 hours established.

13 Appointing authorities shall so arrange the time for reporting for work, for luncheon
14 intermission, and for quitting work of the various employees under their jurisdiction so that
15 the employees will actually be engaged in active performance of their duties for not less than
16 the average minimum number of hours required.

17 **(b)** Management Employees: Appointing authorities for employees occupying full-time
18 positions whose salaries are established in Section 2(a) of this ordinance shall initiate
19 procedures to see that such employees are engaged in the performance of their duties on a
20 full-time basis. Full-time employment for any employee whose classification is denoted in

1 the Management Schedule shall be defined as an average of forty (40) hours per week of time
2 devoted to the duties of the position on an annual basis.

3 **(c)** Uniformed Fire Personnel: Fifty-two (52) hours shall constitute the average required
4 weekly hours of service in an employment cycle under regular full-time employment for all
5 employees in the Division of Fire and Fire Prevention, except that the appointing authority,
6 with the approval of the Director of Personnel, may determine that the minimum work hours
7 provision of Section 14(a) shall apply to employees in certain positions due to the nature of
8 the assignment and/or scheduling requirements. The appointing authority shall so arrange the
9 time for reporting for work and for quitting work of the various employees under the
10 appointing authority's jurisdiction so that the employees will actually be engaged in the active
11 performance of their duties for not less than the average number of hours required.

12 **(d)** The work period for employees whose pay is established in Section 2(d) of this
13 ordinance is twenty-eight (28) days. The daily work period for an employee in the position of
14 Police Probationary Officer and Police Officer is eight (8) hours which includes a thirty (30)
15 minute meal period. The meal period is counted as working time; however, an officer unable
16 to take a meal break will not receive additional compensation. The daily work period for an
17 employee in the position of Police Officer Trainee is eight (8) hours. Additionally, Police
18 Officer Trainees shall receive a thirty (30) minute unpaid meal period that shall not be
19 counted as part of their daily work period or work day.

20 **SECTION 15.**

21 **OVERTIME**

1 **(a)** The Department of Personnel shall determine those positions in the Classified Service
2 of the City of St. Louis which are exempt from overtime compensation and those positions
3 which are not exempt from overtime compensation. The overtime codes established for each
4 class in Section 1(a) of this ordinance shall be interpreted as follows:

5 **OVERTIME CODE (OVTM):**

6 1 These classes are primarily managerial in nature, but may also include
7 some professional or administrative classes that are ineligible for
8 overtime pay under all but emergency conditions as described in
9 Section 15(d) of this ordinance.

10 2 These are supervisory, professional, and administrative classes that are
11 exempt from overtime compensation, but which the City compensates
12 for overtime at the straight (1.0x) time rate.

13 3 These are non-exempt classes that receive overtime compensation at
14 the one and one-half (1.5x) time rate.

15 4 These non-exempt classes work an average bi-weekly work schedule of
16 84 hours and, therefore, receive overtime compensation at the one and
17 one-half (1.5x) time rate.

18 Appointing authorities are prohibited from changing employee work schedules to
19 avoid the payment of overtime.

20 For purposes of determining overtime pay rates for non-exempt employees, the regular
21 hourly rate of pay shall be used.

1 Any employee in a class which has been allocated to Overtime Code 4 (non-exempt)
2 in Section 1(a) of this ordinance shall be compensated for overtime by granting the employee
3 pay or compensatory time off at the one and one half (1.5x) time rate. Each appointing
4 authority shall designate and submit to the Director of Personnel the official work week or
5 work cycle for all non-exempt (Code 4) positions in the work unit. Whenever a non-exempt
6 (Code 4) employee works in excess of forty (40) hours in a work week, the employee will be
7 paid at the one and one half time (1.5x) rate. The average number of scheduled hours in a bi-
8 weekly pay period shall not be less than eighty-four (84) for full-time employment. The
9 regular hourly rate of pay for a non-exempt (Code 4) bi-weekly paid employee shall be
10 determined by dividing the employee's regular bi-weekly rate of pay by the average number
11 of regularly scheduled hours of work in a bi-weekly pay period. In addition to the actual
12 hours worked, only paid vacation, compensatory time, jury leave, and holidays shall count as
13 hours worked for the purpose of determining eligibility for overtime compensation.

14 Any employee in a class which has been allocated to Overtime Code 3 (non-exempt)
15 in this ordinance shall be compensated for overtime work in accordance with the provisions of
16 this section. Each appointing authority shall designate and submit to the Director of
17 Personnel the official work week and schedule or work cycle for all non-exempt positions in
18 the work unit. The average number of scheduled hours in a bi-weekly pay period shall not be
19 less than eighty (80) for full-time employment.

20 Whenever an Overtime Code 3 employee whose pay matrix is in Section 2(a) or 2(b),
21 works hours in excess of the maximum established for an official work week or work cycle,

1 usually forty (40) hours in a work week such hours shall be paid at the one and-one-half time
2 (1.5x) rate. In addition to the actual hours worked, only paid vacation, compensatory time,
3 jury leave, and holidays shall count as hours worked for the purpose of determining eligibility
4 for overtime compensation.

5 Overtime Code 3 employees whose pay matrix is in Section 2(c) of this ordinance who
6 are working a nineteen (19) day work cycle are eligible to receive overtime after one hundred
7 forty-four (144) hours are worked in a work cycle, except that the Fire Division shall pay
8 overtime for emergency work at the end of a shift or emergency work required on a separate,
9 non-scheduled day, even if the total number of hours worked in the work cycle is not in
10 excess of one hundred forty-four (144) hours. These employees shall not receive additional
11 compensation for regularly scheduled hours in excess of one hundred forty-four (144) hours if
12 they do not actually work more than one hundred forty-four (144) hours in the work cycle;
13 provided however, that in addition to the actual hours worked, jury leave, vacation leave,
14 compensatory time and "O" days shall count as hours worked for the purpose of determining
15 eligibility for overtime compensation. Days scheduled off to reduce average work week to
16 fifty-two (52) hours, compensatory time, vacation, "O" days, and holiday time shall be
17 scheduled consistent with a reasonable vacation and holiday leave policy to avoid the
18 necessity of actually working more than one hundred forty-four (144) hours during any work
19 cycle.

20 Police Officer Trainees, Police Probationary Officers and Police Officers shall be paid
21 overtime, defined as one and one-half time (1.5x) the employee's regular standard rate of pay,

1 for all hours worked in excess of their eight (8) hour work day or any hours worked on a
2 scheduled day off. Only hours actually worked shall count toward overtime pay.

3 Police Sergeants – whose salary is established in Section 2(d) of this ordinance shall
4 be paid overtime, as defined as one and one-half time (1.5x) the employee's regular standard
5 rate of pay, for all hours actually worked in excess of one hundred sixty (160) hours in a
6 twenty-eight (28) day work period. In addition to hours physically worked, paid vacation,
7 compensatory time, holidays, discretionary holidays, and sick-injured time shall count toward
8 the 160-hour threshold during the 28-day period that must be met to earn overtime. These
9 employees shall receive additional compensation for authorized overtime, court time, and
10 court standby time whenever the total accumulated time exceeds forty (40) hours.

11 **(b)** Any employee in a class which has been allocated to Overtime Code 2 in Section 1(a)
12 of this ordinance shall be compensated for overtime by granting the employee pay or
13 compensatory time off at the straight (1.0x) time rate. Each appointing authority shall
14 designate and submit to the Director of Personnel the official work week or work cycle, which
15 is usually forty (40) hours, for all exempt (Code 2) positions in the work unit. Whenever a
16 full-time employee in an exempt (Code 2) position is directed by management, with the
17 approval of the appointing authority, to work hours in excess of the maximum established for
18 an official work week or work cycle it shall be considered overtime. In addition to the actual
19 hours worked, only paid vacation time, compensatory time, jury leave, and holidays shall
20 count as hours worked for the purpose of determining eligibility for overtime compensation.
21 Straight time (1.0x) overtime shall be compensated at the employee's regular hourly rate of

1 pay, or by granting the eligible employee compensatory time off at the rate of one (1) hour for
2 each hour of overtime worked. The average number of scheduled hours in a bi-weekly pay
3 period shall not be less than eighty (80) for full-time employment. The regular hourly rate of
4 pay for an exempt (Code 2) bi-weekly paid employee shall be determined by dividing the
5 employee's regular bi-weekly rate of pay by the average number of regularly scheduled hours
6 of work in a bi-weekly pay period.

7 **(c)** Part-time bi-weekly paid employees and employees paid on an hourly or per
8 performance basis shall be compensated for overtime work in accordance with the overtime
9 provisions of this section and with consideration for community practices in compensating
10 similar employment.

11 **(d)** An appointing authority may compensate Overtime Code 1 employees at the straight-
12 time (1.0x) rate, when both of the following conditions exist: 1) the Mayor of the City of St.
13 Louis declares an emergency due to serious and protracted conditions which threaten
14 continuous City Service, preservation of public peace, health, or safety, and 2) the appointing
15 authority directs an employee or group of employees to work in excess of forty (40) hours per
16 week. The appointing authority shall maintain attendance records of the assignment(s) and
17 submit such records at the request of the Director of Personnel.

18 **(e)** Employees who wish to use compensatory time earned in lieu of pay must make their
19 request in writing at least twenty-four (24) hours in advance of the day or days requested.
20 The appointing authority shall keep in mind the staffing needs of the department when
21 granting time off, but in any case time off will not be unreasonably denied.

1 Pay shall be the regular method of compensation for recorded overtime hours of work
2 for employees in classes with Overtime Code 3 and Overtime Code 4. However, an
3 appointing authority shall compensate a non-exempt bi-weekly paid employee for overtime
4 work by granting the employee compensatory time off in lieu of pay only if the employee
5 requests compensatory time, in writing.

6 Employees engaged in public safety, emergency response or seasonal activity as
7 defined by the Director of Personnel may have a maximum balance of two hundred forty
8 (240) hours of compensatory time; except that Police Officer Trainees, Police Probationary
9 Officers, Police Officers, and Police Sergeants shall only be allowed to accumulate up to forty
10 (40) hours of compensatory time. All other employees are allowed a maximum balance of
11 one hundred twenty (120) hours of compensatory time excluding compensatory time earned
12 for working on a holiday. These maximum balances of compensatory time shall apply to
13 employees working an average work week of forty (40) hours; the maximum balance of
14 compensatory time for employees whose average work week is more or less than forty (40)
15 hours shall be proportionate. No provision of this section establishing a maximum balance of
16 compensatory time shall serve to cancel any compensatory time due to an employee or to
17 deny an employee payment for recorded compensatory time earned in accordance with the
18 provisions of the compensation ordinance in effect at the time the compensatory time was
19 earned.

20 Each appointing authority shall establish procedures to assure that non-exempt
21 employees are promptly granted time off when such employees request to use their earned

1 compensatory time. Appointing authorities may not deny non-exempt employees' requests
2 for earned compensatory time off except when such approval would create an extreme
3 business hardship. For employees occupying the position of Police Officer Trainee, Police
4 Probationary Officer, and Police Officer compensatory time may be used at such times and in
5 such blocks as are mutually agreed upon between the supervisor and the employee and it shall
6 not be unreasonably denied by the supervisor if operating requirements will not be adversely
7 affected. When an appointing authority determines that the work schedule of the organization
8 will not permit the granting of such time off, the appointing authority shall pay the employee
9 in that same pay period for all or a portion equivalent to the time requested of the employee's
10 accrued compensatory time. This provision requiring the prompt granting of requested time
11 off applies only to compensatory time that is earned as a result of the employee working
12 overtime; it does not apply to compensatory time earned as a result of an incentive program or
13 award program.

14 Compensatory time earned by exempt employees shall be granted at the discretion of
15 the appointing authority and upon request of the employee.

16 **(f)** Before an employee is transferred, promoted or demoted from a position under one
17 appointing authority to a position under another appointing authority or to another unit with a
18 different appropriation, all compensatory time shall be granted or paid. Upon termination all
19 compensatory time shall be paid. Upon the death of an employee, the person or persons
20 entitled by law to receive any compensation due to the employee shall be paid any amount
21 due to the employee on the date of death.

17 watch on December 31 will receive four (4) hours of compensatory time.

18 **(d)** Each appointing authority shall determine the manner of granting holidays and shall

20 Personnel. When full-time employees, whose pay is established in Section 2(a) or 2(b) of this
21 compensation ordinance, excluding employees of the Police Division, are required to work on

1 a holiday they shall be entitled to compensation for the holiday and the hours actually worked.

11 schedules.

12 Employees whose pay is established in Section 2(c) of this ordinance and are

11 or allowed to take any vacation until ninety (90) days of continuous employment from the
12 date of employment.

13 **(g)** All references in this ordinance, except as otherwise noted, to accrual rates, additions
14 to, and accrual maximums for vacation are for employees working a scheduled work week of
15 forty (40) hours. Vacation rates, additions and maximums shall be computed on a
16 proportionate basis for employees whose average work week is more or less than forty (40)
17 hours. When an eligible employee's scheduled work week is changed, the employee's rate of
18 accrual shall be changed proportionately. All references in this ordinance to cumulative
19 service for vacation shall mean cumulative service without a break in service of more than
20 one year, except as provided otherwise in this ordinance. No employee who works less than

1 fifty percent (50%) time or who is serving in a limited-term position shall be eligible to accrue
2 vacation.

3 **(h)** (1) For those employees hired before or after the effective date of this ordinance
4 whose pay is established in Section 2(a), 2(b) or 2(c) who work an average work week of
5 forty (40) hours, the maximum vacation balance shall be six hundred (600) hours. For those
6 employees hired before the effective date of this ordinance whose pay is established in
7 Section 2(d) and who work an average work week of forty (40) hours, the maximum vacation
8 balance shall be five hundred (500) hours. Employees whose pay is established in Section
9 2(d) who have more than five hundred (500) hours of vacation on the effective date of this
10 ordinance shall receive a one-time payment for all vacation hours accrued and unused over
11 five hundred (500) hours. For those employees hired on or after the effective date of this
12 ordinance whose pay is established in Section 2(d) and who work an average work week of
13 forty (40) hours, the maximum vacation balance shall be two hundred and forty (240) hours.
14 An appointing authority, upon written request and with the prior approval of the Director of
15 Personnel, may authorize an employee or group of employees to exceed these maximums.
16 Vacation accrual maximums for those working more or less than forty (40) hours per week,
17 but at least fifty percent (50%) time shall be proportionate to the number of hours worked in a
18 bi-weekly pay period.

19 (2) When an employee's full-time average work week is changed, the maximum
20 vacation balance shall be changed proportionately. In addition, the employee shall have
21 his/her current vacation balance adjusted so that the vacation shall maintain the same position

1 relative to the new maximum balance as existed with the employee's previous maximum
2 balance.

3 (3) Accrual of vacation shall cease when an employee accumulates the maximum
4 vacation balance established for the assigned work schedule and shall not resume until the
5 vacation balance is less than the maximum amount.

6 (i) Accrual of vacation shall begin and be credited upon the first bi-weekly pay period
7 and each pay period thereafter, but employees must complete the entire pay period to accrue
8 the vacation leave at the end of said pay period:

9 (1) of appointment;

10 (2) of return to duty from leave of absence;

11 (3) of restoration to employment of one-half (50%) time or more.

12 Vacation leave shall be granted in whole hour units. On termination of service, any
13 fractional hour shall be made whole. The accrual of vacation leave shall cease on the
14 employee's last day at work.

15 (j) Appointing authorities shall be responsible for establishing all vacation leave
16 schedules but may not discipline employees by imposing unusual vacation schedules.
17 Vacation shall be granted to the employee as provided by this ordinance in one of the
18 following ways:

19 (1) When the employee requests vacation leave in accordance with departmental
20 policies;

21 (2) When directed to take paid time off by the appointing authority;

1 (3) When an employee is terminated or resigns from the Classified Service;

2 (4) When an employee whose salary is established in Sections 2(a), 2(b), 2(c) or
3 2(d) reaches the established maximum accrual and would cease accruing vacation and notifies
4 the appointing authority in writing of his/her intention to schedule vacation. Such notice shall
5 be at least seven (7) days prior to the first work day the employee intends to take off. If the
6 appointing authority fails to establish a different vacation schedule, the employee may take
7 the paid leave, which was proposed in writing.

8 (5) With the approval of the appointing authority, an employee may request and
9 receive payment from the appointing authority for forty (40) hours of vacation accrual in lieu
10 of scheduling paid leave provided that the full vacation allowance for that year is not
11 exceeded. This may be done a maximum of once in each calendar year. Management
12 employees may request payment from the appointing authority for up to an additional forty
13 (40) hours of their vacation accrual balances in lieu of scheduling paid leave if their schedules
14 do not permit them to be absent from work. Employees whose pay is established in Section
15 2(c) of this ordinance may request payment for up to ninety-six (96) hours of vacation. These
16 requests are subject to the prior approval of the Director of Personnel.

17 **(k)** During the first twelve (12) months of employment, unless stated otherwise in this
18 ordinance, accrued vacation may be granted to an employee provided that the employee has
19 completed ninety (90) days of continuous service. When employment is terminated before
20 completing twelve (12) months of continuous service, any previously granted vacation leave
21 shall be deducted from the employee's final pay. When the service of an employee is

1 terminated after twelve (12) months of continuous service, any accumulated vacation that is
2 due the employee shall be paid.

3 **(l)** Employees who separate from the Classified Service, who are certified from a
4 reemployment list, and who return to the Classified Service within twenty-four (24) months of
5 the separation, will be given credit for prior continuous service in determining the vacation
6 accrual rate in accordance with Section 17(a), 17(b), 17(d), 17(e) or 17(f) of this ordinance
7 and based on the date of the employee's original appointment.

8 **(m)** Employees who move to the Classified Service from the Unclassified Service shall be
9 given credit for the years of service in the Unclassified Service in determining the vacation
10 accrual rate in accordance with Section 17(a) or 17(b) of this ordinance and based on the date
11 of the employee's original appointment.

12 **(n)** Employees who return to work from a "reemployment from layoff" eligible list shall
13 be eligible to use vacation as soon as it is accrued, unless stated otherwise in this ordinance,
14 provided the employee has completed six (6) months of continuous service prior to the layoff
15 and with approval of the appointing authority. An employee who has completed less than six
16 (6) months of continuous service will be required to complete the remaining portion of the six
17 (6) months period before being eligible to use vacation.

18 Any such reemployed worker shall be given credit for prior continuous service in
19 determining the employee's vacation accrual rate in accordance with the schedule established
20 in Section 17(a), 17(b), 17(d), 17(e) or 17(f) of this ordinance and based on the employee's

1 original appointment. A Commissioned Officer who retires and is rehired as a civilian
2 employee will be considered a new employee for vacation purposes.

3 **(o)** Appointing authorities shall be responsible for the management of their vacation
4 schedules so as to most effectively administer their organizations and fulfill the desire of
5 employees in the establishment of leave schedules.

6 **(p)** Accrued vacation shall be carried with an employee when transferred, promoted, or
7 demoted from a position under one appointing authority to a position under another
8 appointing authority without a break in service or change in method of pay. Upon the death
9 of an employee, the person or persons entitled by law to receive any compensation due the
10 employee shall be paid the amount due the employee for accrued vacation.

11 **(q)** With the approval of the appointing authority, a retiring employee may be paid on the
12 payroll for accrued vacation in the month prior to retirement without inclusion in the
13 employee's final average compensation. An appointing authority may pay previously accrued
14 vacation off in a lump sum to an employee whose service with the City has terminated. Such
15 payment shall be made on the employee's last regular paycheck.

16 **(r)** Employees occupying excepted positions in the Classified Service shall be granted
17 vacation at the discretion of their appointing authority. An employee whose term in an
18 excepted position ends and who is then appointed to a permanent competitive position
19 working fifty percent (50%) time or more shall become eligible to accrue vacation leave with
20 pay upon appointment to the competitive position. Length of cumulative service for the
21 purpose of determining rate of vacation leave accrual shall be based on the employee's

1 original date of appointment to the excepted position, providing there was no break in service
2 between expiration of the excepted position and appointment to the permanent competitive
3 position. The date of appointment to the permanent competitive position shall be used to
4 determine the appropriate rate of vacation accrual for the corresponding length of cumulative
5 service in accordance with the schedule established in Section 17(b).

6 **(s)** Appointing authorities shall report leave with pay for vacation and such other
7 authorized absences as the Director of Personnel shall designate to the Department of
8 Personnel in such form and at such time as the Director of Personnel may require.

9 **SECTION 18.**

10 **SICK LEAVE**

11 **(a)** Employees (non-Police Division employees) ceased accruing sick leave beginning

17 **(b)** An active employee who is a member of the Employees Retirement System or the
18 Firemen's Retirement System of the City of St. Louis, and who applies for retirement and
19 immediately retires from active service, shall receive payment for his/her sick leave balance
20 less any sick leave credited or paid to a member or used in the calculation of retirement
21 benefits under this or any other ordinance(s). If the Employees Retirement System or

1 Firemen's Retirement System provides for sick leave to be credited or paid to a member or
2 used in the calculation of retirement benefits, this payment shall be limited to a maximum of
3 fifty percent (50%) of the value of the employee's sick leave balance. If the Employees
4 Retirement System of the City of St. Louis provides for sick leave to be credited or paid to a
5 member or used in the calculation of retirement benefits, this payment shall be fifty percent
6 (50%) of the value of the employee's sick leave balance at time of retirement.

7 **(c)** If a member of the Employees Retirement System or the Firemen's Retirement System
8 of the City of St. Louis who had been otherwise eligible for Normal or Early Service
9 Retirement dies his/her estate may receive payment based on the calculation above on the
10 employee's sick leave balance, if any. Payment shall be made in accordance with the
11 procedures established by the Director of Personnel.

12 **(d)** An employee who is reemployed from an authorized layoff shall have his/her prior
13 sick leave balance if any restored, provided this balance has not been used in the
14 determination of pension benefits paid to the retiree.

15 **(e)** Commissioned officers will be granted sick leave at the rate of 3.70 hours bi-weekly.
16 In addition, military reinstatements will be credited, on the date of their reinstatement, with
17 the number of sick leave credits accumulated prior to entering the military. Officers hired
18 prior to April 20, 2011, may earn and bank sick leave hours on an unlimited basis until
19 termination from the Division.

20 **(f)** Commissioned officers hired prior to April 20, 2011, with thirty (30) years of service
21 and possessing 2,200 accrued sick leave hours, will receive compensation for one-half of their

1 accumulated sick leave hours. Officers hired prior to April 20, 2011, who have at least twenty
2 (20) years of service who possess 1,600 accrued sick leave hours, will receive compensation
3 for one-fourth of their accumulated sick leave hours, and also receive 173.33 hour pay (2080
4 hours divided by 12). All other officers hired prior to April 20, 2011, terminating their
5 employment with the Division will receive compensation for one-fourth of their accumulated
6 sick leave hours at the time of termination. These benefits are not granted to employees who
7 have pled guilty, been found guilty or otherwise convicted of a crime prior to termination.

8 **(g)** Employees in Section 2(a) or 2(b) formerly employed by the Board of Police
9 Commissioners prior to April 20, 2011, and continuously employed by the City with thirty

15 accumulated sick leave hours, and also receive 173.33 hour pay (2080 hours divided by 12).
16 All other employees in Section 2(a) or 2(b) employed by the Board of Police Commissioners
17 prior to April 20, 2011, and continuously employed by the City who terminate their
18 employment with the Division will receive compensation for one-fourth of their accumulated
19 sick leave hours at the time of termination. These benefits are not granted to employees who
20 have pled guilty, been found guilty or otherwise convicted of a crime prior to termination.

1 **(h)** All Commissioned officers, excluding Police Officer Trainees, may be eligible to
2 receive paid time off for perfect and near perfect attendance.

4 at the current rate of compensation.

5 **SECTION 19.**

6 **MEDICAL LEAVE**

7 **(a)** Medical leave with pay shall be granted to bi-weekly rate employees in permanent
8 competitive positions working fifty percent (50%) time or more in accordance with
9 regulations and procedures established by the Director of Personnel.

10 (1) All employees, unless otherwise stated in this ordinance, shall accrue three (3)
11 hours of medical leave for each bi-weekly pay period of employment but must complete the
12 entire pay period to accrue the medical leave at the end of said pay period. This accrual rate
13 is established for employees working an average work week of forty (40) hours. Medical
14 leave shall be computed on a proportionate basis for employees whose average work week is
15 more or less than forty (40) hours. An eligible employee may be granted paid medical leave
16 by his/her appointing authority after completing ninety (90) days of continuous service.

17 (2) Employees in Section 2(a) or 2(b) hired by the Police Division on or after
18 September 1, 2013, shall accrue medical leave as stated above in Section 19(a)(1).

19 (3) Employees in Section 2(a) or 2(b) hired by the Board of Police Commissioners
20 before September 1, 2013, shall be entitled to all of the sick and medical leave accrued during
21 such employment. Subject to the provisions of Section 19(a), medical leave with pay shall be

1 granted at the rate of 3.70 hours bi-weekly to employees in Section 2(a) or 2(b) hired by the
2 Board of Police Commissioners before September 1, 2013, employed by the City and
3 continuously employed by the City on September 1, 2013.

4 **(b)** The Director of Personnel may establish a system of cash awards, paid time off or
5 other incentives to reward employees for perfect and near perfect attendance.

6 **(c)** An appointing authority shall remove an employee from the payroll for unexcused
7 absence in accordance with regulations and procedures established by the Director of
8 Personnel. When an employee is docked from the payroll under the provisions of this section,
9 the amount deducted from his/her regular bi-weekly rate of pay shall be one times (1.0x) the
10 regular hourly rate as defined in this ordinance for each hour of unexcused absence. If an
11 employee is docked from the payroll for one (1) hour or more in a bi-weekly pay period,
12 he/she will cease to accrue medical leave for the pay period.

13 **(d)** If management decides to send their employees or a group of employees home due to
14 inclement weather, they will not lose their medical leave accrual for that pay period.

15 **(e)** All leave with or without pay for illness, injury, or physical inability to perform
16 assigned duties shall be recorded on the payroll or a subsidiary document in the manner
17 established by the Director of Personnel. Compensation for periods of absence from work
18 when an employee sustains an injury by accident on the job shall be governed by the
19 provisions of Section 24 (Workers' Compensation and Disability Leave) of this ordinance.

20 **(f)** An employee who is reemployed from an authorized layoff shall have his/her prior
21 medical leave balance and sick leave balance restored if any, provided any sick leave balance

1 has not been credited to the employee's length of service in determining pension benefits paid
2 to the retiree. An employee who is reemployed from an authorized layoff and who has a
3 medical and/or sick leave balance and who completed twenty-six (26) weeks of continuous
4 employment prior to the layoff may take approved medical and/or sick leave upon
5 reemployment.

6 **(g)** Each appointing authority shall institute procedures, in accordance with regulations
7 established by the Director of Personnel that will discourage the improper use of medical
8 leave with pay. When an employee is removed from the payroll for absence not approved by
9 the appointing authority, the employee shall be notified promptly in writing.

10 **(h)** Employees shall not receive payment for any medical leave balance, and it shall not be
11 used in the calculation of retirement benefits or payments under this ordinance or any other
12 ordinance.

13 **(i)** There shall be no advancement of medical leave.

14 **SECTION 20.**

15 **MILITARY LEAVE**

16 The City of St. Louis will follow all applicable state and federal laws on the granting
17 of military leave and reemployment rights.

18 Each employee is required to give advance notice (at least 30 days prior to departure
19 when feasible), preferably in writing, of service obligation or intention to perform services in
20 the uniformed services, unless such notice is prevented by military necessity, as determined
21 by a designated authority, or impossible or unreasonable under all of the circumstances.

Upon the expiration of military leave of absence, the employee shall be reinstated to the class of position he/she occupied at the time the leave was granted without breaking continuity of service. Failure of an employee to report for duty within the time pursuant to state or federal law shall be just cause for dismissal. The employee's accumulated leave balance(s) shall be restored to the employee upon his/her return.

Full-time, permanent employees paid a bi-weekly rate of pay who are called to active duty as a member of the National Guard or any reserve component of the Armed Forces of the United States and who are placed on a military leave of absence will be granted compensation in the amount to offset the difference between the employee's gross bi-weekly pay with the City and his/her total military pay plus allowances if such military pay and allowances is less than the employee's regular gross bi-weekly rate of pay and subject to submission of documentation as required by the Director of Personnel.

SECTION 21.

LEAVES OF ABSENCE AND FAMILY/MEDICAL LEAVE

An employee may request a leave of absence, or an appointing authority may request a leave of absence for an employee, for any reason under the City's general leave policy, or a "Family/Medical Leave of Absence" for certain qualifying reasons under provisions of "The Family and Medical Leave Act of 1993" as provided in this ordinance and under additional provisions and regulations as determined by the Director of Personnel.

1 **(a)** An appointing authority, with the approval of the Director of Personnel, may grant an
2 employee in a competitive position a general leave of absence without pay for a period of one
3 (1) year, which may be extended, with the prior approval of the Director of Personnel.

4 Upon the expiration of such leave of absence, the employee shall be reinstated to the
5 competitive position he/she occupied at the time the leave was granted provided the position
6 is still in existence and he/she are able to perform the duties of the position. The employee
7 shall be reinstated to the competitive position at the same relative rate in the salary range the
8 employee occupied at the time the leave was initiated. Failure of an employee to report for
9 duty promptly at the expiration of the leave shall be just cause for dismissal. If necessary to
10 the efficient conduct of the business of the City, an employee on leave other than military
11 leave or qualifying family/medical leave may be notified by the appointing authority, with the
12 approval of the Director of Personnel, to return prior to the expiration of such leave. Failure
13 of the employee to return within ten (10) calendar days after receipt of such notice shall
14 terminate his/her leave of absence and be just cause for dismissal, subject to any applicable
15 federal, state or local regulations.

16 **(b)** The City of St. Louis will follow all applicable state and federal laws on the granting
17 of family/medical leave. The City of St. Louis will provide up to six (6) weeks of paid
18 family/medical leave, in accordance with the City's "Family/Medical Leave Policy."

19 The Director of Personnel shall establish additional rules, guidelines and procedures
20 for the effective administration of the City's "Family/Medical Leave Policy." The policy shall

1 comply with all provisions of the "Family/Medical Leave Act of 1993" and any amendments
2 thereafter.

3 Employees must take all of their accrued time (sick leave, medical leave, vacation
4 leave) prior to being placed on leave without pay status for approved Family and Medical
5 Leave, except employees can keep one (1) week of vacation hours (if they have accrued one
6 (1) week of vacation and are eligible to take them). Employees will be allowed to use all their
7 compensatory time, if requested by employee.

8 **(c)** Any employee in a competitive position who is appointed to an excepted position in
9 the Classified Service shall be granted an in-service leave without pay from the competitive
10 position during the term to which he/she is appointed to the excepted position. Such leave
11 shall be for the term of the appointment to the excepted position and until his/her successor
12 qualifies. Upon the expiration of the appointment to the excepted position, the employee shall
13 be reinstated to the competitive position he/she occupied immediately prior to the in-service
14 leave. The employee shall be reinstated to the competitive position as under a temporary
15 promotion pursuant to Section 6(a)(2) of this ordinance. Employees who are returned to a
16 competitive position shall retain any vacation, compensatory time, sick leave, or medical
17 leave balance in effect at the time of granting of the leave of absence for appointment to the
18 excepted position. Employees shall be given credit for time spent in an excepted appointment
19 in computing eligibility for additional vacation leave accrual.

20 **(d)** In the event that emergency conditions occur which require the closing of City-
21 operated facilities, or the temporary cessation of functions carried out by classified

1 employees, the Mayor of the City of St. Louis may declare an emergency and require an
2 employee or group of employees to take leaves of absence with or without pay while such
3 emergency conditions exist. In the event that the Mayor requires that the leave of absence be
4 without pay, an employee with vacation or accrued compensatory time may elect to take the
5 accrued time off with pay in lieu of all or a part of such non-paid leave of absence. Such non-
6 paid leave of absence shall not interrupt continuity of service for vacation accrual. An
7 emergency leave of absence declared by the Mayor shall not exceed ninety (90) days.

8 **(e)** Employees who are granted general leaves of absence and other non-paid leaves of
9 absence, except military leave, must take all accrued vacation at the start of the leave of
10 absence except as otherwise provided in this ordinance. Employees who are granted or placed
11 on a non-paid leave of absence will not accrue vacation, sick leave, and medical leave during
12 the period of non-paid leave. Upon the expiration of such leaves of absence, the employee
13 shall follow the procedures as established in this Section 21 and any other applicable
14 regulations and procedures as established by the Director of Personnel.

15 **(f)** An appointing authority, with the prior approval of the Director of Personnel, may put
16 an employee on a forced leave of absence with or without pay pending the outcome of an
17 investigation or of a pending disciplinary action against the employee. Employees being
18 placed on forced leave may elect to be placed on either vacation leave or compensatory time.

19 **(g)** In the event that a fiscal crisis occurs in the City of St. Louis, employees may request
20 voluntary furloughs. The Director of Personnel may issue regulations to govern the furlough
21 program.

SECTION 22.

INSURANCE BENEFITS

The City of St. Louis is hereby authorized to devise and establish by contract or otherwise plans for life, health, medical, disability, and other insurance coverage deemed necessary for employees in the Classified Service and other employees for the City and their dependents. The Director of Personnel shall develop and administer programs to provide for such coverage. The Director of Personnel shall confer with the Board of Estimate and Apportionment by February 1st of each year regarding coverage plans and the appropriate funding level. The Director shall then be charged with the responsibility of establishing the applicable funding level and remittance rates for the aforementioned plans and certify same to the Comptroller and Budget Director by March 1st of each year. The Director of Personnel may amend said rates as needed.

SECTION 23.

In the event any employee of the City whose pay is established by this ordinance dies as a result of injuries arising out of and in the course of his/her employment by the City, the City shall pay compensation in accordance with the Missouri Workers' Compensation Law. The Director of Personnel and the City Counselor shall establish procedures for making the payments required by the Missouri Workers' Compensation Law. The Comptroller shall designate the fund or appropriation out of which such payment shall be made. Such compensation shall be in addition to any life insurance benefits paid for by the City or by the

2 provided by the Employees Retirement System of the City of St. Louis, the Firemen's
3 Retirement System of the City of St. Louis, or the Firefighters Retirement Plan.

4 **SECTION 24.**

5 **WORKERS' COMPENSATION AND DISABILITY LEAVE**

6 **(a)** Any employee in the Classified Service whose class title and grade are established in
7 Section 1(a) and denoted by the suffix "G," "M," "T" or "E" of this ordinance, including
8 employees who are compensated on a per performance or unit of work basis, who shall suffer
9 personal injury by accident or occupational disease arising out of and in the regular course of
10 employment while engaged in or about the premises where an employee's duties are being
11 performed or where an employee's presence is required as part of his/her employment, shall
12 promptly report such injury by accident or occupational disease to his/her immediate
13 supervisor. The supervisor shall in turn report, through the appointing authority, all facts
14 concerning the incident to the City Counselor and the Director of Personnel. The appointing
15 authority shall promptly provide such written information and recommendations as may be
16 requested by the City Counselor to aid in making the determination of the period of disability.

17 The employee who suffers a personal injury as described in part (a) of this section, and
18 which results in temporary disability, may elect to use sick or medical leave for the first three
19 (3) days of temporary disability. Thereafter, the employee will be compensated at the rate
20 mandated by the Missouri Workers' Compensation Law. If the period of disability extends
21 fourteen (14) calendar days or more, the three (3) days of sick or medical leave used during

1 the first three (3) days of disability will be restored to the employee's sick or medical leave
2 balance. The City Counselor shall determine the actual amount of compensation and length
3 of time during which payments are made for such temporary disability in accordance with the
4 Missouri Workers' Compensation Law.

5 **(b)** (1) Any employee in the competitive service whose class title and grade are
6 established in Section 1(a) of this ordinance and denoted by the suffix "F" who shall suffer

11 promptly reported through appropriate management personnel to the Director of Personnel
12 and the City Counselor. During the period of temporary disability which has been determined
13 by the City Counselor to be a result of an injury by accident or occupational disease as
14 defined above, the employee may be continued on the payroll at the regular bi-weekly rate
15 less any amount the employee would otherwise pay in taxes on that portion of the benefit
16 found to be exempt from taxation under the Missouri Workers' Compensation Law, or the
17 federal tax code. Disability leave may also be granted when an employee suffers injury as a
18 result of participation in Training Simulation of an exceptional and highly dangerous nature
19 wherein the appointing authority or the Director of the Department of Public Safety has
20 gained the approval of the Director of Personnel prior to such Training Simulation.

1 (2) Any employee in the competitive service whose class title and grade are

12 and in the regular course of employment shall receive compensation in accordance with
13 Police Division policies. Employees in the competitive service whose pay is established in
14 Section 2(a) or 2(b) of this ordinance and who were employed by the Board of Police
15 Commissioners and who remain employed by the Police Division who suffer personal injury
16 by accident or occupational disease arising out of and in the regular course of employment
17 shall receive compensation in accordance with Police Division policies.

18 (c) The City Counselor, the Director of Personnel, or the appointing authority may require
19 an employee to undergo a physical examination and medical or surgical treatment at the
20 expense of the City to diagnose and treat injuries or illnesses arising out of employment.

1 (d) The City Counselor and the Comptroller shall establish procedures for paying
2 compensation to employees or former employees who are permanently disabled and due
3 compensation under the Missouri Workers' Compensation Law. The Comptroller shall
4 designate the fund or appropriation out of which such payment shall be made.

5 (e) The City Counselor and the Director of Personnel shall be responsible for the
6 administration of the provisions of this Section and shall establish and publish procedural
7 regulations for the administration of the program. Each appointing authority shall establish
8 procedures to comply with the provisions of this section and established regulations.

9 SECTION 25.

10 JURY AND WITNESS LEAVE

11 (a) Jury leave with pay shall be granted to bi-weekly rate employees working fifty percent
12 (50%) time or more for such time when such employees are serving as jurors pursuant to
13 order of the St. Louis Circuit Court or United States District Court in St. Louis. Any bi-
14 weekly rate employee, when so summoned for jury service, shall report such fact within
15 seventy-two (72) hours to his/her appointing authority and display to the appointing authority
16 the summons which the employee has received and shall give the appointing authority in
17 writing the date and the time of such jury service. No bi-weekly rate employee shall receive
18 any compensation from the Jury Commissioner or the United States District Court system for
19 jury service for days the employee receives compensation from the City. A bi-weekly rate
20 employee may keep the jury stipend for days when the employee receives no compensation
21 from the City (off days, docks, leaves, etc.). Upon being discharged from serving as a juror

1 by the Court or Jury Commissioner, the employee shall forthwith report to his/her appointing
2 authority if discharged during their normally scheduled work hours and shall submit to his/her
3 appointing authority a written statement from the Jury Commissioner certifying that the
4 employee has served as a juror and the time and date so served. The appointing authority
5 shall, upon receipt of the statement of jury service, credit the employee with paid jury leave
6 for such service.

7 **(b)** Leave with pay shall be granted to bi-weekly rate employees for such time when the
8 employee's presence is required by the prosecutor in a criminal proceeding or grand jury
9 procedure, a trial in prosecuting accused criminals (or for jury service in Federal Court). Any
10 bi-weekly rate employee, when so subpoenaed as a prosecution witness or whose presence is
11 required as a part of a grand jury inquiry, shall report such fact within seventy-two (72) hours
12 to his/her appointing authority and shall give the appointing authority in writing the date and
13 time his/her presence is required for such criminal prosecution. Each appointing authority
14 shall establish controls to ensure that any paid leave is actually required by the prosecuting
15 authority. An appointing authority may require an employee to furnish satisfactory evidence
16 of being required to be off the job and that all time off was in connection with the prosecution
17 of the case. This procedure shall apply for employee participation in criminal prosecution in
18 State or Federal Courts.

19 **SECTION 26.**

20 **DEFERRED COMPENSATION**

1 **(a)** Authority is hereby granted for the establishment of a deferred compensation plan for
2 the City of St. Louis.

3 **(b)** In accordance with the regulations applicable to the plan, as set out herein, the
4 Comptroller is authorized to enter into an agreement with eligible participants, whereby said
5 participants may designate a portion of their future earnings to be deducted by the City and
6 placed in a fund to be designated "City of St. Louis Deferred Compensation Plan Fund" for
7 the purpose of providing tax deferred benefits to the participants upon retirement.

8 **(c)** The Board of Estimate and Apportionment is hereby authorized to establish or select a
9 specific plan or plans in accordance with the requirements set out in this ordinance. In
10 establishing the plan, the Board of Estimate and Apportionment may elect to retain outside
11 parties to provide administrative and/or investment services after following competitive
12 bidding procedures. The Board of Estimate and Apportionment is authorized, after analyzing
13 the various competitive bids submitted in accordance with the requirements of this ordinance,
14 to select the plan or plans it determines to meet the requirements established as a part of the
15 competitive bidding procedures and to be in the best interest of the participants. No
16 investment plan shall be considered unless offered by a duly licensed resident agent
17 representing a company duly licensed and authorized by the State of Missouri and other
18 applicable federal regulatory agencies to offer such insurance or investment programs.

19 In the event Federal or State legislation is changed in a manner affecting and/or
20 relating to any of the aforementioned Deferred Compensation provisions contained in this
21 Section, the Board of Estimate and Apportionment of the City of St. Louis may amend the

1 deferred compensation plan accordingly and may execute any and all documents necessary to
2 achieve and effectuate the recommended changes.

3 **SECTION 27.**

4 **RETIREMENT**

5 The following provisions shall apply to the Employees Retirement System:

6 **(a)** "Final Average Compensation" is equal to one-half of the sum of (1) and (2) below:

7 (1) The annual compensation received by a member for the two (2) consecutive
8 years of creditable service in which the highest compensation was received preceding the
9 termination of his/her employment, and

10 (2) The balance of a member's sick leave on the date of retirement *less* sick leave
11 hours paid to the member upon termination of his/her employment and *less* sick leave hours
12 considered as creditable service for the purpose of determining eligibility for and/or
13 calculation of retirement benefits, except that said balance cannot exceed twenty-five percent
14 (25%) of a member's total sick leave on the date of retirement.

15 **(b)** If a member has less than two (2) consecutive years of creditable service his/her final
16 average compensation shall be equal to the sum of (1) and (2) below, divided by (3) below

19 consecutive month of creditable service immediately preceding the termination of his/her
20 employment;

1 (2) The balance of a member's sick leave pay on the date of retirement *less* sick
2 leave hours paid to the member upon termination of his/her employment and *less* sick leave
3 hours considered as creditable service for the purpose of determining eligibility for retirement
4 benefits, except that said balance cannot exceed twenty-five percent (25%) of a member's
5 total sick leave on the date of retirement.

6 (3) The number of consecutive months of creditable service immediately
7 preceding the termination of his/her employment, and

8 (4) Twelve (12).

9 The years of creditable service of a member shall be the number of years and
10 completed full calendar months of service during which he/she receives compensation from
11 the first day of the calendar month following the date of the beginning of each employment
12 with an employer until his/her employment is terminated, subject to the provisions of this
13 section. The years of creditable service of an employee (as that term is defined in Subsection
14 11 of Section Four of Ordinance 66511) hired after the operative date (as that term is defined
15 in Subsection 18 of Section Four of Ordinance 66511) who had attained the age of sixty (60)
16 years at initial employment shall be the number of years and completed months of service
17 during which he/she receives compensation from October 1, 1988, and hereafter, from the
18 first day on or after October 1, 1988, of the beginning of each employment with an employer
19 until his/her employment is terminated. No creditable service shall be granted for any period
20 of employment before October 1, 1988, after the calendar month in which the member attains
21 age seventy (70). No creditable service for prior employment shall be granted to an employee

1 who becomes a member after April 1, 1960, unless he/she was employed by an employer on
2 April 1, 1960.

3 A member's accrued sick leave balance less the sum of (a), (b) and (c) below shall be

7 determining eligibility for retirement benefits, and

12 **SEVERABILITY**

13 The sections of this ordinance shall be severable. In the event that any section of this
14 ordinance is found by a court of competent jurisdiction to be invalid, the remaining sections
15 of this ordinance are valid, unless the court finds the valid sections of the ordinance are so
16 essential and inseparably connected with and dependent upon the void section that it cannot
17 be presumed that the Board of Aldermen would have enacted the valid sections without the
18 void ones, or unless the court finds that the valid sections standing alone are incomplete and
19 are incapable of being executed in accordance with the legislative intent.

2E	\$4315
3E	\$5070

(2) The following bi-weekly pay schedule for each Executive pay grade, denoted by the suffix "E," shall become effective beginning with any term of office starting after the effective date of this ordinance:

GRADE	BI-WEEKLY RATE
1E	\$3704
2E	\$4577
3E	\$5379

1 **(f) SHIFT DIFFERENTIAL:** Shift differential shall be paid for certain work assignments.
2 The Director of Personnel shall determine the work assignments for which shift differential will
3 be paid. The assignment or removal of an employee from a work assignment having a shift
4 differential shall be determined by the appointing authority and will not constitute a promotion,
5 demotion, advancement or reduction in pay. The shift differential shall be added to the
6 employee's regular bi-weekly rate.

7 (1) In order for an employee in Section 2(a) or 2(b) to be eligible for shift differential
8 compensation, the employee must work a shift that requires the completion of four (4) hours of
9 work between the hours of 4:00 p.m. and 8:00 a.m. the following morning. Employees whose
10 pay grade is denoted with the suffix "M" are only eligible to receive shift differential if they are
11 regularly scheduled to work at least four (4) hours between 4:00 p.m. and 8:00 a.m. the following
12 morning. Employees shall be entitled to receive shift differential compensation for no more than
13 one shift worked between the hours of 4:00 p.m. and 8:00 a.m. Employees who are assigned to
14 work schedules that require them to rotate among three shifts (day, evening, night) on a bi-
15 monthly or more frequent basis shall be eligible for shift differential compensation for all three
16 shifts worked.

17 For employees whose pay range is established in Section 2(a) or 2(b) the shift differential
18 premium shall be one percent (1%) of the employee's base bi-weekly rate for each eligible shift
19 worked in a bi-weekly pay period.

20 An employee whose pay range is established in Section 2(a) or 2(b) shall receive shift
21 differential for working a portion of an eligible shift, provided the portion of the shift not worked

1 is charged to paid leave. Shift differential shall only be paid for whole hours worked; a fraction
2 of an hour shall not be counted toward the payment of the differential.

3 (2) For those employees whose pay range is established in Section 2(c), the shift
4 differential premium shall be \$2.00 per hour for each hour worked between 11:00 p.m. and 7:00
5 a.m. during an eligible shift. Employees must work at least 12 hours of a regularly assigned 24-
6 hour shift to be eligible for any shift differential for the shift. Such employees shall not receive
7 shift differential for overtime worked, which is not part of their regular schedule. This provision
8 will not go into effect until shift differential is agreed upon by the Director of Personnel and the
9 Union (Local 73) in writing.

10 Except shift differential premium shall be \$2.00 per hour for each hour worked between
11 11:00 p.m. and 7:00 a.m. during an eligible shift to be paid to Overtime Code 3 Fire Equipment
12 Dispatcher classifications whose pay range is established in Section 2(c).

13 (3) For Police Officer Trainees and employees whose pay grade is denoted with the
14 suffix D, the night shift differential shall be ten percent (10%) of the hourly rate for all full hours
15 worked between the hours of 11 p.m. and 7 a.m. and all eight (8) hour shifts beginning between
16 10:30 p.m. and 11:30 p.m.

17 (4) Except as otherwise provided in this ordinance, shift differential shall not be paid
18 to employees compensated on an hourly or per performance basis, or bi-weekly paid employees
19 who work part-time. Neither shall shift differential be paid to full-time regular employees
20 docked for any portion of an eligible shift.

1 **(g) WEEKEND DIFFERENTIAL:** When employees whose pay range is established in
2 Section 2(a) or 2(b) work on a Saturday and/or a Sunday they shall be eligible for weekend
3 differential. Employees whose pay grade is denoted with the suffix "M" are only eligible to
4 receive weekend differential when it is part of their regularly scheduled work hours. This
5 differential shall be one percent (1%) of an employee's base bi-weekly rate. An employee shall
6 receive weekend differential for working any portion of an eligible day. This differential shall
7 only be paid for full hours worked. Weekend differential shall not be paid to employees
8 compensated on an hourly or per performance basis or bi-weekly paid employees who work part-
9 time. Neither will the weekend differential be paid to full-time regular employees docked for
10 any portion of a day on which the differential would otherwise be paid.

11 **(h) COMMUTING ALLOWANCE:** Employees residing within the corporate limits of the
12 City of St. Louis who are regularly assigned to a position located in a City institution, agency, or
13 facility located outside the corporate limits of the City of St. Louis, and who are regularly
14 assigned to a five-day, forty-hour weekly work schedule, shall be entitled to a commuting
15 allowance in the amount of one hundred eighty dollars (\$180.00) bi-weekly on the effective date
16 of this ordinance. Eligible full-time employees who are assigned to an alternate form of work
17 schedule which reduces the frequency of commuting to work shall be entitled to a commuting
18 allowance which is reduced in proportion to the reduced frequency of commuting. City
19 employees who are temporarily assigned duty to a facility located outside the corporate limits of
20 the City of St. Louis shall be entitled to a per diem rate for the duration of the assignment. No

employee living outside of the corporate limits of the City of St. Louis shall receive a commuting allowance.

A period of absence of ten (10) working days or more shall result in suspension of eligibility for the commuting allowance. Suspension of the commuting allowance shall begin during the pay period in which the tenth (10th) day of absence occurs and shall continue for any subsequent full or partial pay periods during the period of absence. Upon return to duty from such absence, an employee shall immediately be eligible to resume receiving commuting allowance, reduced in proportion to the time the employee did not work due to absence.

Employees for whom any form of free transportation (car, truck, bus, etc.) is provided by the City from a place within the corporate limits of the City of St. Louis to the work site and back shall not be entitled to the commuting allowance.

15	A person occupying a position as a member of a Board, Commission or Committee shall		
16	be paid at the per day, per meeting or per month rate established above.		
17	(j) The Director of Personnel may establish per performance rates of pay, hourly rates of		
18	pay, or rates of pay for units of work and the conditions for making of any such payments. Such		
19	per performance, hourly, or unit-of-work rates may be computed from the bi-weekly scales		
20	established in this ordinance. Per performance, hourly, or unit-of-work rates shall be established		
21	considering the nature of employment, community practices in compensating similar		

1 employment, and the purpose of the program for which the rate is established. Employees paid
2 per performance, hourly, or unit-of-work rates of pay shall not be entitled to vacation, medical
3 leave or holiday leave with pay or other benefits accorded employees paid a bi-weekly rate
4 except that an appointing authority, with the prior approval of the Director of Personnel, and
5 when sufficient funds have been appropriated for the fiscal year, may establish a modified level
6 or type of benefit program when the provision of such benefit is needed in order to attract and
7 retain sufficiently qualified employees to work in specific per performance, hourly, or unit-of-
8 work assignments.

9 Appointing authorities are not permitted to utilize per performance and hourly employees
10 as a method of replacing bi-weekly rate employees who would be entitled to employee benefits.

11 **(k)** The Director of Personnel may establish trainee rates of pay. Such trainee rates may be
12 established on an hourly, per performance or bi-weekly basis and shall be less than the rate paid
13 to a regular employee.

14 **(l)** The Director of Personnel, with the assistance of appointing authorities concerned, may
15 establish rates and conditions under which compensation may be granted for periods of time
16 during which an employee is away from the job site but restricted in his/her activities because of
17 an assignment by the appointing authority to be available for a call to return to the work site to
18 perform emergency duties. Pay rates and conditions established under the provisions of this
19 Section 2(l) may include reasonable minimum pay guarantees for employees required to return to
20 the work site to perform emergency duties. The provisions of this Section 2(l) shall not be

1 construed to restrict the right of an appointing authority to establish call back procedures for
2 employees as an established condition of employment.

3 **(m)** The Director of Personnel may authorize payment of special recruitment incentives,
4 travel, moving and related expenses to recruit employees for positions when funds for this
5 purpose are appropriated.

6 **(n)** The Director of Personnel may approve the payment of hiring incentives to current
7 employees to recruit qualified personnel for positions that are difficult to fill. Hiring incentives
8 shall be in any amount up to twenty-five percent (25%) of the annual salary of the position for
9 which the recruitment is made.

10 **(o)** (1) An appointing authority, with the prior approval of the Director of Personnel, may
11 establish cash awards or other incentives for an employee or group of employees to recognize
12 and reward increased productivity or effectiveness. The incentives offered may include cash,
13 paid time off and such other reasonable incentives as the Director of Personnel may determine.
14 Cash awards shall be made from the personal services appropriation of the unit, the account from
15 which the employee's salary is paid or from a general appropriation for this purpose.

16 (2) The Director of Personnel, upon the request of the appropriate appointing
17 authority, may establish a program of cash awards or other incentives, not to exceed ten percent
18 (10%) of annual salary, paid as an addition to pay, for the purpose of providing additional
19 compensation for employees who are fluent in a foreign language and who use this skill in the
20 necessary and regular recurring performance of the duties of their position. Cash awards shall be
21 made from the personal services appropriation of the unit, the account from which the

1 employee's salary is paid or from a general appropriation for this purpose. Cash awards and
2 incentives under this program shall be made in accordance with guidelines established by the
3 Director of Personnel.

4 (3) Notwithstanding any other provision in this ordinance, the Director of Personnel
5 is authorized to extend the maximum of the pay ranges by up to forty percent (40%) for the
6 purpose of compensating positions which are extremely hard to fill.

7 (4) The Director of Personnel may provide an Employee Suggestion Program which
8 grants cash and other awards to recognize employee suggestions which improve City services,
9 operations or facilities. Cash awards to employees for suggestions resulting in tangible savings
10 to the City shall not exceed ten percent (10%) of the annual tangible net savings. Cash awards
11 and payments for other awards shall be made from an appropriation for a suggestion program or
12 other appropriate account. Additionally, cash awards for suggestions shall be granted as an
13 addition to pay, which does not change an employee's bi-weekly rate. The Employee Suggestion
14 Program shall be administered in accordance with regulations established by the Director of
15 Personnel. The Director of Personnel may establish an authority to evaluate suggestions and
16 determine awards; the decisions of this authority shall be final.

17 (p) An employee who is appointed to a position requiring advanced technical skills or
18 professional qualifications may be paid at a higher rate than prescribed for the class in Section 2
19 of this ordinance on recommendation of the appointing authority with the prior approval of the
20 Director of Personnel. Such advancement shall be made solely on the basis that the employee
21 possesses exceptional academic qualifications, registrations or certifications related to the duties

1 of the position and when such academic qualifications, registrations, or certifications are not
2 deemed necessary qualifications for the class of position.

3 The Director of Personnel may also establish other incentive or reimbursement programs
4 to encourage current employees to attain registration, licensure, certification, or proof of
5 professional mastery when it is deemed to be in the best interest of the Classified Service, or
6 when such credentials are clearly recognized as adding to the capability of individuals in that
7 area. Incentives or reimbursements awarded under such programs do not result in an employee
8 being ruled ineligible for incentives or salary increases permitted under other sections of this pay
9 ordinance.

10 **(q)** In Skilled Trades classes, defined as those that have bona fide apprenticeship programs
11 registered with the Department of Labor or documented attainment of equivalent apprenticeship
12 programs, employees who have completed such apprenticeship programs and attained
13 journeyman status shall be granted the special skills recruitment rate for the class if a special
14 skills recruitment rate exists for the class. Employees in classes in the Trades Pay Schedule who
15 have completed alternative training programs established and approved by the Director of
16 Personnel, and attained journeyman status shall also be eligible for a salary at the special skills
17 recruitment rate if such a rate exists for the class.

18 **(r)** An appointing authority may, with the prior approval of the Director of Personnel,
19 establish a program to reimburse, in whole or in part, expenses incurred by employees for the
20 purchase of uniform apparel required in the performance of the duties of their positions, when
21 funds have been budgeted therefore.

1 An appointing authority may exercise the option to furnish such uniform as may be
2 required in the employee's performance of his/her duties.

3 The Director of Personnel may establish regulations relating to employees' eligibility for
4 reimbursement for uniforms.

5 Further, when funds have been budgeted therefore, an appointing authority may authorize
6 reimbursement to uniformed security or correctional employees of up to fifty dollars (\$50) per
7 incident for damage to personal property sustained while the employee was directly engaged in
8 quelling a disturbance while performing assigned and/or authorized duties during a shift.
9 Employees whose pay is established under Section 2(d) of the ordinance may be reimbursed for
10 damages to personal property sustained while in the course and scope of employment in
11 accordance with Police Division policies.

12 **(s)** An appointing authority that requires employees to provide and maintain their own tools
13 shall provide a tool replacement program and/or annual maintenance allowance, with the prior
14 approval of the Director of Personnel.

15 **(t)** (1) Contingency assignment differential may be paid for certain assignments when
16 immediate position coverage is needed for any unexpected reason (*e.g.* death, forced leave,
17 emergency illness, etc.) in a higher pay grade, and shall be granted at the onset of the
18 assignment, not to extend more than one pay period. The Director of Personnel will determine
19 the assignments for which Contingency Assignment Differential will be paid. The assignment of
20 an employee to said assignment having a contingency assignment differential will be determined
21 by the appointing authority from an existing eligible list and will not constitute a promotion or

1 advancement in pay. In addition, the removal of an employee from said assignment shall not
2 constitute a demotion or reduction in pay. If an eligible list is not available, an appointing
3 authority may submit to the Director of Personnel the name of the employee being considered for
4 the assignment to determine if they meet the necessary minimum qualifications for the position
5 being considered.

6 For an employee whose pay range is established in Section 2(a), 2(b), 2(c) or 2(d), with
7 the prior approval of the Director of Personnel, the contingency assignment differential will be
8 ten percent (10%) of the employee's regular base bi-weekly rate added as an addition to pay for
9 each bi-weekly period worked or one percent (1%) of the employee's regular base bi-weekly rate
10 for each shift assignment covered, not to exceed one (1) pay period.

11 (2) Temporary assignment differential will be paid for certain assignments when a
12 vacancy exists for any reason (*e.g.* separations, terminal vacation, leave of absence, military
13 leave, etc.) in a position with a higher pay grade, and shall be granted for at least one (1) pay
14 period but not more than thirteen (13) pay periods, and offset by any days that the employee by
15 reason of absence is not fulfilling the assignment. The Director of Personnel will determine the
16 assignments for which the temporary assignment differential will be paid. The assignment or
17 removal of an employee from said assignment having a temporary assignment differential will be
18 determined by the appointing authority and will not constitute a promotion, demotion,
19 advancement, or reduction in pay. The intended employee must meet the minimum
20 qualifications for the position to be assigned. The temporary assignment differential shall be
21 computed as an addition to pay and not affect the employee's regular bi-weekly rate.

1 For an employee whose pay range is established in Section 2(a), 2(b), 2(c) or 2(d), with
2 the prior approval of the Director of Personnel, the temporary assignment differential will be ten
3 percent (10%) of the employee's regular base bi-weekly rate added as an addition to pay for each
4 bi-weekly period worked, not to exceed thirteen (13) pay periods. The Director of Personnel
5 may require the establishment of a department policy on temporary assignment differential pay
6 and must sign off on the policy prior to authorizing temporary assignment differential.

7 **(u)** City employees who are required by their appointing authority to routinely use their
8 personal vehicle in the performance of their duties shall be compensated by receiving a vehicle
9 maintenance and use allowance of two hundred ninety-seven dollars (\$297.00) per month.
10 Eligible employees who use their personal vehicle with reduced frequency shall be entitled to a
11 vehicle maintenance and use allowance which is reduced in proportion to the reduced frequency
12 of use, subject to the approval of the Director of Personnel.

13 **(v)** An appointing authority may, with the prior approval of the Director of Personnel,
14 establish a program to reimburse, in whole or in part, parking expenses incurred by employees,
15 when funds have been budgeted therefore.

16 **SECTION 3.**

17 **EDUCATION REIMBURSEMENT**

18 An appointing authority may, with the prior approval of the Director of Personnel,
19 authorize salary payments, payments of tuition expenses, fees, books and related material in
20 whole or in part to employees to permit them to attend school, visit other governmental agencies

1 or in any approved manner to devote themselves to improvement of knowledge or skills required
2 in the performance of the duties of their position.

3 The Department of Personnel may reimburse, in whole or in part, expenses incurred by
4 employees in the pursuit of improvement of the knowledge and skills required in the
5 performance of their positions or in higher positions, when funds have been allocated in the
6 Department's budget.

7 An appointing authority, with the approval of the Director of Personnel, may establish a
8 program to reimburse, in whole or in part, expenses incurred by employees in the pursuit of
9 improvement of the knowledge and skills required in the performance of the duties of their
10 positions or to improve their professional, technical or managerial knowledge or skill.

11 **SECTION 4.**

12 **SALARY RANGE LIMITATIONS**

13 No employee in the Classified Service shall be paid at a rate lower than the minimum or
14 higher than the maximum of the salary range established for the class to which his/her position
15 has been allocated, except as otherwise provided in this ordinance.

16 **SECTION 5.**

17 **STARTING SALARY**

18 **(a)** The rate of pay for an excepted position to be paid upon original appointment to the class
19 shall be determined by the appointing authority for the excepted position.

20 **(b)** Except as otherwise provided in this ordinance, the minimum rate of pay for a position
21 shall be paid upon original appointment to the class unless the Director of Personnel finds that it

1 is difficult to secure the services of persons with minimum qualifications or experienced
2 qualified persons at the minimum rate.

3 The Director may establish a recruitment rate for a single position or all positions in a
4 class and authorize employment at an amount above the minimum but within the regular range of
5 salary established for the class. When a recruitment rate is established for an entire class,
6 employees already in such class may have their salaries adjusted to appropriate rates in the new
7 range resulting from the establishment of the recruitment rate.

8 (c) Employees with permanent status who are eligible for reemployment as determined by
9 the rules of the Department of Personnel shall be reemployed at an appropriate rate within the
10 salary range which takes into consideration the employee's prior service in the position, as
11 determined by the Director of Personnel.

12 SECTION 6.

13 PROMOTION, DEMOTION, REALLOCATION,

14 TRANSFER AND TEMPORARY PROMOTION

15 An employee who is transferred, promoted, demoted, or whose position is reallocated
16 after the effective date of this ordinance, shall have his/her rate of pay for the new position
17 determined as follows:

18 (a) Promotion: This shall be defined as a change of an employee in the Classified Service
19 from a position of one class to a position of another class with a higher pay grade or a higher
20 starting minimum salary.

1 (1) When an employee is promoted to a position in the General, Management or
2 Trades Pay Schedule, the employee's current bi-weekly rate of pay shall be set at a rate which is
3 five percent (5%) higher than the rate received immediately prior to the promotion or adjusted to
4 the nearest step in the new pay matrix which is not less than but is closest to a rate which is five
5 percent (5%) higher than the rate received immediately prior to promotion. An appointing
6 authority, with the prior approval of the Director of Personnel, may increase the pay of an
7 employee up to twenty percent (20%), adjusted to the nearest step, when such action is needed to
8 attract experienced, qualified candidates for a position. Such salary determinations shall take
9 into consideration the nature and magnitude of the accretion of duties and responsibilities
10 resulting from the promotion. However, no employee shall be paid less than the minimum rate
11 nor more than the maximum rate for the new class of position, except as otherwise provided in
12 this ordinance.

13 (2) Temporary Promotion: When an employee, whose salary range is established in
14 Section 2(a) or 2(b), is certified and temporarily promoted to a vacant position, for a limited
15 duration, the employee's current salary shall be adjusted as provided in Paragraph (a)(1) of this
16 Section. Upon expiration of the temporary promotion, the employee shall be returned to his/her
17 former rate of pay, adjusted by any increases the employee would have received in the absence
18 of the temporary promotion. In no case shall the employee's salary be above the maximum of
19 the salary range, unless otherwise provided for in this ordinance.

20 Employees whose salary ranges are established in Section 2(c) or 2(d) of this ordinance,
21 upon receipt of a temporary promotion, shall be granted the new rank with a salary adjustment

1 based on appropriate years of service in accordance with procedures established for a regular
2 promotion. At the end of the temporary promotion, the employee shall be returned to the rank
3 held immediately prior to the temporary promotion. The employee's rate of pay shall be based
4 on the appropriate years of service.

5 **(b)** Demotion: This shall be defined as a change of an employee in the Classified Service
6 from a position of one class to a position of another class which has a lower pay grade and a
7 lower starting minimum salary.

8 (1) If an employee is demoted for disciplinary reasons in accordance with the rules of
9 the Department of Personnel and Civil Service Commission and established disciplinary
10 procedures, his/her rate of pay shall be established at a rate within the range for the new position
11 which is at least five percent (5%) lower than the rate received immediately prior to the demotion
12 or reduced to the nearest step which is at least five percent (5%) lower than the rate received
13 immediately prior to the demotion, except no employee shall be reduced below the minimum of
14 the range unless otherwise provided for in this ordinance. The amount of the reduction shall be
15 determined by the appointing authority, with the approval of the Director of Personnel.

16 (2) If an employee accepts a voluntary demotion, his/her current rate of pay shall be
17 reduced within the range for the new position which is five percent (5%) lower, to the closest
18 downward step, than the rate received immediately prior to demotion, except that employees
19 who are in a working test period and demote to their previous class of position or pay grade, will
20 return to the rate or step received immediately prior to the promotion, plus any adjustments as
21 otherwise provided in this ordinance. No employee shall be paid less than the minimum nor

1 more than the maximum rate for the new class of position, except as otherwise provided in this
2 ordinance.

3 (3) When an employee is demoted for reasons in the best interest of the City Service
4 as determined by the Director of Personnel, his/her salary may be reduced by reason of the new
5 salary range and grade with the prior approval of the Director of Personnel. If the salary of such
6 employee is above the maximum for the new position, the employee's salary shall not be
7 increased so long as he/she remains in the position, except as otherwise provided by this
8 ordinance.

9 **(c) Reallocation:**

10 (1) If the employee's position is reallocated to a class in a lower pay grade, his/her
11 salary shall remain unchanged or adjusted to the closest step provided the employee's rate of pay
12 shall not be reduced.

13 (2) The salary of an employee whose position is allocated to a class in a higher pay
14 grade shall be determined in accordance with the provisions of this Section 6(a)(1) relating to
15 salary advancement on promotion.

16 **(d) Transfer:** The salary rate of an employee who transfers to a different position in the same
17 class, or from a position in one class to a position in another class in the same pay grade, shall
18 remain unchanged, provided that no employee shall be paid less than the minimum rate nor more
19 than the maximum rate for the new class of position, except as otherwise provided in this
20 ordinance.

1 **(e)** Over Maximum: The salary of an employee, which is in excess of the maximum of the
2 range prescribed by this ordinance for the class and grade to which his/her position has been
3 allocated or may be reallocated, shall not be reduced by reason of the new salary range and
4 grade. The salary of such employee shall not be increased so long as he/she remains in the class
5 of position, except as otherwise provided by this ordinance.

6 **SECTION 7.**

7 **SALARY ADJUSTMENT**

8 Salary adjustments for all employees in competitive positions shall be based on
9 considerations of merit, equity, or success in fulfilling predetermined goals and objectives as
10 herein provided.

11 **(a)** Competitive positions for which salary is established in Section 2(a) - General and
12 Management Schedule; or Section 2(b) - Trades Schedule:

13 (1) Any employee whose salary is established in Section 2(a) or 2(b) – General,
14 Management, and Trades Pay Schedules, shall receive a service rating in accordance with the
15 Service Rating Manual. The rating together with the standards of performance established in the
16 rating manual shall determine eligibility for a one step within-range (merit) increase at intervals
17 as outlined in the Service Rating Manual or other pay regulation(s) as determined by the Director
18 of Personnel. Notwithstanding any other section of the compensation ordinance, all employees
19 in the General, Management, and Trades pay schedules who would be eligible to receive an
20 annual step increase as a result of a "Successful" or "Highly Successful" Overall Rating on their

1 regular Service Rating date will receive a 1.5% increase regardless of their current rate or place
2 in the pay schedule.

3 (2) A non-exempt (Overtime Code 3 or 4) employee whose pay is established in
4 Section 2(a) or 2(b) of this ordinance who receives an Overall Rating of “Unsuccessful” as
5 defined by the Service Rating Manual, may have his/her salary reduced as determined by the
6 standards established in the Service Rating Manual, but not less than the minimum of the pay
7 grade range.

8 (b) As used in this ordinance, "anniversary date" means the date following fifty-two (52)
9 weeks of continuous service from the date of original appointment or from the date of the last
10 salary adjustment, if other than a temporary reduction in pay for disciplinary reasons, a demotion
11 (not for disciplinary reasons) or an across-the-board ordinance increase, an increase resulting
12 from an authorized incentive program, reallocation or an upgrade of the classification concurrent
13 with adoption of the ordinance. Absence from service as a result of any authorized paid leave,
14 suspensions, military leave, or family/medical leave will not interrupt continuous service.
15 Absence from service for any other cause shall result in breaking continuity of service and
16 establishment of a new anniversary date, except as otherwise provided in this ordinance. The
17 Director of Personnel may authorize different anniversary dates for an employee or groups of
18 employees.

19 (c) An appointing authority may evaluate the performance of an employee whose salary is
20 established in Section 2(a) or 2(b) of this ordinance for the purpose of a salary adjustment only at
21 intervals as described above except in the case of:

1 (1) Exceptional performance of duties:

2 With the prior approval of the Director of Personnel, the appointing authority in
3 accordance with the Service Rating Manual, may advance the salary of an employee who
4 demonstrates exceptional performance of duties after serving twenty-six (26) weeks of
5 employment at the same rate in the salary range by not more than ten percent (10%) or to the
6 closest step in the pay range which provides not more than a ten percent (10%) increase; this
7 may be in addition to any merit increase received.

8 (2) Substandard performance of duties:

9 An appointing authority may reduce the salary of an employee whose level of
10 performance is significantly diminished and no longer warrants payment at the current rate
11 within the range as provided in the Service Rating Manual; providing the employee's salary is
12 above the minimum of the range, established in Section 2(a) or 2(b) and allocated to Overtime
13 Code 3 or Overtime Code 4.

14 The granting of any such increase or decrease in salary shall be made at the beginning of
15 a payroll period, as determined by the Director of Personnel, following approval of such salary
16 action.

17 **(d)** Competitive positions for which salary is established in Section 2(c) - Fire Division
18 Schedule:

19 All employees in the Fire Division Pay Schedule shall have a service rating completed in
20 accordance with the Service Rating Manual.

1 Probationary Fire Privates shall be advanced to the rate for Fire Privates at the beginning
2 of the first bi-weekly pay period following one (1) year of service. Probationary Fire Equipment
3 Dispatchers shall follow the same schedule.

4 **(e)** Competitive positions for which salary is established in Section 2(d) – Police Division
5 Schedule:

6 All employees in the Police Division Pay Schedule shall have a service rating completed
7 in accordance with the Service Rating Manual.

8 Police Probationary Officers who successfully complete their working test period shall be
9 advanced to the rate for Police Officer at the beginning of the first bi-weekly pay period during
10 which such officer's one (1) year anniversary as a Police Probationary Officer occurs, excluding
11 his/her initial time in training at the Police Academy.

12 **(f)** Excepted Positions: The pay of an employee in an excepted position shall be adjusted to
13 any rate within the pay range at the discretion of the appointing authority for the excepted
14 position.

15 **(g)** The Director of Personnel may approve, at the request of an appointing authority,
16 adjustments to correct or mitigate serious and demonstrable internal pay inequities. Salary
17 adjustments under this provision shall preclude adjustments to compensate or reward employees
18 for long-term or meritorious service.

19 **(h)** The pay of any employee may be decreased as a disciplinary action by an appointing
20 authority to a lower rate. Any such decrease shall be made in accordance with the established
21 disciplinary procedures. The decrease shall not be greater than fifteen percent (15%) of the

1 current salary rate. The decrease may be below the minimum of the pay range for the class. The
2 appointing authority may determine the pay decrease shall be effective for a specific number of
3 bi-weekly pay periods provided, however, that such decrease shall not be effective for more than
4 thirteen (13) bi-weekly pay periods.

5 (i) An employee who is temporarily promoted shall be eligible for within range salary
6 adjustments under provisions of this Section 7.

7 (j) The Director of Personnel may approve a within range salary adjustment or other
8 incentives to retain employees in positions that are difficult to fill, or because of their unique
9 requirements. Said adjustment may only be granted once during a twenty-six (26) week period.

10 SECTION 8.

11 INCOME SOURCES

12 Any salary paid to an employee in the Classified Service shall represent the total
13 remuneration for the employee, excepting reimbursements for official travel and other payments
14 specifically authorized by ordinance or pay regulation promulgated by the Director of Personnel.
15 No employee shall receive remuneration from the City in addition to the salary authorized in this
16 ordinance for services rendered by the employee in the discharge of the employee's ordinary
17 duties, of additional duties which may be imposed upon the employee, or of duties which the
18 employee may undertake or volunteer to perform.

19 Whenever an employee not on an approved paid leave works for a period less than the
20 regularly established number of hours a day, days a week or days bi-weekly, the amount paid
21 shall be proportionate to the hours in the employee's normal work week and the bi-weekly rate

1 for the employee's position. The payment of a separate salary for actual hours worked from two
2 (2) or more departments, divisions or other units of the City for duties performed for each of
3 such agencies is permissible if the total salary received from these agencies is not in excess of
4 the maximum rate of pay for the class.

5 **SECTION 9.**

6 **CONVERSION**

7 **(a)** Pay schedules in Sections 2(a) or 2(b) in **Ordinance Number 71512** shall continue in
8 effect until the start of the bi-weekly pay period of the effective date of this ordinance, and the
9 rates to be paid to employees in positions of any classes for which a rate is established or
10 changed in Section 2(a) or 2(b) of this ordinance shall become effective and be adjusted (if
11 necessary) as follows:

12 The salary of each employee whose pay range is established in Section 2(a) or 2(b) of this
13 ordinance whose class has been allocated to a higher pay grade in the appropriate pay schedule
14 as determined by the Director of Personnel shall have their current salary increased to a rate,
15 rounded to the nearest whole dollar, which is not less than but is closest to a rate which is five
16 percent (5%) higher than the rate received immediately prior to promotion, but not less than the
17 minimum of the pay range, whichever is the greater. If an employee's salary is between steps,
18 the employee's salary shall be placed at the higher step.

19 **(b)** No employee shall be reduced in salary by reason of the adoption of the new pay
20 schedules in this ordinance.

1 (c) The salary of an employee serving in a trainee position, which remains above the new
2 trainee rate for his/her position, shall remain unchanged.

3 (d) The Director of Personnel may establish a special conversion procedure for a class or
4 position in the event that the Director determines that a serious inequity would be created by the
5 application of the conversion procedures established in this Section 9.

6 (e) All full-time employees whose salary is established in Section 2(a) or 2(b) – General and
7 Management or Trades Pay Schedules whose bi-weekly rate is above step 30 shall have their bi-
8 weekly rate increased by three percent (3%) effective beginning with the start of the bi-weekly
9 pay period which includes the effective date of this ordinance.

10 (f) The Director of Personnel shall establish such procedures as needed to place this
11 ordinance into effect and interpret its provisions.

12 SECTION 10.

13 PAYMENT OF SALARIES

14 All compensation for positions in the Classified Service shall be paid bi-weekly. The
15 Director of Personnel and Comptroller shall establish the procedure for listing employees on the
16 various payrolls. The payment due each employee for service, except as otherwise provided,
17 shall be made not later than sixteen (16) days after the end of the bi-weekly pay period. In the
18 event that an employee is dismissed or has been employed for occasional or emergency work, the
19 Comptroller may immediately pay the employee upon termination of service without waiting for
20 the regular bi-weekly pay date of the Department, Division, Section, Office, Agency, Board or
21 Commission where the employee worked.

SECTION 11.

CHANGES TO CLASSIFICATION PLAN

Whenever the Department of Personnel finds it necessary to add a new class to the classification plan, the Director of Personnel shall allocate the class to an appropriate grade and schedule in this ordinance, recommend such change to the Civil Service Commission, and notify the Board of Aldermen of this action.

Whenever the Department of Personnel finds it necessary to change the overtime code of an existing class within the classification plan, the Director of Personnel shall change the overtime code, recommend such change to the Civil Service Commission, and notify the Board of Aldermen of this action.

Whenever the Department of Personnel finds it necessary to change the pay schedule of an existing class within the classification plan, the Director of Personnel shall allocate the class to the appropriate schedule in this ordinance, recommend such change to the Civil Service Commission, and notify the Board of Aldermen of this action.

The pay grade allocated to a class of position within the classification plan shall remain unchanged for the duration of the existing compensation ordinance. Whenever the Department of Personnel considers it necessary to change the pay grade of an established class of position, such adjustment can only be made concurrent with the adoption of a new compensation ordinance. Recommendation for the allocation of a new pay grade shall be made by the Director of Personnel to the Civil Service Commission for final approval by the Board of Aldermen.

SECTION 12.

1 **PAYROLL FORMS**

2 The Director of Personnel shall prescribe forms on which appointing authorities shall
3 certify to the fact that a vacancy exists in a lawfully created position and to the lawful
4 appointment of a person to fill the position. The Director of Personnel shall indicate on these
5 forms the proper allocation of the position and the rate at which payment is to be made. When
6 approved by the Director of Personnel and submitted to the Comptroller, these forms shall
7 constitute authorization for the initial placing of a person's name on the payroll. The
8 Comptroller shall not authorize any change in the rate of pay of an individual on the payroll
9 unless approved by the Department of Personnel. The Comptroller shall provide the Department
10 of Personnel with a copy of each payroll audited and found correct within twenty-one (21) days
11 after audit and approval of the payroll by the Comptroller's Office.

12 **SECTION 13.**

13 **CERTIFICATION OF PAYROLL**

14 The appointing authority shall certify on each payroll or a subsidiary document that each
15 person whose name appears on the payroll has been lawfully appointed at a salary provided by
16 this ordinance and that the employee has actually worked the time for which he/she will be paid,
17 subject to the provisions of this ordinance governing hours of work and leaves of absence in the
18 Classified Service.

19 **SECTION 14.**

20 **MINIMUM WORK HOURS**

1 Each appointing authority shall establish procedures to assure that the employees under
2 his/her supervision are actively engaged in the performance of the duties of their positions in
3 accordance with the provisions of this section.

4 Each appointing authority shall submit to the Department of Personnel the work schedule
5 established for each position in the work unit. Work schedule reports shall be submitted upon
6 request of the Director of Personnel or whenever the appointing authority proposes to change the
7 permanent work schedule of a position. The work schedule submitted by the appointing
8 authority shall constitute the normal work schedule for the position when approved by the
9 Director of Personnel.

10 All employees in the Classified Service shall be in attendance at their work in accordance
11 with schedules established under the provisions of this Section 14, subject to other provisions of
12 this ordinance with respect to hours, holidays, vacation leave, medical leave, furloughs, sick
13 leave, military leave, and leaves of absence with or without pay.

14 **(a)** Employees whose salaries are established in Section 2(a) or 2(b): Forty (40) hours shall
15 constitute the average minimum required weekly hours of service in an employment cycle under
16 regular full-time employment for all City employees paid on a bi-weekly basis occupying
17 competitive positions in the Classified Service. The minimum daily and annual service required
18 of such employees shall be in proportion to the average minimum weekly hours established.

19 Appointing authorities shall so arrange the time for reporting for work, for luncheon
20 intermission, and for quitting work of the various employees under their jurisdiction so that the

employees will actually be engaged in active performance of their duties for not less than the average minimum number of hours required.

(b) Management Employees: Appointing authorities for employees occupying full-time positions whose salaries are established in Section 2(a) of this ordinance shall initiate procedures to see that such employees are engaged in the performance of their duties on a full-time basis. Full-time employment for any employee whose classification is denoted in the Management Schedule shall be defined as an average of forty (40) hours per week of time devoted to the duties of the position on an annual basis.

(c) Uniformed Fire Personnel: Fifty-two (52) hours shall constitute the average required weekly hours of service in an employment cycle under regular full-time employment for all employees in the Division of Fire and Fire Prevention, except that the appointing authority, with the approval of the Director of Personnel, may determine that the minimum work hours provision of Section 14(a) shall apply to employees in certain positions due to the nature of the assignment and/or scheduling requirements. The appointing authority shall so arrange the time for reporting for work and for quitting work of the various employees under the appointing authority's jurisdiction so that the employees will actually be engaged in the active performance of their duties for not less than the average number of hours required.

(d) The work period for employees whose pay is established in Section 2(d) of this ordinance is twenty-eight (28) days. The daily work period for an employee in the position of Police Probationary Officer and Police Officer is eight (8) hours which includes a thirty (30) minute meal period. The meal period is counted as working time; however, an officer unable to take a

meal break will not receive additional compensation. The daily work period for an employee in the position of Police Officer Trainee is eight (8) hours. Additionally, Police Officer Trainees shall receive a thirty (30) minute unpaid meal period that shall not be counted as part of their daily work period or work day.

SECTION 15.

OVERTIME

(a) The Department of Personnel shall determine those positions in the Classified Service of the City of St. Louis which are exempt from overtime compensation and those positions which are not exempt from overtime compensation. The overtime codes established for each class in Section 1(a) of this ordinance shall be interpreted as follows:

OVERTIME CODE (OVTM):

- 1 These classes are primarily managerial in nature, but may also include some professional or administrative classes that are ineligible for overtime pay under all but emergency conditions as described in Section 15(d) of this ordinance.
- 2 These are supervisory, professional, and administrative classes that are exempt from overtime compensation, but which the City compensates for overtime at the straight (1.0x) time rate.
- 3 These are non-exempt classes that receive overtime compensation at the one and one-half (1.5x) time rate.

1 4 These non-exempt classes work an average bi-weekly work schedule of 84
2 hours and, therefore, receive overtime compensation at the one and one-
3 half (1.5x) time rate.

4 Appointing authorities are prohibited from changing employee work schedules to avoid
5 the payment of overtime.

6 For purposes of determining overtime pay rates for non-exempt employees, the regular
7 hourly rate of pay shall be used.

8 Any employee in a class which has been allocated to Overtime Code 4 (non-exempt) in
9 Section 1(a) of this ordinance shall be compensated for overtime by granting the employee pay
10 or compensatory time off at the one and one half (1.5x) time rate. Each appointing authority
11 shall designate and submit to the Director of Personnel the official work week or work cycle for
12 all non-exempt (Code 4) positions in the work unit. Whenever a non-exempt (Code 4) employee
13 works in excess of forty (40) hours in a work week, the employee will be paid at the one and one
14 half time (1.5x) rate. The average number of scheduled hours in a bi-weekly pay period shall not
15 be less than eighty-four (84) for full-time employment. The regular hourly rate of pay for a non-
16 exempt (Code 4) bi-weekly paid employee shall be determined by dividing the employee's
17 regular bi-weekly rate of pay by the average number of regularly scheduled hours of work in a
18 bi-weekly pay period. In addition to the actual hours worked, only paid vacation, compensatory
19 time, jury leave, and holidays shall count as hours worked for the purpose of determining
20 eligibility for overtime compensation.

1 Any employee in a class which has been allocated to Overtime Code 3 (non-exempt) in
2 this ordinance shall be compensated for overtime work in accordance with the provisions of this
3 section. Each appointing authority shall designate and submit to the Director of Personnel the
4 official work week and schedule or work cycle for all non-exempt positions in the work unit.
5 The average number of scheduled hours in a bi-weekly pay period shall not be less than eighty
6 (80) for full-time employment.

7 Whenever an Overtime Code 3 employee whose pay matrix is in Section 2(a) or 2(b),
8 works hours in excess of the maximum established for an official work week or work cycle,
9 usually forty (40) hours in a work week such hours shall be paid at the one and-one-half time
10 (1.5x) rate. In addition to the actual hours worked, only paid vacation, compensatory time, jury
11 leave, and holidays shall count as hours worked for the purpose of determining eligibility for
12 overtime compensation.

13 Overtime Code 3 employees whose pay matrix is in Section 2(c) of this ordinance who
14 are working a nineteen (19) day work cycle are eligible to receive overtime after one hundred
15 forty-four (144) hours are worked in a work cycle, except that the Fire Division shall pay
16 overtime for emergency work at the end of a shift or emergency work required on a separate,
17 non-scheduled day, even if the total number of hours worked in the work cycle is not in excess of
18 one hundred forty-four (144) hours. These employees shall not receive additional compensation
19 for regularly scheduled hours in excess of one hundred forty-four (144) hours if they do not
20 actually work more than one hundred forty-four (144) hours in the work cycle; provided
21 however, that in addition to the actual hours worked, jury leave, vacation leave, compensatory

1 time and "O" days shall count as hours worked for the purpose of determining eligibility for
2 overtime compensation. Days scheduled off to reduce average work week to fifty-two (52)
3 hours, compensatory time, vacation, "O" days, and holiday time shall be scheduled consistent
4 with a reasonable vacation and holiday leave policy to avoid the necessity of actually working
5 more than one hundred forty-four (144) hours during any work cycle.

6 Police Officer Trainees, Police Probationary Officers and Police Officers shall be paid
7 overtime, defined as one and one-half time (1.5x) the employee's regular standard rate of pay,
8 for all hours worked in excess of their eight (8) hour work day or any hours worked on a
9 scheduled day off. Only hours actually worked shall count toward overtime pay.

10 Police Sergeants – whose salary is established in Section 2(d) of this ordinance shall be
11 paid overtime, as defined as one and one-half time (1.5x) the employee's regular standard rate of
12 pay, for all hours actually worked in excess of one hundred sixty (160) hours in a twenty-eight
13 (28) day work period. In addition to hours physically worked, paid vacation, compensatory time,
14 holidays, discretionary holidays, and sick-injured time shall count toward the 160-hour threshold
15 during the 28-day period that must be met to earn overtime. These employees shall receive
16 additional compensation for authorized overtime, court time, and court standby time whenever
17 the total accumulated time exceeds forty (40) hours.

18 **(b)** Any employee in a class which has been allocated to Overtime Code 2 in Section 1(a) of
19 this ordinance shall be compensated for overtime by granting the employee pay or compensatory
20 time off at the straight (1.0x) time rate. Each appointing authority shall designate and submit to
21 the Director of Personnel the official work week or work cycle, which is usually forty (40) hours,

1 for all exempt (Code 2) positions in the work unit. Whenever a full-time employee in an exempt
2 (Code 2) position is directed by management, with the approval of the appointing authority, to
3 work hours in excess of the maximum established for an official work week or work cycle it
4 shall be considered overtime. In addition to the actual hours worked, only paid vacation time,
5 compensatory time, jury leave, and holidays shall count as hours worked for the purpose of
6 determining eligibility for overtime compensation. Straight time (1.0x) overtime shall be
7 compensated at the employee's regular hourly rate of pay, or by granting the eligible employee
8 compensatory time off at the rate of one (1) hour for each hour of overtime worked. The average
9 number of scheduled hours in a bi-weekly pay period shall not be less than eighty (80) for full-
10 time employment. The regular hourly rate of pay for an exempt (Code 2) bi-weekly paid
11 employee shall be determined by dividing the employee's regular bi-weekly rate of pay by the
12 average number of regularly scheduled hours of work in a bi-weekly pay period.

13 (c) Part-time bi-weekly paid employees and employees paid on an hourly or per performance
14 basis shall be compensated for overtime work in accordance with the overtime provisions of this
15 section and with consideration for community practices in compensating similar employment.

16 (d) An appointing authority may compensate Overtime Code 1 employees at the straight-
17 time (1.0x) rate, when both of the following conditions exist: 1) the Mayor of the City of St.
18 Louis declares an emergency due to serious and protracted conditions which threaten continuous
19 City Service, preservation of public peace, health, or safety, and 2) the appointing authority
20 directs an employee or group of employees to work in excess of forty (40) hours per week. The

1 appointing authority shall maintain attendance records of the assignment(s) and submit such
2 records at the request of the Director of Personnel.

3 (e) Employees who wish to use compensatory time earned in lieu of pay must make their
4 request in writing at least twenty-four (24) hours in advance of the day or days requested. The
5 appointing authority shall keep in mind the staffing needs of the department when granting time
6 off, but in any case time off will not be unreasonably denied.

7 Pay shall be the regular method of compensation for recorded overtime hours of work for
8 employees in classes with Overtime Code 3 and Overtime Code 4. However, an appointing
9 authority shall compensate a non-exempt bi-weekly paid employee for overtime work by
10 granting the employee compensatory time off in lieu of pay only if the employee requests
11 compensatory time, in writing.

12 Employees engaged in public safety, emergency response or seasonal activity as defined
13 by the Director of Personnel may have a maximum balance of two hundred forty (240) hours of
14 compensatory time; except that Police Officer Trainees, Police Probationary Officers, Police
15 Officers, and Police Sergeants shall only be allowed to accumulate up to forty (40) hours of
16 compensatory time. All other employees are allowed a maximum balance of one hundred twenty
17 (120) hours of compensatory time excluding compensatory time earned for working on a
18 holiday. These maximum balances of compensatory time shall apply to employees working an
19 average work week of forty (40) hours; the maximum balance of compensatory time for
20 employees whose average work week is more or less than forty (40) hours shall be proportionate.
21 No provision of this section establishing a maximum balance of compensatory time shall serve to

1 cancel any compensatory time due to an employee or to deny an employee payment for recorded
2 compensatory time earned in accordance with the provisions of the compensation ordinance in
3 effect at the time the compensatory time was earned.

4 Each appointing authority shall establish procedures to assure that non-exempt employees
5 are promptly granted time off when such employees request to use their earned compensatory
6 time. Appointing authorities may not deny non-exempt employees' requests for earned
7 compensatory time off except when such approval would create an extreme business hardship.
8 For employees occupying the position of Police Officer Trainee, Police Probationary Officer,
9 and Police Officer compensatory time may be used at such times and in such blocks as are
10 mutually agreed upon between the supervisor and the employee and it shall not be unreasonably
11 denied by the supervisor if operating requirements will not be adversely affected. When an
12 appointing authority determines that the work schedule of the organization will not permit the
13 granting of such time off, the appointing authority shall pay the employee in that same pay
14 period for all or a portion equivalent to the time requested of the employee's accrued
15 compensatory time. This provision requiring the prompt granting of requested time off applies
16 only to compensatory time that is earned as a result of the employee working overtime; it does
17 not apply to compensatory time earned as a result of an incentive program or award program.

18 Compensatory time earned by exempt employees shall be granted at the discretion of the
19 appointing authority and upon request of the employee.

20 (f) Before an employee is transferred, promoted or demoted from a position under one
21 appointing authority to a position under another appointing authority or to another unit with a

different appropriation, all compensatory time shall be granted or paid. Upon termination all compensatory time shall be paid. Upon the death of an employee, the person or persons entitled by law to receive any compensation due to the employee shall be paid any amount due to the employee on the date of death.

(g) All departments shall keep daily attendance records of classified employees and shall submit periodic reports of: 1) unexcused absences and leaves; 2) overtime earned, granted, and paid; or 3) the non-occurrence of same to the Director of Personnel in the form and on the dates specified.

SECTION 16.

1 Personnel. When full-time employees, whose pay is established in Section 2(a) or 2(b) of this
2 compensation ordinance, excluding employees of the Police Division, are required to work on a
3 holiday they shall be entitled to compensation for the holiday and the hours actually worked.

(1) For employees whose pay is established in Section 2(d), forty (40) hours of vacation leave may be taken in one (1) hour increments.

(2) Vacation time is accrued on a bi-weekly basis. No employee will be entitled to or allowed to take any vacation until ninety (90) days of continuous employment from the date of employment.

(g) All references in this ordinance, except as otherwise noted, to accrual rates, additions to, and accrual maximums for vacation are for employees working a scheduled work week of forty (40) hours. Vacation rates, additions and maximums shall be computed on a proportionate basis for employees whose average work week is more or less than forty (40) hours. When an eligible employee's scheduled work week is changed, the employee's rate of accrual shall be changed proportionately. All references in this ordinance to cumulative service for vacation shall mean cumulative service without a break in service of more than one year, except as provided otherwise in this ordinance. No employee who works less than fifty percent (50%) time or who is serving in a limited-term position shall be eligible to accrue vacation.

1 **(h)** (1) The maximum vacation balance for those working an average work week of forty
2 (40) hours shall be six hundred (600) hours, except by written request of an appointing authority
3 and with prior approval of the Director of Personnel. Vacation accrual maximums for those
4 working more or less than forty (40) hours per week, but at least fifty percent (50%) time shall
5 be proportionate to the number of hours worked in a bi-weekly pay period.

6 (2) When an employee's full-time average work week is changed, the maximum
7 vacation balance shall be changed proportionately. In addition, the employee shall have his/her
8 current vacation balance adjusted so that the vacation shall maintain the same position relative to
9 the new maximum balance as existed with the employee's previous maximum balance.

10 (3) Accrual of vacation shall cease when an employee accumulates the maximum
11 vacation balance established for the assigned work schedule and shall not resume until the
12 vacation balance is less than the maximum amount.

13 **(i)** Accrual of vacation shall begin and be credited upon the first bi-weekly pay period and
14 each pay period thereafter, but employees must complete the entire pay period to accrue the
15 vacation leave at the end of said pay period:

16 (1) of appointment;

17 (2) of return to duty from leave of absence;

18 (3) of restoration to employment of one-half (50%) time or more.

19 Vacation leave shall be granted in whole hour units. On termination of service, any
20 fractional hour shall be made whole. The accrual of vacation leave shall cease at the employee's
21 last day at work.

(j) Appointing authorities shall be responsible for establishing all vacation leave schedules but may not discipline employees by imposing unusual vacation schedules. Vacation shall be granted to the employee as provided by this ordinance in one of the following ways:

(1) When the employee requests vacation leave in accordance with departmental policies;

(2) When directed to take paid time off by the appointing authority;

(3) When an employee is terminated or resigns from the Classified Service;

(4) When an employee whose salary is established in Sections 2(a), 2(b), 2(c) or 2(d) reaches the established maximum accrual and would cease accruing vacation and notifies the appointing authority in writing of his/her intention to schedule vacation. Such notice shall be at least seven (7) days prior to the first work day the employee intends to take off. If the appointing authority fails to establish a different vacation schedule, the employee may take the paid leave, which was proposed in writing.

(5) With the approval of the appointing authority, an employee may request and receive payment from the appointing authority for forty (40) hours of vacation accrual in lieu of scheduling paid leave provided that the full vacation allowance for that year is not exceeded. This may be done a maximum of once in each calendar year. Management employees may request payment from the appointing authority for up to an additional forty (40) hours of their vacation accrual balances in lieu of scheduling paid leave if their schedules do not permit them to be absent from work. Employees whose pay is established in Section 2(c) of this ordinance may

request payment for up to ninety-six (96) hours of vacation. These requests are subject to the prior approval of the Director of Personnel.

(k) During the first twelve (12) months of employment, unless stated otherwise in this ordinance, accrued vacation may be granted to an employee provided that the employee has completed six (6) months of continuous service. When employment is terminated before completing twelve (12) months of continuous service, any previously granted vacation leave shall be deducted from the employee's final pay. When the service of an employee is terminated after twelve (12) months of continuous service, any accumulated vacation that is due the employee shall be paid.

(l) Employees who separate from the Classified Service, who are certified from a reemployment list, and who return to the Classified Service within twenty-four (24) months of the separation, will be given credit for prior continuous service in determining the vacation accrual rate in accordance with Section 17(a), 17(b), 17(d), 17(e) or 17(f) of this ordinance and based on the date of the employee's original appointment.

(m) Employees who move to the Classified Service from the Unclassified Service shall be given credit for the years of service in the Unclassified Service in determining the vacation accrual rate in accordance with Section 17(a) or 17(b) of this ordinance and based on the date of the employee's original appointment.

(n) Employees who return to work from a "reemployment from layoff" eligible list shall be eligible to use vacation as soon as it is accrued, unless stated otherwise in this ordinance, provided the employee has completed six (6) months of continuous service prior to the layoff

1 and with approval of the appointing authority. An employee who has completed less than six (6)
2 months of continuous service will be required to complete the remaining portion of the six (6)
3 months period before being eligible to use vacation.

4 Any such reemployed worker shall be given credit for prior continuous service in
5 determining the employee's vacation accrual rate in accordance with the schedule established in
6 Section 17(a), 17(b), 17(d), 17(e) or 17(f) of this ordinance and based on the employee's original
7 appointment. A Commissioned Officer who retires and is rehired as a civilian employee will be
8 considered a new employee for vacation purposes.

9 **(o)** Appointing authorities shall be responsible for the management of their vacation
10 schedules so as to most effectively administer their organizations and fulfill the desire of
11 employees in the establishment of leave schedules.

12 **(p)** Accrued vacation shall be carried with an employee when transferred, promoted, or
13 demoted from a position under one appointing authority to a position under another appointing
14 authority without a break in service or change in method of pay. Upon the death of an employee,
15 the person or persons entitled by law to receive any compensation due the employee shall be paid
16 the amount due the employee for accrued vacation.

17 **(q)** With the approval of the appointing authority, a retiring employee may be paid on the
18 payroll for accrued vacation in the month prior to retirement without inclusion in the employee's
19 final average compensation. An appointing authority may pay previously accrued vacation off in
20 a lump sum to an employee whose service with the City has terminated. Such payment shall be
21 made on the employee's last regular paycheck.

1 **(r)** Employees occupying excepted positions in the Classified Service shall be granted
2 vacation at the discretion of their appointing authority. An employee whose term in an excepted
3 position ends and who is then appointed to a permanent competitive position working fifty
4 percent (50%) time or more shall become eligible to accrue vacation leave with pay upon
5 appointment to the competitive position. Length of cumulative service for the purpose of
6 determining rate of vacation leave accrual shall be based on the employee's original date of
7 appointment to the excepted position, providing there was no break in service between expiration
8 of the excepted position and appointment to the permanent competitive position. The date of
9 appointment to the permanent competitive position shall be used to determine the appropriate
10 rate of vacation accrual for the corresponding length of cumulative service in accordance with
11 the schedule established in Section 17(b).

12 **(s)** Appointing authorities shall report leave with pay for vacation and such other authorized
13 absences as the Director of Personnel shall designate to the Department of Personnel in such
14 form and at such time as the Director of Personnel may require.

15 **SECTION 18.**

16 **SICK LEAVE**

17 **(a)** Employees (non-Police Division employees) ceased accruing sick leave beginning July

19 prior to September 1, 2013, employed by the City on September 1, 2013, and continuously
20 employed by the City ceased accruing sick leave on June 30, 2014. An employee may choose to
21 use his/her sick leave in accordance with regulations established by the Director of Personnel.

1 **(b)** An active employee who is a member of the Employees Retirement System or the
2 Firemen's Retirement System of the City of St. Louis, and who applies for retirement and
3 immediately retires from active service, shall receive payment for his/her sick leave balance less
4 any sick leave credited or paid to a member or used in the calculation of retirement benefits
5 under this or any other ordinance(s). If the Employees Retirement System or Firemen's
6 Retirement System provides for sick leave to be credited or paid to a member or used in the
7 calculation of retirement benefits, this payment shall be limited to a maximum of fifty percent
8 (50%) of the value of the employee's sick leave balance. If the Employees Retirement System of
9 the City of St. Louis provides for sick leave to be credited or paid to a member or used in the
10 calculation of retirement benefits, this payment shall be fifty percent (50%) of the value of the
11 employee's sick leave balance at time of retirement.

12 **(c)** If a member of the Employees Retirement System or the Firemen's Retirement System of
13 the City of St. Louis who had been otherwise eligible for Normal or Early Service Retirement
14 dies his/her estate may receive payment based on the calculation above on the employee's sick
15 leave balance, if any. Payment shall be made in accordance with the procedures established by
16 the Director of Personnel.

17 **(d)** An employee who is reemployed from an authorized layoff shall have his/her prior sick
18 leave balance if any restored, provided this balance has not been used in the determination of
19 pension benefits paid to the retiree.

20 **(e)** Commissioned officers will be granted sick leave at the rate of 3.70 hours bi-weekly. In
21 addition, military reinstatements will be credited, on the date of their reinstatement, with the

1 number of sick leave credits accumulated prior to entering the military. Officers hired prior to
2 April 20, 2011, may earn and bank sick leave hours on an unlimited basis until termination from
3 the Division.

4 **(f)** Commissioned officers hired prior to April 20, 2011, with thirty (30) years of service and
5 possessing 2,200 accrued sick leave hours, will receive compensation for one-half of their

7 (20) years of service who possess 1,600 accrued sick leave hours, will receive compensation for
8 one-fourth of their accumulated sick leave hours, and also receive 173.33 hour pay (2080 hours
9 divided by 12). All other officers hired prior to April 20, 2011, terminating their employment
10 with the Division will receive compensation for one-fourth of their accumulated sick leave hours
11 at the time of termination. These benefits are not granted to employees who have pled guilty,
12 been found guilty or otherwise convicted of a crime prior to termination.

13 **(g)** Employees in Section 2(a) or 2(b) formerly employed by the Board of Police
14 Commissioners prior to April 20, 2011, and continuously employed by the City with thirty (30)
15 years of service and possessing 2,200 accrued sick leave hours, will receive compensation for
16 one-half of their accumulated sick leave hours. Employees in Section 2(a) or 2(b) formerly
17 employed by the Board of Police Commissioners hired prior to April 20, 2011, and continuously
18 employed by the City who have at least twenty (20) years of service who possess 1,600 accrued

21 2(a) or 2(b) employed by the Board of Police Commissioners prior to April 20, 2011, and

continuously employed by the City who terminate their employment with the Division will receive compensation for one-fourth of their accumulated sick leave hours at the time of termination. (1) All employees, unless otherwise stated in this ordinance, shall accrue three (3) hours of medical leave for each bi-weekly pay period of employment but must complete the entire pay period to accrue the medical leave at the end of said pay period. This accrual rate is established for employees working an average work week of forty (40) hours. Medical leave shall be computed on a proportionate basis for employees whose average work week is more or less than forty (40) hours. An eligible employee may be granted paid medical leave by his/her appointing authority after completing twenty-six (26) weeks of continuous service.

1 (2) Employees in Section 2(a) or 2(b) hired by the Police Division on or after
2 September 1, 2013, shall accrue medical leave as stated above in Section 19(a)(1).

4 before September 1, 2013, shall be entitled to all of the sick and medical leave accrued during
5 such employment. Subject to the provisions of Section 19(a), medical leave with pay shall be

7 Board of Police Commissioners before September 1, 2013, employed by the City and
8 continuously employed by the City on September 1, 2013.

9 **(b)** The Director of Personnel may establish a system of cash awards, paid time off or other
10 incentives to reward employees for perfect and near perfect attendance.

11 **(c)** An appointing authority shall remove an employee from the payroll for unexcused
12 absence in accordance with regulations and procedures established by the Director of Personnel.
13 When an employee is docked from the payroll under the provisions of this section, the amount
14 deducted from his/her regular bi-weekly rate of pay shall be one times (1.0x) the regular hourly
15 rate as defined in this ordinance for each hour of unexcused absence. If an employee is docked
16 from the payroll for one (1) hour or more in a bi-weekly pay period, he/she will cease to accrue
17 medical leave for the pay period.

18 **(d)** If management decides to send their employees or a group of employees home due to
19 inclement weather, they will not lose their medical leave accrual for that pay period.

20 **(e)** All leave with or without pay for illness, injury, or physical inability to perform assigned
21 duties shall be recorded on the payroll or a subsidiary document in the manner established by the

Director of Personnel. Compensation for periods of absence from work when an employee sustains an injury by accident on the job shall be governed by the provisions of Section 24 (Workers' Compensation and Disability Leave) of this ordinance.

(f) An employee who is reemployed from an authorized layoff shall have his/her prior medical leave balance and sick leave balance restored if any, provided any sick leave balance has not been credited to the employee's length of service in determining pension benefits paid to the retiree. An employee who is reemployed from an authorized layoff and who has a medical and/or sick leave balance and who completed twenty-six (26) weeks of continuous employment prior to the layoff may take approved medical and/or sick leave upon reemployment.

(g) Each appointing authority shall institute procedures, in accordance with regulations established by the Director of Personnel that will discourage the improper use of medical leave with pay. When an employee is removed from the payroll for absence not approved by the appointing authority, the employee shall be notified promptly in writing.

(h) Employees shall not receive payment for any medical leave balance, and it shall not be used in the calculation of retirement benefits or payments under this ordinance or any other ordinance.

(i) There shall be no advancement of medical leave.

SECTION 20.

MILITARY LEAVE

The City of St. Louis will follow all applicable state and federal laws on the granting of military leave and reemployment rights.

1 Each employee is required to give advance notice (at least 30 days prior to departure
2 when feasible), preferably in writing, of service obligation or intention to perform services in the
3 uniformed services, unless such notice is prevented by military necessity, as determined by a
4 designated authority, or impossible or unreasonable under all of the circumstances.

5 Upon the expiration of military leave of absence, the employee shall be reinstated to the
6 class of position he/she occupied at the time the leave was granted without breaking continuity of
7 service. Failure of an employee to report for duty within the time pursuant to state or federal law
8 shall be just cause for dismissal. The employee's accumulated leave balance(s) shall be restored
9 to the employee upon his/her return.

10 Full-time, permanent employees paid a bi-weekly rate of pay who are called to active
11 duty as a member of the National Guard or any reserve component of the Armed Forces of the
12 United States and who are placed on a military leave of absence will be granted compensation in
13 the amount to offset the difference between the employee's gross bi-weekly pay with the City
14 and his/her total military pay plus allowances if such military pay and allowances is less than the
15 employee's regular gross bi-weekly rate of pay and subject to submission of documentation as
16 required by the Director of Personnel.

17 **SECTION 21.**

18 **LEAVES OF ABSENCE AND FAMILY/MEDICAL LEAVE**

19 An employee may request a leave of absence, or an appointing authority may request a
20 leave of absence for an employee, for any reason under the City's general leave policy, or a
21 "Family/Medical Leave of Absence" for certain qualifying reasons under provisions of "The

1 Family and Medical Leave Act of 1993" as provided in this ordinance and under additional
2 provisions and regulations as determined by the Director of Personnel.

3 (a) An appointing authority, with the approval of the Director of Personnel, may grant an
4 employee in a competitive position a general leave of absence without pay for a period of one (1)
5 year, which may be extended, with the prior approval of the Director of Personnel.

6 Upon the expiration of such leave of absence, the employee shall be reinstated to the
7 competitive position he/she occupied at the time the leave was granted provided the position is
8 still in existence and he/she is able to perform the duties of the position. The employee shall be
9 reinstated to the competitive position at the same relative rate in the salary range the employee
10 occupied at the time the leave was initiated. Failure of an employee to report for duty promptly
11 at the expiration of the leave shall be just cause for dismissal. If necessary to the efficient
12 conduct of the business of the City, an employee on leave other than military leave or qualifying
13 family/medical leave may be notified by the appointing authority, with the approval of the
14 Director of Personnel, to return prior to the expiration of such leave. Failure of the employee to
15 return within ten (10) calendar days after receipt of such notice shall terminate his/her leave of
16 absence and be just cause for dismissal, subject to any applicable federal, state or local
17 regulations.

18 (b) The City of St. Louis will follow all applicable state and federal laws on the granting of
19 family/medical leave. The City of St. Louis will provide up to six (6) weeks of paid
20 family/medical leave, in accordance with the City's "Family/Medical Leave Policy."

1 The Director of Personnel shall establish additional rules, guidelines and procedures for
2 the effective administration of the City's "Family/Medical Leave Policy." The policy shall
3 comply with all provisions of the "Family/Medical Leave Act of 1993" and any amendments
4 thereafter.

5 Employees must take all of their accrued time (sick leave, medical leave, vacation leave)
6 prior to being placed on leave without pay status for approved Family and Medical Leave, except
7 employees can keep one (1) week of vacation hours (if they have accrued one (1) week of
8 vacation and are eligible to take them). Employees will be allowed to use all their compensatory
9 time, if requested by employee.

10 (c) Any employee in a competitive position who is appointed to an excepted position in the
11 Classified Service shall be granted an in-service leave without pay from the competitive position
12 during the term to which he/she is appointed to the excepted position. Such leave shall be for the
13 term of the appointment to the excepted position and until his/her successor qualifies. Upon the
14 expiration of the appointment to the excepted position, the employee shall be reinstated to the
15 competitive position he/she occupied immediately prior to the in-service leave. The employee
16 shall be reinstated to the competitive position as under a temporary promotion pursuant to
17 Section 6(a)(2) of this ordinance. Employees who are returned to a competitive position shall
18 retain any vacation, compensatory time, sick leave, or medical leave balance in effect at the time
19 of granting of the leave of absence for appointment to the excepted position. Employees shall be
20 given credit for time spent in an excepted appointment in computing eligibility for additional
21 vacation leave accrual.

1 **(d)** In the event that emergency conditions occur which require the closing of City-operated
2 facilities, or the temporary cessation of functions carried out by classified employees, the Mayor
3 of the City of St. Louis may declare an emergency and require an employee or group of
4 employees to take leaves of absence with or without pay while such emergency conditions exist.
5 In the event that the Mayor requires that the leave of absence be without pay, an employee with
6 vacation or accrued compensatory time may elect to take the accrued time off with pay in lieu of
7 all or a part of such non-paid leave of absence. Such non-paid leave of absence shall not
8 interrupt continuity of service for vacation accrual. An emergency leave of absence declared by
9 the Mayor shall not exceed ninety (90) days.

10 **(e)** Employees who are granted general leaves of absence and other non-paid leaves of
11 absence, except military leave, must take all accrued vacation at the start of the leave of absence
12 except as otherwise provided in this ordinance. Employees who are granted or placed on a non-
13 paid leave of absence will not accrue vacation, sick leave, and medical leave during the period of
14 non-paid leave. Upon the expiration of such leaves of absence, the employee shall follow the
15 procedures as established in this Section 21 and any other applicable regulations and procedures
16 as established by the Director of Personnel.

17 **(f)** An appointing authority, with the prior approval of the Director of Personnel, may put an
18 employee on a forced leave of absence with or without pay pending the outcome of an
19 investigation or of a pending disciplinary action against the employee. Employees being placed
20 on forced leave may elect to be placed on either vacation leave or compensatory time.

1 **(g)** In the event that a fiscal crisis occurs in the City of St. Louis, employees may request
2 voluntary furloughs. The Director of Personnel may issue regulations to govern the furlough
3 program.

4 **SECTION 22.**

5 **INSURANCE BENEFITS**

6 The City of St. Louis is hereby authorized to devise and establish by contract or
7 otherwise plans for life, health, medical, disability, and other insurance coverage deemed
8 necessary for employees in the Classified Service and other employees for the City and their
9 dependents. The Director of Personnel shall develop and administer programs to provide for
10 such coverage. The Director of Personnel shall confer with the Board of Estimate and
11 Apportionment by February 1st of each year regarding coverage plans and the appropriate
12 funding level. The Director shall then be charged with the responsibility of establishing the
13 applicable funding level and remittance rates for the aforementioned plans and certify same to
14 the Comptroller and Budget Director by March 1st of each year. The Director of Personnel may
15 amend said rates as needed.

16 **SECTION 23.**

17 **DEATH BENEFIT**

18 In the event any employee of the City whose pay is established by this ordinance dies as a
19 result of injuries arising out of and in the course of his/her employment by the City, the City
20 shall pay compensation in accordance with the Missouri Workers' Compensation Law. The
21 Director of Personnel and the City Counselor shall establish procedures for making the payments

1 required by the Missouri Workers' Compensation Law. The Comptroller shall designate the fund
2 or appropriation out of which such payment shall be made. Such compensation shall be in
3 addition to any life insurance benefits paid for by the City or by the employee which is available
4 to the employee's beneficiaries and also in addition to any benefit provided by the Employees
5 Retirement System of the City of St. Louis, the Firemen's Retirement System of the City of St.
6 Louis, or the Firefighters Retirement Plan.

7 **SECTION 24.**

8 **WORKERS' COMPENSATION AND DISABILITY LEAVE**

9 **(a)** Any employee in the Classified Service whose class title and grade are established in
10 Section 1(a) and denoted by the suffix "G," "M," "T" or "E" of this ordinance, including
11 employees who are compensated on a per performance or unit of work basis, who shall suffer
12 personal injury by accident or occupational disease arising out of and in the regular course of
13 employment while engaged in or about the premises where an employee's duties are being
14 performed or where an employee's presence is required as part of his/her employment, shall
15 promptly report such injury by accident or occupational disease to his/her immediate supervisor.
16 The supervisor shall in turn report, through the appointing authority, all facts concerning the
17 incident to the City Counselor and the Director of Personnel. The appointing authority shall
18 promptly provide such written information and recommendations as may be requested by the
19 City Counselor to aid in making the determination of the period of disability.

20 The employee who suffers a personal injury as described in part (a) of this section, and
21 which results in temporary disability, may elect to use sick or medical leave for the first three (3)

1 days of temporary disability. Thereafter, the employee will be compensated at the rate mandated
2 by the Missouri Workers' Compensation Law. If the period of disability extends fourteen (14)
3 calendar days or more, the three (3) days of sick or medical leave used during the first three (3)
4 days of disability will be restored to the employee's sick or medical leave balance. The City
5 Counselor shall determine the actual amount of compensation and length of time during which
6 payments are made for such temporary disability in accordance with the Missouri Workers'
7 Compensation Law.

8 **(b)** (1) Any employee in the competitive service whose class title and grade are
9 established in Section 1(a) of this ordinance and denoted by the suffix "F" who shall suffer
10 personal injury by accident or occupational disease while engaged in actual fire suppression, or
11 related emergency response activities on or about the premises where these activities are being
12 performed, or during transportation to and from the scene of the fire, or emergency, shall
13 promptly report such injury to his/her immediate supervisor. The injury shall be promptly
14 reported through appropriate management personnel to the Director of Personnel and the City
15 Counselor. During the period of temporary disability which has been determined by the City
16 Counselor to be a result of an injury by accident or occupational disease as defined above, the
17 employee may be continued on the payroll at the regular bi-weekly rate less any amount the
18 employee would otherwise pay in taxes on that portion of the benefit found to be exempt from
19 taxation under the Missouri Workers' Compensation Law, or the federal tax code. Disability
20 leave may also be granted when an employee suffers injury as a result of participation in
21 Training Simulation of an exceptional and highly dangerous nature wherein the appointing

1 authority or the Director of the Department of Public Safety has gained the approval of the
2 Director of Personnel prior to such Training Simulation.

3 (2) Any employee in the competitive service whose class title and grade are
4 established in Section 1(a) of this ordinance and denoted by the suffix "F" who shall suffer
5 personal injury by accident or occupational disease arising out of and in the regular course of
6 employment while engaged in or about the premises where his/her duties are being performed,
7 except as otherwise provided in Section 25(b)(1) above shall likewise, promptly report such
8 injury to his/her immediate supervisor, who shall report, through his/her appointing authority, all
9 facts concerning the incident to the City Counselor and the Director of Personnel. During any
10 such period of temporary disability, the employee shall be entitled to workers' compensation
11 benefits as prescribed by State Law.

12 (3) Employees in the competitive service whose pay is established in Section 2(d) of
13 this ordinance who suffer personal injury by accident or occupational disease arising out of and
14 in the regular course of employment shall receive compensation in accordance with Police
15 Division policies. Employees in the competitive service whose pay is established in Section 2(a)
16 or 2(b) of this ordinance and who were employed by the Board of Police Commissioners and
17 who remain employed by the Police Division who suffer personal injury by accident or
18 occupational disease arising out of and in the regular course of employment shall receive
19 compensation in accordance with Police Division policies.

1 (c) The City Counselor, the Director of Personnel, or the appointing authority may require an
2 employee to undergo a physical examination and medical or surgical treatment at the expense of
3 the City to diagnose and treat injuries or illnesses arising out of employment.

4 (d) The City Counselor and the Comptroller shall establish procedures for paying
5 compensation to employees or former employees who are permanently disabled and due
6 compensation under the Missouri Workers' Compensation Law. The Comptroller shall designate
7 the fund or appropriation out of which such payment shall be made.

8 (e) The City Counselor and the Director of Personnel shall be responsible for the
9 administration of the provisions of this Section and shall establish and publish procedural
10 regulations for the administration of the program. Each appointing authority shall establish
11 procedures to comply with the provisions of this section and established regulations.

12 SECTION 25.

13 JURY AND WITNESS LEAVE

14 (a) Jury leave with pay shall be granted to bi-weekly rate employees working fifty percent
15 (50%) time or more for such time when such employees are serving as jurors pursuant to order of
16 the St. Louis Circuit Court or United States District Court in St. Louis. Any bi-weekly rate
17 employee, when so summoned for jury service, shall report such fact within seventy-two (72)
18 hours to his/her appointing authority and display to the appointing authority the summons which
19 the employee has received and shall give the appointing authority in writing the date and the time
20 of such jury service. No bi-weekly rate employee shall receive any compensation from the Jury
21 Commissioner or the United States District Court system for jury service for days the employee

1 receives compensation from the City. A bi-weekly rate employee may keep the jury stipend for
2 days when the employee receives no compensation from the City (off days, docks, leaves, etc.).
3 Upon being discharged from serving as a juror by the Court or Jury Commissioner, the employee
4 shall forthwith report to his/her appointing authority if discharged during their normally
5 scheduled work hours and shall submit to his/her appointing authority a written statement from
6 the Jury Commissioner certifying that the employee has served as a juror and the time and date
7 so served. The appointing authority shall, upon receipt of the statement of jury service, credit the
8 employee with paid jury leave for such service.

9 **(b)** Leave with pay shall be granted to bi-weekly rate employees for such time when the
10 employee's presence is required by the prosecutor in a criminal proceeding or grand jury
11 procedure, a trial in prosecuting accused criminals (or for jury service in Federal Court). Any bi-
12 weekly rate employee, when so subpoenaed as a prosecution witness or whose presence is
13 required as a part of a grand jury inquiry, shall report such fact within seventy-two (72) hours to
14 his/her appointing authority and shall give the appointing authority in writing the date and time
15 his/her presence is required for such criminal prosecution. Each appointing authority shall
16 establish controls to assure that any paid leave is actually required by the prosecuting authority.
17 An appointing authority may require an employee to furnish satisfactory evidence of being
18 required to be off the job and that all time off was in connection with the prosecution of the case.
19 This procedure shall apply for employee participation in criminal prosecution in State or Federal
20 Courts.

In the event Federal or State legislation is changed in a manner affecting and/or relating to any of the aforementioned Deferred Compensation provisions contained in this Section, the

Board of Estimate and Apportionment of the City of St. Louis may amend the deferred compensation plan accordingly and may execute any and all documents necessary to achieve and effectuate the recommended changes.

SECTION 27.

The following provisions shall apply to the Employees Retirement System:

(a) "Final Average Compensation" is equal to one-half of the sum of (1) and (2) below:

(2) The balance of a member's sick leave on the date of retirement *less* sick leave hours paid to the member upon termination of his/her employment and *less* sick leave hours considered as creditable service for the purpose of determining eligibility for and/or calculation of retirement benefits, except that said balance cannot exceed twenty-five percent (25%) of a member's total sick leave on the date of retirement.

(b) If a member has less than two (2) consecutive years of creditable service his/her final average compensation shall be equal to the sum of (1) and (2) below, divided by (3) below and then multiplied by (4) below:

7 the termination of his/her employment, and

8 (4) Twelve (12).

9 The years of creditable service of a member shall be the number of years and completed

13 creditable service of an employee (as that term is defined in Subsection 11 of Section Four of
14 Ordinance 66511) hired after the operative date (as that term is defined in Subsection 18 of
15 Section Four of Ordinance 66511) who had attained the age of sixty (60) years at initial
16 employment shall be the number of years and completed months of service during which he/she
17 receives compensation from October 1, 1988, and hereafter, from the first day on or after
18 October 1, 1988, of the beginning of each employment with an employer until his/her
19 employment is terminated. No creditable service shall be granted for any period of employment
20 before October 1, 1988, after the calendar month in which the member attains age seventy (70).

1 No creditable service for prior employment shall be granted an employee who becomes a
2 member after April 1, 1960, unless he/she was employed by an employer on April 1, 1960.

3 A member's accrued sick leave balance less the sum of (a), (b) and (c) below shall be
4 considered as additional creditable service for calculation of retirement benefits under any
5 provision of this Ordinance 66511, as amended:

7 eligibility for retirement benefits, and
8 (b) Sick leave hours paid to the member upon termination of his/her employment, and
9 (c) Sick leave hours used in determining final average compensation.

10 SECTION 28.

11 SEVERABILITY

12 The sections of this ordinance shall be severable. In the event that any section of this
13 ordinance is found by a court of competent jurisdiction to be invalid, the remaining sections of
14 this ordinance are valid, unless the court finds the valid sections of the ordinance are so essential
15 and inseparably connected with and dependent upon the void section that it cannot be presumed
16 that the Board of Aldermen would have enacted the valid sections without the void ones, or
17 unless the court finds that the valid sections standing alone are incomplete and are incapable of
18 being executed in accordance with the legislative intent.

19 SECTION 29.

20 REPEAL OF PREVIOUS ORDINANCES

21 **Ordinance Number 71512** and all other ordinances or amendments, or parts thereof

conflicting with the provisions of this ordinance are hereby repealed.

GRADE	BI-WEEKLY RATE
1E	\$3491
2E	\$4315
3E	\$5070

(2) The following bi-weekly pay schedule for each Executive pay grade, denoted by the suffix "E," shall become effective beginning with any term of office starting after the effective date of this ordinance:

GRADE	BI-WEEKLY RATE
1E	\$3596
2E	\$4444
3E	\$5222

(f) SHIFT DIFFERENTIAL: Shift differential shall be paid for certain work assignments. The Director of Personnel shall determine the work assignments for which shift differential will be paid. The assignment or removal of an employee from a work assignment having a shift differential shall be determined by the appointing authority and will not constitute a promotion, demotion, advancement or reduction in pay. The shift differential shall be added to the employee's regular bi-weekly rate.

(1) In order for an employee in Section 2(a) or 2(b) to be eligible for shift differential compensation, the employee must work a shift that requires the completion of four (4) hours of

1 work between the hours of 4:00 p.m. and 8:00 a.m. the following morning. Employees whose pay
2 grade is denoted with the suffix "M" are only eligible to receive shift differential if they are
3 regularly scheduled to work at least four (4) hours between 4:00 p.m. and 8:00 a.m. the following
4 morning. Employees shall be entitled to receive shift differential compensation for no more than
5 one shift worked between the hours of 4:00 p.m. and 8:00 a.m. Employees who are assigned to
6 work schedules that require them to rotate among three shifts (day, evening, night) on a bi-monthly
7 or more frequent basis shall be eligible for shift differential compensation for all three shifts
8 worked.

9 For employees whose pay range is established in Section 2(a) or 2(b) the shift differential
10 premium shall be one percent (1 percent) of the employee's regular base bi-weekly rate for each
11 eligible shift worked in a bi-weekly pay period.

12 An employee whose pay range is established in Section 2(a) or 2(b) shall receive shift
13 differential for working a portion of an eligible shift, provided the portion of the shift not worked
14 is charged to paid leave. Shift differential shall only be paid for whole hours worked; a fraction
15 of an hour shall not be counted toward the payment of the differential.

16 (2) For those employees whose pay range is established in Section 2(c), the shift
17 differential premium shall be \$2.00 per hour for each hour worked between 11:00 p.m. and 7:00
18 a.m. during an eligible shift. Employees must work at least 12 hours of a regularly assigned 24-
19 hour shift to be eligible for any shift differential for the shift. Such employees shall not receive
20 shift differential for overtime worked, which is not part of their regular schedule. This provision

1 will not go into effect until shift differential is agreed upon by the Director of Personnel and the
2 Union (Local 73) in writing.

3 Except shift differential premium shall be \$2.00 per hour for each hour worked between
4 11:00 p.m. and 7:00 a.m. during an eligible shift to be paid to Overtime Code 3 Fire Equipment
5 Dispatcher classifications whose pay range is established in Section 2(c).

6 (3) For Police Officer Trainees and employees whose pay grade is denoted with the
7 suffix D, the night shift differential shall be ten percent (10 percent) of the hourly rate for all full
8 hours worked between the hours of 11 p.m. and 7 a.m. and all eight (8) hour shifts beginning
9 between 10:30 p.m. and 11:30 p.m.

10 (4) Except as otherwise provided in this ordinance, shift differential shall not be paid
11 to employees compensated on an hourly or per performance basis, or bi-weekly paid employees
12 who work part-time. Neither shall shift differential be paid to full-time regular employees docked
13 for any portion of an eligible shift.

14 **(g) WEEKEND DIFFERENTIAL:** When employees whose pay range is established in
15 Section 2(a) or 2(b) work on a Saturday and/or a Sunday they shall be eligible for weekend
16 differential. Employees whose pay grade is denoted with the suffix "M" are only eligible to receive
17 weekend differential when it is part of their regularly scheduled work hours. This differential shall
18 be one percent (1 percent) of an employee's base bi-weekly rate. An employee shall receive
19 weekend differential for working any portion of an eligible day. This differential shall only be
20 paid for full hours worked. Weekend differential shall not be paid to employees compensated on
21 an hourly or per performance basis or bi-weekly paid employees who work part-time. Neither will

1 the weekend differential be paid to full-time regular employees docked for any portion of a day on
2 which the differential would otherwise be paid.

3 **(h) COMMUTING ALLOWANCE:** Employees residing within the corporate limits of the
4 City of St. Louis who are regularly assigned to a position located in a City institution, agency, or
5 facility located outside the corporate limits of the City of St. Louis, and who are regularly assigned
6 to a five-day, forty-hour weekly work schedule, shall be entitled to a commuting allowance in the
7 amount of one hundred forty-one dollars (\$141.00) bi-weekly on the effective date of this
8 ordinance. Eligible full-time employees who are assigned to an alternate form of work schedule
9 which reduces the frequency of commuting to work shall be entitled to a commuting allowance
10 which is reduced in proportion to the reduced frequency of commuting. City employees who are
11 temporarily assigned duty to a facility located outside the corporate limits of the City of St. Louis
12 shall be entitled to a per diem rate for the duration of the assignment. No employee living outside
13 of the corporate limits of the City of St. Louis shall receive a commuting allowance.

14 A period of absence of ten (10) working days or more shall result in suspension of
15 eligibility for the commuting allowance. Suspension of the commuting allowance shall begin
16 during the pay period in which the tenth (10th) day of absence occurs and shall continue for any
17 subsequent full or partial pay periods during the period of absence. Upon return to duty from such
18 absence, an employee shall immediately be eligible to resume receiving commuting allowance,
19 reduced in proportion to the time the employee did not work due to absence.

Employees for whom any form of free transportation (car, truck, bus, etc.) is provided by the City from a place within the corporate limits of the City of St. Louis to the work site and back shall not be entitled to the commuting allowance.

7 A person occupying a position as a member of a Board, Commission or Committee shall
8 be paid at the per day, per meeting or per month rate established above.

9 (j) The Director of Personnel may establish per performance rates of pay, hourly rates of pay,
10 or rates of pay for units of work and the conditions for making of any such payments. Such per
11 performance, hourly, or unit-of-work rates may be computed from the bi-weekly scales established
12 in this ordinance. Per performance, hourly, or unit-of-work rates shall be established considering
13 the nature of employment, community practices in compensating similar employment, and the
14 purpose of the program for which the rate is established. Employees paid per performance, hourly,
15 or unit-of-work rates of pay shall not be entitled to vacation, medical leave or holiday leave with
16 pay or other benefits accorded employees paid a bi-weekly rate except that an appointing authority,
17 with the prior approval of the Director of Personnel, and when sufficient funds have been
18 appropriated for the fiscal year, may establish a modified level or type of benefit program when
19 the provision of such benefit is needed in order to attract and retain sufficiently qualified
20 employees to work in specific per performance, hourly, or unit-of-work assignments.

Appointing authorities are not permitted to utilize per performance and hourly employees as a method of replacing bi-weekly rate employees who would be entitled to employee benefits.

(k) The Director of Personnel may establish trainee rates of pay. Such trainee rates may be established on an hourly, per performance or bi-weekly basis and shall be less than the rate paid to a regular employee.

(l) The Director of Personnel, with the assistance of appointing authorities concerned, may establish rates and conditions under which compensation may be granted for periods of time during which an employee is away from the job site but restricted in his/her activities because of an assignment by the appointing authority to be available for a call to return to the work site to perform emergency duties. Pay rates and conditions established under the provisions of this Section 2(l) may include reasonable minimum pay guarantees for employees required to return to the work site to perform emergency duties. The provisions of this Section 2(l) shall not be construed to restrict the right of an appointing authority to establish call back procedures for employees as an established condition of employment.

(m) The Director of Personnel may authorize payment of special recruitment bonuses, travel, moving and related expenses to recruit employees for positions when funds for this purpose are appropriated.

(n) The Director of Personnel may approve the payment of hiring incentives to current employees to recruit qualified personnel for positions that are difficult to fill. Hiring incentives shall be in any amount up to twenty-five percent (25 percent) of the annual salary of the position for which the recruitment is made.

1 **(o)** (1) An appointing authority, with the prior approval of the Director of Personnel, may
2 establish cash awards or other incentives for an employee or group of employees to recognize and
3 reward increased productivity or effectiveness. The incentives offered may include cash, paid time
4 off and such other reasonable incentives as the Director of Personnel may determine. Cash awards
5 shall be made from the personal services appropriation of the unit, the account from which the
6 employee's salary is paid or from a general appropriation for this purpose.

7 (2) The Director of Personnel, upon the request of the appropriate appointing authority,
8 may establish a program of cash awards or other incentives, not to exceed ten percent (10 percent)
9 of annual salary, paid as an addition to pay, for the purpose of providing additional compensation
10 for employees who are fluent in a foreign language and who use this skill in the necessary and
11 regular recurring performance of the duties of their position. Cash awards shall be made from the
12 personal services appropriation of the unit, the account from which the employee's salary is paid
13 or from a general appropriation for this purpose. Cash awards and incentives under this program
14 shall be made in accordance with guidelines established by the Director of Personnel.

15 (3) Notwithstanding any other provision in this ordinance, the Director of Personnel is
16 authorized to extend the maximum of the pay ranges by up to forty percent (40 percent) for the
17 purpose of compensating positions which are extremely hard to fill.

18 (4) The Director of Personnel may provide an Employee Suggestion Program which
19 grants cash and other awards to recognize employee suggestions which improve City services,
20 operations or facilities. Cash awards to employees for suggestions resulting in tangible savings to
21 the City shall not exceed ten percent (10 percent) of the annual tangible net savings. Cash awards

1 and payments for other awards shall be made from an appropriation for a suggestion program or
2 other appropriate account. Additionally, cash awards for suggestions shall be granted as an
3 addition to pay, which does not change an employee's bi-weekly rate. The Employee Suggestion
4 Program shall be administered in accordance with regulations established by the Director of
5 Personnel. The Director of Personnel may establish an authority to evaluate suggestions and
6 determine awards; the decisions of this authority shall be final.

7 **(p)** An employee who is appointed to a position requiring advanced technical skills or
8 professional qualifications may be paid at a higher rate than prescribed for the class in Section 2
9 of this ordinance on recommendation of the appointing authority with the prior approval of the
10 Director of Personnel. Such advancement shall be made solely on the basis that the employee
11 possesses exceptional academic qualifications, registrations or certifications related to the duties
12 of the position and when such academic qualifications, registrations, or certifications are not
13 deemed necessary qualifications for the class of position.

14 The Director of Personnel may also establish other bonus, incentive or reimbursement
15 programs to encourage current employees to attain registration, licensure, certification, or proof of
16 professional mastery when it is deemed to be in the best interest of the Classified Service, or when
17 such credentials are clearly recognized as adding to the capability of individuals in that area.
18 Incentives, bonuses, or reimbursements awarded under such programs do not result in an employee
19 being ruled ineligible for bonuses or salary increases permitted under other sections of this pay
20 ordinance.

1 **(q)** In Skilled Trades classes, defined as those that have bona fide apprenticeship programs
2 registered with the Department of Labor or documented attainment of equivalent apprenticeship
3 programs, employees who have completed such apprenticeship programs and attained journeyman
4 status shall be granted the special skills recruitment rate for the class if a special skills recruitment
5 rate exists for the class. Employees in classes in the Trades Pay Schedule who have completed
6 alternative training programs established and approved by the Director of Personnel, and attained
7 journeyman status shall also be eligible for a salary at the special skills recruitment rate if such a
8 rate exists for the class.

9 **(r)** An appointing authority may, with the prior approval of the Director of Personnel, establish
10 a program to reimburse, in whole or in part, expenses incurred by employees for the purchase of
11 uniform apparel required in the performance of the duties of their positions, when funds have been
12 budgeted therefore.

13 An appointing authority may exercise the option to furnish such uniform as may be
14 required in the employee's performance of his/her duties.

15 The Director of Personnel may establish regulations relating to employees' eligibility for
16 reimbursement for uniforms.

17 Further, when funds have been budgeted therefore, an appointing authority may authorize
18 reimbursement to uniformed security or correctional employees of up to fifty dollars (\$50) per
19 incident for damage to personal property sustained while the employee was directly engaged in
20 quelling a disturbance while performing assigned and/or authorized duties during a shift.
21 Employees whose pay is established under Section 2(d) of the ordinance may be reimbursed for

1 damages to personal property sustained while in the course and scope of employment in
2 accordance with Police Division policies.

3 **(s)** An appointing authority that requires employees to provide and maintain their own tools
4 shall provide a tool replacement program and/or annual maintenance allowance, with the prior
5 approval of the Director of Personnel.

6 **(t)** (1) Contingency assignment differential may be paid for certain assignments when
7 immediate position coverage is needed for any unexpected reason (*e.g.* death, forced leave,
8 emergency illness, etc.) in a higher pay grade, and shall be granted at the onset of the assignment,
9 not to extend more than one pay period. The Director of Personnel will determine the assignments
10 for which Contingency Assignment Differential will be paid. The assignment of an employee to
11 said assignment having a contingency assignment differential will be determined by the appointing
12 authority from an existing eligible list and will not constitute a promotion or advancement in pay.
13 In addition, the removal of an employee from said assignment shall not constitute a demotion or
14 reduction in pay. If an eligible list is not available, an appointing authority may submit to the
15 Director of Personnel the name of the employee being considered for the assignment to determine
16 if they meet the necessary minimum qualifications for the position being considered.

17 For an employee whose pay range is established in Section 2(a), 2(b), 2(c) or 2(d), with the
18 prior approval of the Director of Personnel, the contingency assignment differential will be ten
19 percent (10 percent) of the employee's regular base bi-weekly rate added as an addition to pay for
20 each bi-weekly period worked or one percent (1 percent) of the employee's regular base bi-weekly
21 rate for each shift assignment covered, not to exceed one (1) pay period.

(2) Temporary assignment differential will be paid for certain assignments when a vacancy exists for any reason (*e.g.* separations, terminal vacation, leave of absence, military leave, etc.) in a position with a higher pay grade, and shall be granted for at least one (1) pay period but not more than thirteen (13) pay periods, and offset by any days that the employee by reason of absence is not fulfilling the assignment. The Director of Personnel will determine the assignments for which the temporary assignment differential will be paid. The assignment or removal of an employee from said assignment having a temporary assignment differential will be determined by the appointing authority and will not constitute a promotion, demotion, advancement, or reduction in pay. The intended employee must meet the minimum qualifications for the position to be assigned. The temporary assignment differential shall be computed as an addition to pay and not affect the employee's regular bi-weekly rate.

For an employee whose pay range is established in Section 2(a), 2(b), 2(c) or 2(d), with the prior approval of the Director of Personnel, the temporary assignment differential will be ten percent (10 percent) of the employee's regular base bi-weekly rate added as an addition to pay for each bi-weekly period worked, not to exceed thirteen (13) pay periods. The Director of Personnel may require the establishment of a department policy on temporary assignment differential pay and must sign off on the policy prior to authorizing temporary assignment differential.

(u) City employees who are required by their appointing authority to routinely use their personal vehicle in the performance of their duties shall be compensated by receiving a vehicle maintenance and use allowance of two-hundred seventy dollars (\$270.00) per month. Eligible

1 employees who use their personal vehicle with reduced frequency shall be entitled to a vehicle
2 maintenance and use allowance which is reduced in proportion to the reduced frequency of use.

3 **SECTION 3.**

4 **EDUCATION REIMBURSEMENT**

5 An appointing authority may, with the prior approval of the Director of Personnel,
6 authorize salary payments, payments of tuition expenses, fees, books and related material in whole
7 or in part to employees to permit them to attend school, visit other governmental agencies or in
8 any approved manner to devote themselves to improvement of knowledge or skills required in the
9 performance of the duties of their position.

10 The Department of Personnel may reimburse, in whole or in part, expenses incurred by
11 employees in the pursuit of improvement of the knowledge and skills required in the performance
12 of their positions or in higher positions, when funds have been allocated in the Department's
13 budget.

14 An appointing authority, with the approval of the Director of Personnel, may establish a
15 program to reimburse, in whole or in part, expenses incurred by employees in the pursuit of
16 improvement of the knowledge and skills required in the performance of the duties of their
17 positions or to improve their professional, technical or managerial knowledge or skill.

18 **SECTION 4.**

19 **SALARY RANGE LIMITATIONS**

1 No employee in the Classified Service shall be paid at a rate lower than the minimum or
2 higher than the maximum of the salary range established for the class to which his/her position has
3 been allocated, except as otherwise provided in this ordinance.

4 **SECTION 5.**

5 **STARTING SALARY**

6 **(a)** The rate of pay for an excepted position to be paid upon original appointment to the class
7 shall be determined by the appointing authority for the excepted position.

8 **(b)** Except as otherwise provided in this ordinance, the minimum rate of pay for a position
9 shall be paid upon original appointment to the class unless the Director of Personnel finds that it
10 is difficult to secure the services of persons with minimum qualifications or experienced qualified
11 persons at the minimum rate.

12 The Director may establish a recruitment rate for a single position or all positions in a class
13 and authorize employment at an amount above the minimum but within the regular range of salary
14 established for the class. When a recruitment rate is established for an entire class, employees
15 already in such class may have their salaries adjusted to appropriate rates in the new range resulting
16 from the establishment of the recruitment rate.

17 **(c)** Employees with permanent status who are eligible for reemployment as determined by the
18 rules of the Department of Personnel shall be reemployed at an appropriate rate within the [new]
19 salary range which takes into consideration the employee's prior service in the position, as
20 determined by the Director of Personnel.

21 **SECTION 6.**

1 **PROMOTION, DEMOTION, REALLOCATION,**
2 **TRANSFER AND TEMPORARY PROMOTION**

3 An employee who is transferred, promoted, demoted, or whose position is reallocated after
4 the effective date of this ordinance, shall have his/her rate of pay for the new position determined
5 as follows:

6 **(a)** Promotion: This shall be defined as a change of an employee in the Classified Service
7 from a position of one class to a position of another class with a higher pay grade or a higher
8 starting minimum salary.

9 (1) When an employee is promoted to a position in the General, Management or Trades
10 Pay Schedule, the employee's current bi-weekly rate of pay shall be set at a rate which is five
11 percent (5 percent) higher than the rate received immediately prior to the promotion or adjusted to
12 the nearest step in the new pay matrix which is not less than but is closest to a rate which is five
13 percent (5 percent) higher than the rate received immediately prior to promotion. An appointing
14 authority, with the prior approval of the Director of Personnel, may increase the pay of an
15 employee up to twenty percent (20 percent), adjusted to the nearest step, when such action is
16 needed to attract experienced, qualified candidates for a position. Such salary determinations shall
17 take into consideration the nature and magnitude of the accretion of duties and responsibilities
18 resulting from the promotion. However, no employee shall be paid less than the minimum rate
19 nor more than the maximum rate for the new class of position, except as otherwise provided in this
20 ordinance.

1 (2) Temporary Promotion: When an employee, whose salary range is established in
2 Section 2(a) or 2(b), is certified and temporarily promoted to a vacant position, for a limited
3 duration, the employee's current salary shall be adjusted as provided in Paragraph (a)(1) of this
4 Section. Upon expiration of the temporary promotion, the employee shall be returned to his/her
5 former rate of pay, adjusted by any increases the employee would have received in the absence of
6 the temporary promotion. In no case shall the employee's salary be above the maximum of the
7 salary range, unless otherwise provided for in this ordinance.

8 Employees whose salary ranges are established in Section 2(c) or 2(d) of this ordinance,
9 upon receipt of a temporary promotion, shall be granted the new rank with a salary adjustment
10 based on appropriate years of service in accordance with procedures established for a regular
11 promotion. At the end of the temporary promotion, the employee shall be returned to the rank held
12 immediately prior to the temporary promotion. The employee's rate of pay shall be based on the
13 appropriate years of service.

14 **(b)** Demotion: This shall be defined as a change of an employee in the Classified Service from
15 a position of one class to a position of another class which has a lower pay grade and a lower
16 starting minimum salary.

17 (1) If an employee is demoted for disciplinary reasons in accordance with the rules of
18 the Department of Personnel and Civil Service Commission and established disciplinary
19 procedures, his/her rate of pay shall be established at a rate within the range for the new position
20 which is at least five percent (5 percent) lower than the rate received immediately prior to the
21 demotion or reduced to the nearest step which is at least five percent (5 percent) lower than the

1 rate received immediately prior to the demotion, except no employee shall be reduced below the
2 minimum of the range unless otherwise provided for in this ordinance. The amount of the
3 reduction shall be determined by the appointing authority, with the approval of the Director of
4 Personnel.

5 (2) If an employee accepts a voluntary demotion, his/her current rate of pay shall be
6 reduced within the range for the new position which is five percent (5 percent) lower, to the closest
7 downward step, than the rate received immediately prior to demotion, except that employees who
8 are in a working test period and demote to their previous class of position or pay grade, will return
9 to the rate or step received immediately prior to the promotion, plus any adjustments as otherwise
10 provided in this ordinance. No employee shall be paid less than the minimum nor more than the
11 maximum rate for the new class of position, except as otherwise provided in this ordinance.

12 (3) When an employee is demoted for reasons in the best interest of the City Service
13 as determined by the Director of Personnel, his/her salary may be reduced by reason of the new
14 salary range and grade with the prior approval of the Director of Personnel. If the salary of such
15 employee is above the maximum for the new position, the employee's salary shall not be increased
16 so long as he/she remains in the position, except as otherwise provided by this ordinance.

17 **(c) Reallocation:**

18 (1) If the employee's position is reallocated to a class in a lower pay grade and the
19 employee's rate of pay for the previous position is within the salary range of the new position,
20 his/her salary shall remain unchanged or adjusted to the closest step provided the employee's rate
21 of pay shall not be reduced.

(2) The salary of an employee whose position is allocated to a class in a higher pay grade shall be determined in accordance with the provisions of this Section 6(a)(1) relating to salary advancement on promotion.

(d) Transfer: The salary rate of an employee who transfers to a different position in the same class, or from a position in one class to a position in another class in the same pay grade, shall remain unchanged, provided that no employee shall be paid less than the minimum rate nor more than the maximum rate for the new class of position, except as otherwise provided in this ordinance.

(e) Over Maximum: The salary of an employee, which is in excess of the maximum of the range prescribed by this ordinance for the class and grade to which his/her position has been allocated or may be reallocated, shall not be reduced by reason of the new salary range and grade. The salary of such employee shall not be increased so long as he/she remains in the class of position, except as otherwise provided by this ordinance.

SECTION 7.

SALARY ADJUSTMENT

Salary adjustments for all employees in competitive positions shall be based on considerations of merit, equity, or success in fulfilling predetermined goals and objectives as herein provided.

(a) Competitive positions for which salary is established in Section 2(a) - General and Management Schedule; or Section 2(b) - Trades Schedule:

1 (1) All full-time bi-weekly paid employees employed on July 03, 2022 whose salary is
2 established in Section 2(a), 2(b), 2(c), or 2 (d) – General, Management, Trades, Fire and Police
3 Pay Schedules, shall receive a one-time, lump sum payment of \$2,000 effective with the pay period
4 beginning July 03, 2022.

5 (2) Any employee whose salary is established in Section 2(a) or 2(b) – General,
6 Management, and Trades Pay Schedules, shall receive a service rating in accordance with the
7 Service Rating Manual. The rating together with the standards of performance established in the
8 rating manual shall determine eligibility for a one step within-range (merit) increase at intervals as
9 outlined in the Service Rating Manual or other pay regulation(s) as determined by the Director of
10 Personnel. Notwithstanding any other section of the compensation ordinance, all employees in
11 the General, Management, and Trades pay schedules who would be eligible to receive an annual
12 step increase as a result of a "Successful" or "Highly Successful" Overall Rating on their regular
13 Service Rating date will receive a 1.5 percent increase regardless of their current rate or place in
14 the pay schedule.

15 (3) A non-exempt (Overtime Code 3 or 4) employee whose pay is established in
16 Section 2(a) or 2(b) of this ordinance who receives an Overall Rating of "Unsuccessful" as defined
17 by the Service Rating Manual, shall have his/her salary reduced as determined by the standards
18 established in the Service Rating Manual, but not less than the minimum of the pay grade range.

19 **(b)** As used in this ordinance, "anniversary date" means the date following fifty-two (52) weeks
20 of continuous service from the date of original appointment or from the date of the last salary
21 adjustment, if other than a temporary reduction in pay for disciplinary reasons, a demotion (not for

disciplinary reasons) or an across-the-board ordinance increase, an increase resulting from an authorized incentive program, reallocation or an upgrade of the classification concurrent with adoption of the ordinance. Absence from service as a result of any authorized paid leave, suspensions, military leave, or family/medical leave will not interrupt continuous service. Absence from service for any other cause shall result in breaking continuity of service and establishment of a new anniversary date, except as otherwise provided in this ordinance. The Director of Personnel may authorize different anniversary dates for an employee or groups of employees.

(c) An appointing authority may evaluate the performance of an employee whose salary is established in Section 2(a) or 2(b) of this ordinance for the purpose of a salary adjustment only at intervals as described above except in the case of:

(1) Exceptional performance of duties:

With the prior approval of the Director of Personnel, the appointing authority in accordance with the Service Rating Manual, may advance the salary of an employee who demonstrates exceptional performance of duties after serving twenty-six (26) weeks of employment at the same rate in the salary range by not more than ten percent (10 percent) or to the closest step in the pay range which provides not more than a ten percent (10 percent) increase; this may be in addition to any merit increase received.

(2) Substandard performance of duties:

An appointing authority may reduce the salary of an employee whose level of performance is significantly diminished and no longer warrants payment at the current rate within the range as provided in the Service Rating Manual; providing the employee's salary is above the minimum of

the range, established in Section 2(a) or 2(b) and allocated to Overtime Code 3 or Overtime Code 4.

The granting of any such increase or decrease in salary shall be made at the beginning of a payroll period, as determined by the Director of Personnel, following approval of such salary action.

(d) Competitive positions for which salary is established in Section 2(c) - Fire Division Schedule:

All employees in the Fire Division Pay Schedule shall have a service rating completed in accordance with the Service Rating Manual.

Probationary Fire Privates shall be advanced to the rate for Fire Privates at the beginning of the first bi-weekly pay period following one (1) year of service. Probationary Fire Equipment Dispatchers shall follow the same schedule.

(e) Competitive positions for which salary is established in Section 2(d) – Police Division Schedule:

All employees in the Police Division Pay Schedule shall have a service rating completed in accordance with the Service Rating Manual.

Police Probationary Officers who successfully complete their working test period shall be advanced to the rate for Police Officer at the beginning of the first bi-weekly pay period during which such officer's one (1) year anniversary as a Probationary Police Officer occurs, excluding his/her initial time in training at the Police Academy.

1 **(f)** Excepted Positions: The pay of an employee in an excepted position shall be adjusted to
2 any rate within the pay range at the discretion of the appointing authority for the excepted position.

3 **(g)** The Director of Personnel may approve, at the request of an appointing authority,
4 adjustments to correct or mitigate serious and demonstrable internal pay inequities. Salary
5 adjustments under this provision shall preclude adjustments to compensate or reward employees
6 for long-term or meritorious service.

7 **(h)** The pay of any employee may be decreased as a disciplinary action by an appointing
8 authority to a lower rate. Any such decrease shall be made in accordance with the established
9 disciplinary procedures. The decrease shall not be greater than fifteen percent (15 percent) of the
10 current salary rate. The decrease may be below the minimum of the pay range for the class. The
11 appointing authority may determine the pay decrease shall be effective for a specific number of
12 bi-weekly pay periods provided, however, that such decrease shall not be effective for more than
13 thirteen (13) bi-weekly pay periods.

14 **(i)** An employee who is temporarily promoted shall be eligible for within range salary
15 adjustments under provisions of this Section 7.

16 **(j)** The Director of Personnel may approve a within range salary adjustment or other incentives
17 to retain employees in positions that are difficult to fill, or because of their unique requirements.
18 Said adjustment may only be granted once during a twenty-six (26) week period.

19 **SECTION 8.**

20 **INCOME SOURCES**

1 Any salary paid to an employee in the Classified Service shall represent the total
2 remuneration for the employee, excepting reimbursements for official travel and other payments
3 specifically authorized by ordinance or pay regulation promulgated by the Director of Personnel.
4 No employee shall receive remuneration from the City in addition to the salary authorized in this
5 ordinance for services rendered by the employee in the discharge of the employee's ordinary duties,
6 of additional duties which may be imposed upon the employee, or of duties which the employee
7 may undertake or volunteer to perform.

8 Whenever an employee not on an approved paid leave works for a period less than the
9 regularly established number of hours a day, days a week or days bi-weekly, the amount paid shall
10 be proportionate to the hours in the employee's normal work week and the bi-weekly rate for the
11 employee's position. The payment of a separate salary for actual hours worked from two (2) or
12 more departments, divisions or other units of the City for duties performed for each of such
13 agencies is permissible if the total salary received from these agencies is not in excess of the
14 maximum rate of pay for the class.

15 SECTION 9.

16 CONVERSION

17 (a) Pay schedules in Sections 2(a) or 2(b) in **Ordinance Number 71099** shall continue in
18 effect until the start of the bi-weekly pay period of the effective date of this ordinance, and the
19 rates to be paid to employees in positions of any classes for which a rate is established or changed
20 in Section 2(a) or 2(b) of this ordinance shall become effective and be adjusted (if necessary) as
21 follows:

1 The salary of each employee whose pay range is established in Section 2(a) or 2(b) of this
2 ordinance whose class has been allocated to a higher pay grade in the appropriate pay schedule as
3 determined by the Director of Personnel shall have their current salary increased to a rate, rounded
4 to the nearest whole dollar, which is not less than but is closest to a rate which is five percent (5
5 percent) higher than the rate received immediately prior to promotion, but not less than the
6 minimum of the pay range, whichever is the greater. If an employee's salary is between steps, the
7 employee's salary shall be placed at the higher step.

8 **(b)** No employee shall be reduced in salary by reason of the adoption of the new pay schedules
9 in this ordinance.

10 **(c)** The salary of an employee serving in a trainee position, which remains above the new
11 trainee rate for his/her position, shall remain unchanged.

12 **(d)** The Director of Personnel may establish a special conversion procedure for a class or
13 position in the event that the Director determines that a serious inequity would be created by the
14 application of the conversion procedures established in this Section 9.

15 **(e)** All full-time employees whose salary is established in Section 2(a), 2(b), 2(c), or 2(d) –
16 General and Management, Trades, Fire and Police Pay Schedules whose bi-weekly rate is above
17 step 30 (or 30 years of service in the Fire and Police schedules) shall have their bi-weekly rate
18 increased by three percent (3 percent) effective beginning with the start of the bi-weekly pay period
19 following the effective date of this ordinance.

20 **(f)** The Director of Personnel shall establish such procedures as needed to place this ordinance
21 into effect and interpret its provisions.

SECTION 10.

PAYMENT OF SALARIES

All compensation for positions in the Classified Service shall be paid bi-weekly. The Director of Personnel and Comptroller shall establish the procedure for listing employees on the various payrolls. The payment due each employee for service, except as otherwise provided, shall be made not later than sixteen (16) days after the end of the bi-weekly pay period. In the event that an employee is dismissed or has been employed for occasional or emergency work, the Comptroller may immediately pay the employee upon termination of service without waiting for the regular bi-weekly pay date of the Department, Division, Section, Office, Agency, Board or Commission where the employee worked.

SECTION 11.

CHANGES TO CLASSIFICATION PLAN

Whenever the Department of Personnel finds it necessary to add a new class to the classification plan, the Director of Personnel shall allocate the class to an appropriate grade and schedule in this ordinance, recommend such change to the Civil Service Commission, and notify the Board of Aldermen of this action.

Whenever the Department of Personnel finds it necessary to change the overtime code of an existing class within the classification plan, the Director of Personnel shall change the overtime code, recommend such change to the Civil Service Commission, and notify the Board of Aldermen of this action.

1 Whenever the Department of Personnel finds it necessary to change the pay schedule of an
2 existing class within the classification plan, the Director of Personnel shall allocate the class to the
3 appropriate schedule in this ordinance, recommend such change to the Civil Service Commission,
4 and notify the Board of Aldermen of this action.

5 The pay grade allocated to a class of position within the classification plan shall remain
6 unchanged for the duration of the existing compensation ordinance. Whenever the Department of
7 Personnel considers it necessary to change the pay grade of an established class of position, such
8 adjustment can only be made concurrent with the adoption of a new compensation ordinance.
9 Recommendation for the allocation of a new pay grade shall be made by the Director of Personnel
10 to the Civil Service Commission for final approval by the Board of Aldermen.

11 SECTION 12.

12 PAYROLL FORMS

13 The Director of Personnel shall prescribe forms on which appointing authorities shall
14 certify to the fact that a vacancy exists in a lawfully created position and to the lawful appointment
15 of a person to fill the position. The Director of Personnel shall indicate on these forms the proper
16 allocation of the position and the rate at which payment is to be made. When approved by the
17 Director of Personnel and submitted to the Comptroller, these forms shall constitute authorization
18 for the initial placing of a person's name on the payroll. The Comptroller shall not authorize any
19 change in the rate of pay of an individual on the payroll unless approved by the Department of
20 Personnel. The Comptroller shall provide the Department of Personnel with a copy of each payroll

1 audited and found correct within twenty-one (21) days after audit and approval of the payroll by
2 the Comptroller's Office.

3 **SECTION 13.**

4 **CERTIFICATION OF PAYROLL**

5 The appointing authority shall certify on each payroll or a subsidiary document that each
6 person whose name appears on the payroll has been lawfully appointed at a salary provided by this
7 ordinance and that the employee has actually worked the time for which he/she will be paid, subject
8 to the provisions of this ordinance governing hours of work and leaves of absence in the Classified
9 Service.

10 **SECTION 14.**

11 **MINIMUM WORK HOURS**

12 Each appointing authority shall establish procedures to assure that the employees under
13 his/her supervision are actively engaged in the performance of the duties of their positions in
14 accordance with the provisions of this section.

15 Each appointing authority shall submit to the Department of Personnel the work schedule
16 established for each position in the work unit. Work schedule reports shall be submitted upon
17 request of the Director of Personnel or whenever the appointing authority proposes to change the
18 permanent work schedule of a position. The work schedule submitted by the appointing authority
19 shall constitute the normal work schedule for the position when approved by the Director of
20 Personnel.

1 All employees in the Classified Service shall be in attendance at their work in accordance
2 with schedules established under the provisions of this Section 14, subject to other provisions of
3 this ordinance with respect to hours, holidays, vacation leave, medical leave, furloughs, sick leave,
4 military leave, and leaves of absence with or without pay.

5 **(a)** Employees whose salaries are established in Section 2(a) or 2(b): Forty (40) hours shall
6 constitute the average minimum required weekly hours of service in an employment cycle under
7 regular full-time employment for all City employees paid on a bi-weekly basis occupying
8 competitive positions in the Classified Service. The minimum daily and annual service required
9 of such employees shall be in proportion to the average minimum weekly hours established.

10 Appointing authorities shall so arrange the time for reporting for work, for luncheon
11 intermission, and for quitting work of the various employees under their jurisdiction so that the
12 employees will actually be engaged in active performance of their duties for not less than the
13 average minimum number of hours required.

14 **(b)** Management Employees: Appointing authorities for employees occupying full-time
15 positions whose salaries are established in Section 2(a) of this ordinance shall initiate procedures
16 to see that such employees are engaged in the performance of their duties on a full-time basis.
17 Full-time employment for any employee whose classification is denoted in the Management
18 Schedule shall be defined as an average of forty (40) hours per week of time devoted to the duties
19 of the position on an annual basis.

20 **(c)** Uniformed Fire Personnel: Fifty-two (52) hours shall constitute the average required
21 weekly hours of service in an employment cycle under regular full-time employment for all

employees in the Division of Fire and Fire Prevention, except that the appointing authority, with the approval of the Director of Personnel, may determine that the minimum work hours provision of Section 14(a) shall apply to employees in certain positions due to the nature of the assignment and/or scheduling requirements. The appointing authority shall so arrange the time for reporting for work and for quitting work of the various employees under the appointing authority's jurisdiction so that the employees will actually be engaged in the active performance of their duties for not less than the average number of hours required.

(d) The work period for employees whose pay is established in Section 2(d) of this ordinance is twenty-eight (28) days. The daily work period for an employee in the position of Police Probationary Officer and Police Officer is eight (8) hours which includes a thirty (30) minute meal period. The meal period is counted as working time; however, an officer unable to take a meal break will not receive additional compensation. The daily work period for an employee in the position of Police Officer Trainee is eight (8) hours. Additionally, Police Officer Trainees shall receive a thirty (30) minute unpaid meal period that shall not be counted as part of their daily work period or work day.

SECTION 15.

OVERTIME

(a) The Department of Personnel shall determine those positions in the Classified Service of the City of St. Louis which are exempt from overtime compensation and those positions which are not exempt from overtime compensation. The overtime codes established for each class in Section 1(a) of this ordinance shall be interpreted as follows:

OVERTIME CODE (OVTM):

1 1 These classes are primarily managerial in nature, but may also include some
2
3 professional or administrative classes that are ineligible for overtime pay
4 under all but emergency conditions as described in Section 15(d) of this
5 ordinance.

6 2 These are supervisory, professional, and administrative classes that are
7 exempt from overtime compensation, but which the City compensates for
8 overtime at the straight (1.0x) time rate.

9 3 These are non-exempt classes that receive overtime compensation at the one
10 and one-half (1.5x) time rate.

11 4 These non-exempt classes work an average bi-weekly work schedule of 84
12 hours and, therefore, receive overtime compensation at the one and one-half
13 (1.5x) time rate.

14 Appointing authorities are prohibited from changing employee work schedules to avoid the
15 payment of overtime.

16 For purposes of determining overtime pay rates for non-exempt employees, the regular
17 hourly rate of pay shall be used.

18 Any employee in a class which has been allocated to Overtime Code 4 (non-exempt) in
19 Section 1(a) of this ordinance shall be compensated for overtime by granting the employee pay or
20 compensatory time off at the one and one half (1.5x) time rate. Each appointing authority shall
21 designate and submit to the Director of Personnel the official work week or work cycle for all non-

1 exempt (Code 4) positions in the work unit. Whenever a non-exempt (Code 4) employee works
2 in excess of forty (40) hours in a work week, the employee will be paid at the one and one half
3 time (1.5x) rate. The average number of scheduled hours in a bi-weekly pay period shall not be
4 less than eighty-four (84) for full-time employment. The regular hourly rate of pay for a non-
5 exempt (Code 4) bi-weekly paid employee shall be determined by dividing the employee's regular
6 bi-weekly rate of pay by the average number of regularly scheduled hours of work in a bi-weekly
7 pay period. In addition to the actual hours worked, only paid vacation, compensatory time, jury
8 leave, and holidays shall count as hours worked for the purpose of determining eligibility for
9 overtime compensation.

10 Any employee in a class which has been allocated to Overtime Code 3 (non-exempt) in
11 this ordinance shall be compensated for overtime work in accordance with the provisions of this
12 section. Each appointing authority shall designate and submit to the Director of Personnel the
13 official work week and schedule or work cycle for all non-exempt positions in the work unit. The
14 average number of scheduled hours in a bi-weekly pay period shall not be less than eighty (80) for
15 full-time employment.

16 Whenever an Overtime Code 3 employee whose pay matrix is in Section 2(a) or 2(b), works
17 hours in excess of the maximum established for an official work week or work cycle, usually forty
18 (40) hours in a work week such hours shall be paid at the one and-one-half time (1.5x) rate. In
19 addition to the actual hours worked, only paid vacation, compensatory time, jury leave, and
20 holidays shall count as hours worked for the purpose of determining eligibility for overtime
21 compensation.

Overtime Code 3 employees whose pay matrix is in Section 2(c) of this ordinance who are working a nineteen (19) day work cycle are eligible to receive overtime after one hundred forty-four (144) hours are worked in a work cycle, except that the Fire Division shall pay overtime for emergency work at the end of a shift or emergency work required on a separate, non-scheduled day, even if the total number of hours worked in the work cycle is not in excess of one hundred forty-four (144) hours. These employees shall not receive additional compensation for regularly scheduled hours in excess of one hundred forty-four (144) hours if they do not actually work more than one hundred forty-four (144) hours in the work cycle; provided however, that in addition to the actual hours worked, jury leave, vacation leave, compensatory time and "O" days shall count as hours worked for the purpose of determining eligibility for overtime compensation. Days scheduled off to reduce average work week to fifty-two (52) hours, compensatory time, vacation, "O" days, and holiday time shall be scheduled consistent with a reasonable vacation and holiday leave policy to avoid the necessity of actually working more than one hundred forty-four (144) hours during any work cycle.

Police Officer Trainees, Police Probationary Officers and Police Officers shall be paid overtime, defined as one and one-half time (1.5x) the employee's regular standard rate of pay, for all hours worked in excess of their eight (8) hour work day or any hours worked on a scheduled day off. Only hours actually worked shall count toward overtime pay.

Police Sergeants – whose salary is established in Section 2(d) of this ordinance shall be paid overtime, as defined as one and one-half time (1.5x) the employee's regular standard rate of pay, for all hours actually worked in excess of one hundred sixty (160) hours in a twenty-eight

1 (28) day work period. In addition to hours physically worked, holidays, discretionary holidays,
2 and sick-injured time shall count toward the 160-hour threshold during the 28-day period that must
3 be met to earn overtime. These employees shall receive additional compensation for authorized
4 overtime, court time, and court standby time whenever the total accumulated time exceeds forty
5 (40) hours.

6 **(b)** Any employee in a class which has been allocated to Overtime Code 2 in Section 1(a) of
7 this ordinance shall be compensated for overtime by granting the employee pay or compensatory
8 time off at the straight (1.0x) time rate. Each appointing authority shall designate and submit to
9 the Director of Personnel the official work week or work cycle, which is usually forty (40) hours,
10 for all exempt (Code 2) positions in the work unit. Whenever a full-time employee in an exempt
11 (Code 2) position is directed by management, with the approval of the appointing authority, to
12 work hours in excess of the maximum established for an official work week or work cycle it shall
13 be considered overtime. In addition to the actual hours worked, only paid vacation time,
14 compensatory time, jury leave, and holidays shall count as hours worked for the purpose of
15 determining eligibility for overtime compensation. Straight time (1.0x) overtime shall be
16 compensated at the employee's regular hourly rate of pay, or by granting the eligible employee
17 compensatory time off at the rate of one (1) hour for each hour of overtime worked. The average
18 number of scheduled hours in a bi-weekly pay period shall not be less than eighty (80) for full-
19 time employment. The regular hourly rate of pay for an exempt (Code 2) bi-weekly paid employee
20 shall be determined by dividing the employee's regular bi-weekly rate of pay by the average
21 number of regularly scheduled hours of work in a bi-weekly pay period.

1 (c) Part-time bi-weekly paid employees and employees paid on an hourly or per performance
2 basis shall be compensated for overtime work in accordance with the overtime provisions of this
3 section and with consideration for community practices in compensating similar employment.

4 (d) An appointing authority may compensate Overtime Code 1 employees at the straight-time
5 (1.0x) rate, when both of the following conditions exist: 1) the Mayor of the City of St. Louis
6 declares an emergency due to serious and protracted conditions which threaten continuous City
7 Service, preservation of public peace, health, or safety, and 2) the appointing authority directs an
8 employee or group of employees to work in excess of forty (40) hours per week. The appointing
9 authority shall maintain attendance records of the assignment(s) and submit such records at the
10 request of the Director of Personnel.

11 (e) Employees who wish to use compensatory time earned in lieu of pay must make their
12 request in writing at least twenty-four (24) hours in advance of the day or days requested. The
13 appointing authority shall keep in mind the staffing needs of the department when granting time
14 off, but in any case time off will not be unreasonably denied.

15 Pay shall be the regular method of compensation for recorded overtime hours of work for
16 employees in classes with Overtime Code 3 and Overtime Code 4. However, an appointing
17 authority shall compensate a non-exempt bi-weekly paid employee for overtime work by granting
18 the employee compensatory time off in lieu of pay only if the employee requests compensatory
19 time, in writing.

20 Employees engaged in public safety, emergency response or seasonal activity as defined
21 by the Director of Personnel may have a maximum balance of two hundred forty (240) hours of

1 compensatory time; except that Police Officer Trainees, Police Probationary Officers, Police
2 Officers, and Police Sergeants shall only be allowed to accumulate up to forty (40) hours of
3 compensatory time. All other employees are allowed a maximum balance of one hundred twenty
4 (120) hours of compensatory time excluding compensatory time earned for working on a holiday.
5 These maximum balances of compensatory time shall apply to employees working an average
6 work week of forty (40) hours; the maximum balance of compensatory time for employees whose
7 average work week is more or less than forty (40) hours shall be proportionate. No provision of
8 this section establishing a maximum balance of compensatory time shall serve to cancel any
9 compensatory time due to an employee or to deny an employee payment for recorded
10 compensatory time earned in accordance with the provisions of the compensation ordinance in
11 effect at the time the compensatory time was earned.

12 Each appointing authority shall establish procedures to assure that non-exempt employees
13 are promptly granted time off when such employees request to use their earned compensatory time.
14 Appointing authorities may not deny non-exempt employees' requests for earned compensatory
15 time off except when such approval would create an extreme business hardship. For employees
16 occupying the position of Police Officer Trainee, Probationary Police Officer, and Police Officer
17 compensatory time may be used at such times and in such blocks as are mutually agreed upon
18 between the supervisor and the employee and it shall not be unreasonably denied by the supervisor
19 if operating requirements will not be adversely effected. When an appointing authority determines
20 that the work schedule of the organization will not permit the granting of such time off, the
21 appointing authority shall pay the employee in that same pay period for all or a portion equivalent

1 to the time requested of the employee's accrued compensatory time. This provision requiring the
2 prompt granting of requested time off applies only to compensatory time that is earned as a result
3 of the employee working overtime; it does not apply to compensatory time earned as a result of an
4 incentive program or bonus award program.

5 Compensatory time earned by exempt employees shall be granted at the discretion of the
6 appointing authority and upon request of the employee.

7 **(f)** Before an employee is transferred, promoted or demoted from a position under one
8 appointing authority to a position under another appointing authority or to another unit with a
9 different appropriation, all compensatory time shall be granted or paid. Upon termination all
10 compensatory time shall be paid. Upon the death of an employee, the person or persons entitled
11 by law to receive any compensation due to the employee shall be paid any amount due to the
12 employee on the date of death.

13 **(g)** All departments shall keep daily attendance records of classified employees and shall
14 submit periodic reports of: 1) unexcused absences and leaves; 2) overtime earned, granted, and
15 paid; or 3) the non-occurrence of same to the Director of Personnel in the form and on the dates
16 specified.

17 **SECTION 16.**

(d) Each appointing authority shall determine the manner of granting holidays and shall report his/her determination to the Department of Personnel, if required by the Director of Personnel. When full-time employees, whose pay is established in Section 2(a) or 2(b) of this compensation ordinance, excluding employees of the Police Division, are required to work on a holiday they shall be entitled to compensation for the holiday and the hours actually worked. 2 hours of personal day leave.

3 If an employee is docked from the payroll for one hour or more on the full scheduled

5 holiday, the employee shall not be compensated for the holiday.

6 The holiday compensation procedures established by this Section 16 shall apply to full-

15 provisions under Federal law or for employees with official work schedules authorized by the

18 manner who work substantially equivalent work schedules.

19 Employees whose pay is established in Section 2(c) of this ordinance and are Overtime
20 Code 3 shall be entitled to one hundred twenty-eight (128) hours of compensatory time off in lieu

3 Because of the necessity of maintaining the work schedule of such employees, the Director of
4 Personnel, in cooperation with appointing authorities concerned, shall establish procedures for

<u>Cumulative Service</u>	<u>Accrual Rates</u>	<u>Equivalent</u>

30 or more years	9.24	240.24

(1) For employees whose pay is established in Section 2(d), forty (40) hours of vacation leave may be taken in one (1) hour increments.

(2) Vacation time is accrued on a bi-weekly basis. No employee will be entitled to or allowed to take any vacation until ninety (90) days of continuous employment from the date of employment.

(g) All references in this ordinance, except as otherwise noted, to accrual rates, additions to, and accrual maximums for vacation are for employees working a scheduled work week of forty (40) hours. Vacation rates, additions and maximums shall be computed on a proportionate basis for employees whose average work week is more or less than forty (40) hours. When an eligible employee's scheduled work week is changed, the employee's rate of accrual shall be changed proportionately. All references in this ordinance to cumulative service for vacation shall mean cumulative service without a break in service of more than one year, except as provided otherwise

1 in this ordinance. No employee who works less than fifty percent (50 percent) time or who is
2 serving in a limited-term position shall be eligible to accrue vacation.

3 **(h)** (1) The maximum vacation balance for those working an average work week of forty
4 (40) hours shall be six hundred (600) hours, except by written request of an appointing authority
5 and with prior approval of the Director of Personnel. Vacation accrual maximums for those
6 working more or less than forty (40) hours per week, but at least fifty percent (50 percent) time
7 shall be proportionate to the number of hours worked in a bi-weekly pay period.

8 (2) When an employee's full-time average work week is changed, the maximum
9 vacation balance shall be changed proportionately. In addition, the employee shall have his/her
10 current vacation balance adjusted so that the vacation shall maintain the same position relative to
11 the new maximum balance as existed with the employee's previous maximum balance.

12 (3) Accrual of vacation shall cease when an employee accumulates the maximum
13 vacation balance established for the assigned work schedule and shall not resume until the vacation
14 balance is less than the maximum amount.

15 **(i)** Accrual of vacation shall begin and be credited upon the first bi-weekly pay period and
16 each pay period thereafter, but employees must complete the entire pay period to accrue the
17 vacation leave at the end of said pay period:

18 (1) of appointment;

19 (2) of return to duty from leave of absence;

20 (3) of restoration to employment of one-half (50 percent) time or more.

Vacation leave shall be granted in whole hour units. On termination of service, any fractional hour shall be made whole. The accrual of vacation leave shall cease at the employee's last day at work.

(j) Appointing authorities shall be responsible for establishing all vacation leave schedules but may not discipline employees by imposing unusual vacation schedules. Vacation shall be granted to the employee as provided by this ordinance in one of the following ways:

(1) When the employee requests vacation leave in accordance with departmental policies;

(2) When directed to take paid time off by the appointing authority;

(3) When an employee is terminated or resigns from the Classified Service;

(4) When an employee whose salary is established in Sections 2(a), 2(b), 2(c) or 2(d) reaches the established maximum accrual and would cease accruing vacation and notifies the appointing authority in writing of his/her intention to schedule vacation. Such notice shall be at least seven (7) days prior to the first work day the employee intends to take off. If the appointing authority fails to establish a different vacation schedule, the employee may take the paid leave, which was proposed in writing.

(5) With the approval of the appointing authority, an employee may request and receive payment from the appointing authority for forty (40) hours of vacation accrual in lieu of scheduling paid leave provided that the full vacation allowance for that year is not exceeded. This may be done a maximum of once in each calendar year. Management employees may request payment from the appointing authority for up to an additional forty (40) hours of their vacation accrual

1 balances in lieu of scheduling paid leave if their schedules do not permit them to be absent from
2 work. Employees whose pay is established in Section 2(c) of this ordinance may request payment
3 for up to ninety-six (96) hours of vacation. These requests are subject to the prior approval of the
4 Director of Personnel.

5 **(k)** During the first twelve (12) months of employment, unless stated otherwise in this
6 ordinance, accrued vacation may be granted to an employee provided that the employee has
7 completed six (6) months of continuous service. When employment is terminated before
8 completing twelve (12) months of continuous service, any previously granted vacation leave shall
9 be deducted from the employee's final pay. When the service of an employee is terminated after
10 twelve (12) months of continuous service, any accumulated vacation that is due the employee shall
11 be paid.

12 **(l)** Employees who separate from the Classified Service, who are certified from a
13 reemployment list, and who return to the Classified Service within twenty-four (24) months of the
14 separation, will be given credit for prior continuous service in determining the vacation accrual
15 rate in accordance with Section 17(a), 17(b), 17(d), 17(e) or 17(f) of this ordinance and based on
16 the date of the employee's original appointment.

17 **(m)** Employees who move to the Classified Service from the Unclassified Service shall be
18 given credit for the years of service in the Unclassified Service in determining the vacation accrual
19 rate in accordance with Section 17(a) or 17(b) of this ordinance and based on the date of the
20 employee's original appointment.

1 **(n)** Employees who return to work from a "reemployment from layoff" eligible list shall be
2 eligible to use vacation as soon as it is accrued, unless stated otherwise in this ordinance, provided
3 the employee has completed six (6) months of continuous service prior to the layoff and with
4 approval of the appointing authority. An employee who has completed less than six (6) months of
5 continuous service will be required to complete the remaining portion of the six (6) months period
6 before being eligible to use vacation.

7 Any such reemployed worker shall be given credit for prior continuous service in
8 determining the employee's vacation accrual rate in accordance with the schedule established in
9 Section 17(a), 17(b), 17(d), 17(e) or 17(f) of this ordinance and based on the employee's original
10 appointment. A Commissioned Officer who retires and is rehired as a civilian employee will be
11 considered a new employee for vacation purposes.

12 **(o)** Appointing authorities shall be responsible for the management of their vacation schedules
13 so as to most effectively administer their organizations and fulfill the desire of employees in the
14 establishment of leave schedules.

15 **(p)** Accrued vacation shall be carried with an employee when transferred, promoted, or
16 demoted from a position under one appointing authority to a position under another appointing
17 authority without a break in service or change in method of pay. Upon the death of an employee,
18 the person or persons entitled by law to receive any compensation due the employee shall be paid
19 the amount due the employee for accrued vacation.

20 **(q)** With the approval of the appointing authority, a retiring employee may be paid on the
21 payroll for accrued vacation in the month prior to retirement without inclusion in the employee's

3 made on the employee's last regular paycheck.

4 **(r)** Employees occupying excepted positions in the Classified Service shall be granted
5 vacation at the discretion of their appointing authority. An employee whose term in an excepted
6 position ends and who is then appointed to a permanent competitive position working fifty percent
7 (50 percent) time or more shall become eligible to accrue vacation leave with pay upon
8 appointment to the competitive position. Length of cumulative service for the purpose of
9 determining rate of vacation leave accrual shall be based on the employee's original date of
10 appointment to the excepted position, providing there was no break in service between expiration
11 of the excepted position and appointment to the permanent competitive position. The date of
12 appointment to the permanent competitive position shall be used to determine the appropriate rate
13 of vacation accrual for the corresponding length of cumulative service in accordance with the
14 schedule established in Section 17(b).

15 **(s)** Appointing authorities shall report leave with pay for vacation and such other authorized
16 absences as the Director of Personnel shall designate to the Department of Personnel in such form

8 this or any other ordinance(s). If the Employees Retirement System or Firemen's Retirement
9 System provides for sick leave to be credited or paid to a member or used in the calculation of
10 retirement benefits, this payment shall be limited to a maximum of fifty percent (50 percent) of
11 the value of the employee's sick leave balance. If the Employees Retirement System of the City
12 of St. Louis provides for sick leave to be credited or paid to a member or used in the calculation
13 of retirement benefits, this payment shall be fifty percent (50 percent) of the value of the
14 employee's sick leave balance at time of retirement.

15 **(c)** If a member of the Employees Retirement System or the Firemen's Retirement System of
16 the City of St. Louis who had been otherwise eligible for Normal or Early Service Retirement dies

18 balance, if any. Payment shall be made in accordance with the procedures established by the
19 Director of Personnel.

1 **(d)** An employee who is reemployed from an authorized layoff shall have his/her prior sick
2 leave balance if any restored, provided this balance has not been used in the determination of

5 addition, military reinstatements will be credited, on the date of their reinstatement, with the

7 April 20, 2011, may earn and bank sick leave hours on an unlimited basis until termination from
8 the Division.

9 **(f)** Commissioned officers hired prior to April 20, 2011, with thirty (30) years of service and
10 possessing 2,200 accrued sick leave hours, will receive compensation for one-half of their
11 accumulated sick leave hours. Officers hired prior to April 20, 2011, who have at least twenty
12 (20) years of service who possess 1,600 accrued sick leave hours, will receive compensation for
13 one-fourth of their accumulated sick leave hours, and also receive 173.33 hour pay (2080 hours
14 divided by 12). All other officers hired prior to April 20, 2011, terminating their employment with
15 the Division will receive compensation for one-fourth of their accumulated sick leave hours at the
16 time of termination. These benefits are not granted to employees who have pled guilty, been found

5 employed by the Board of Police Commissioners prior to April 20, 2011, and continuously
6 employed by the City who terminate their employment with the Division will receive
7 compensation for one-fourth of their accumulated sick leave hours at the time of termination.
8 These benefits are not granted to employees who have pled guilty, been found guilty or otherwise
9 convicted of a crime prior to termination.

10 **(h)** All Commissioned officers, excluding Police Officer Trainees, shall accumulate sick bonus
11 time.

12 **(i)** There shall be no advancement of paid sick leave. Sick leave shall be paid at full pay at
13 the current rate of compensation.

14 **SECTION 19.**

15 **MEDICAL LEAVE**

16 **(a)** Medical leave with pay shall be granted to bi-weekly rate employees in permanent
17 competitive positions working fifty percent (50 percent) time or more in accordance with
18 regulations and procedures established by the Director of Personnel.

19 (1) All employees, unless otherwise stated in this ordinance, shall accrue three (3)
20 hours of medical leave for each bi-weekly pay period of employment but must complete the entire
21 pay period to accrue the medical leave at the end of said pay period. This accrual rate is established

1 for employees working an average work week of forty (40) hours. Medical leave shall be
2 computed on a proportionate basis for employees whose average work week is more or less than
3 forty (40) hours. An eligible employee may be granted paid medical leave by his/her appointing
4 authority after completing twenty-six (26) weeks of continuous service.

5 (2) Employees in Section 2(a) or 2(b) hired by the Police Division on or after
6 September 1, 2013, shall accrue medical leave as stated above in Section 19(a)(1).

7 (3) Employees in Section 2(a) or 2(b) hired by the Board of Police Commissioners
8 before September 1, 2013, shall be entitled to all of the sick and medical leave accrued during such
9 employment. Subject to the provisions of Section 19(a), medical leave with pay shall be granted
10 at the rate of 3.70 hours bi-weekly to employees in Section 2(a) or 2(b) hired by the Board of
11 Police Commissioners before September 1, 2013, employed by the City and continuously
12 employed by the City on September 1, 2013.

13 (b) The Director of Personnel may establish a system of cash awards, paid time off or other
14 incentives to reward employees for perfect and near perfect attendance.

15 (c) An appointing authority shall remove an employee from the payroll for unexcused absence
16 in accordance with regulations and procedures established by the Director of Personnel. When an
17 employee is docked from the payroll under the provisions of this section, the amount deducted
18 from his/her regular bi-weekly rate of pay shall be one times (1.0x) the regular hourly rate as
19 defined in this ordinance for each hour of unexcused absence. If an employee is docked from the
20 payroll for one (1) hour or more in a bi-weekly pay period, he/she will cease to accrue medical
21 leave for the pay period.

1 **(d)** If management decides to send their employees or a group of employees home due to
2 inclement weather, they will not lose their medical leave accrual for that pay period.

3 **(e)** All leave with or without pay for illness, injury, or physical inability to perform assigned
4 duties shall be recorded on the payroll or a subsidiary document in the manner established by the
5 Director of Personnel. Compensation for periods of absence from work when an employee
6 sustains an injury by accident on the job shall be governed by the provisions of Section 24
7 (Workers' Compensation and Disability Leave) of this ordinance.

8 **(f)** An employee who is reemployed from an authorized layoff shall have his/her prior medical
9 leave balance and sick leave balance restored if any, provided any sick leave balance has not been
10 credited to the employee's length of service in determining pension benefits paid to the retiree. An
11 employee who is reemployed from an authorized layoff and who has a medical and/or sick leave
12 balance and who completed twenty-six (26) weeks of continuous employment prior to the layoff
13 may take approved medical and/or sick leave upon reemployment.

14 **(g)** Each appointing authority shall institute procedures, in accordance with regulations
15 established by the Director of Personnel that will discourage the improper use of medical leave
16 with pay. When an employee is removed from the payroll for absence not approved by the
17 appointing authority, the employee shall be notified promptly in writing.

18 **(h)** Employees shall not receive payment for any medical leave balance, and it shall not be
19 used in the calculation of retirement benefits or payments under this ordinance or any other
20 ordinance.

21 **(i)** There shall be no advancement of medical leave.

1 **LEAVES OF ABSENCE AND FAMILY/MEDICAL LEAVE**

2 An employee may request a leave of absence, or an appointing authority may request a
3 leave of absence for an employee, for any reason under the City's general leave policy, or a
4 "Family/Medical Leave of Absence" for certain qualifying reasons under provisions of "The
5 Family and Medical Leave Act of 1993" as provided in this ordinance and under additional
6 provisions and regulations as determined by the Director of Personnel.

7 **(a)** An appointing authority, with the approval of the Director of Personnel, may grant an
8 employee in a competitive position a general leave of absence without pay for a period of one (1)
9 year, which may be extended, with the prior approval of the Director of Personnel.

10 Upon the expiration of such leave of absence, the employee shall be reinstated to the
11 competitive position he/she occupied at the time the leave was granted provided the position is
12 still in existence and he/she is able to perform the duties of the position. The employee shall be
13 reinstated to the competitive position at the same relative rate in the salary range the employee
14 occupied at the time the leave was initiated. Failure of an employee to report for duty promptly at
15 the expiration of the leave shall be just cause for dismissal. If necessary to the efficient conduct
16 of the business of the City, an employee on leave other than military leave or qualifying
17 family/medical leave may be notified by the appointing authority, with the approval of the Director
18 of Personnel, to return prior to the expiration of such leave. Failure of the employee to return
19 within ten (10) calendar days after receipt of such notice shall terminate his/her leave of absence
20 and be just cause for dismissal, subject to any applicable federal, state or local regulations.

1 **(b)** The City of St. Louis will follow all applicable state and federal laws on the granting of
2 family/medical leave. The City of St. Louis will provide up to six (6) weeks of paid family/medical
3 leave, in accordance with the City's "Family/Medical Leave Policy."

4 The Director of Personnel shall establish additional rules, guidelines and procedures for
5 the effective administration of the City's "Family/Medical Leave Policy." The policy shall comply
6 with all provisions of the "Family/Medical Leave Act of 1993" and any amendments thereafter.

7 Employees must take all of their accrued time (sick leave, medical leave, vacation leave)
8 prior to being placed on leave without pay status for approved Family and Medical Leave, except
9 employees can keep one (1) week of vacation hours (if they have accrued one (1) week of vacation
10 and are eligible to take them). Employees will be allowed to use all their compensatory time, if
11 requested by employee.

12 **(c)** Any employee in a competitive position who is appointed to an excepted position in the
13 Classified Service shall be granted an in-service leave without pay from the competitive position
14 during the term to which he/she is appointed to the excepted position. Such leave shall be for the
15 term of the appointment to the excepted position and until his/her successor qualifies. Upon the
16 expiration of the appointment to the excepted position, the employee shall be reinstated to the
17 competitive position he/she occupied immediately prior to the in-service leave. The employee
18 shall be reinstated to the competitive position as under a temporary promotion pursuant to Section
19 6(a)(2) of this ordinance. Employees who are returned to a competitive position shall retain any
20 vacation, compensatory time, sick leave, or medical leave balance in effect at the time of granting
21 of the leave of absence for appointment to the excepted position. Employees shall be given credit

1 for time spent in an excepted appointment in computing eligibility for additional vacation leave
2 accrual.

3 **(d)** In the event that emergency conditions occur which require the closing of City-operated
4 facilities, or the temporary cessation of functions carried out by classified employees, the Mayor
5 of the City of St. Louis may declare an emergency and require an employee or group of employees
6 to take leaves of absence with or without pay while such emergency conditions exist. In the event
7 that the Mayor requires that the leave of absence be without pay, an employee with vacation or
8 accrued compensatory time may elect to take the accrued time off with pay in lieu of all or a part
9 of such non-paid leave of absence. Such non-paid leave of absence shall not interrupt continuity
10 of service for vacation accrual. An emergency leave of absence declared by the Mayor shall not
11 exceed ninety (90) days.

12 **(e)** Employees who are granted general leaves of absence and other non-paid leaves of
13 absence, except military leave, must take all accrued vacation at the start of the leave of absence
14 except as otherwise provided in this ordinance. Employees who are granted or placed on a non-
15 paid leave of absence will not accrue vacation, sick leave, and medical leave during the period of
16 non-paid leave. Upon the expiration of such leaves of absence, the employee shall follow the
17 procedures as established in this Section 21 and any other applicable regulations and procedures
18 as established by the Director of Personnel.

19 **(f)** An appointing authority, with the prior approval of the Director of Personnel, may put an
20 employee on a forced leave of absence with or without pay pending the outcome of an investigation

1 or of a pending disciplinary action against the employee. Employees being placed on forced leave
2 may elect to be placed on either vacation leave or compensatory time.

3 **(g)** In the event that a fiscal crisis occurs in the City of St. Louis, employees may request
4 voluntary furloughs. The Director of Personnel may issue regulations to govern the furlough
5 program.

6 **SECTION 22.**

7 **INSURANCE BENEFITS**

8 The City of St. Louis is hereby authorized to devise and establish by contract or otherwise
9 plans for life, health, medical, disability, and other insurance coverage deemed necessary for
10 employees in the Classified Service and other employees for the City and their dependents. The
11 Director of Personnel shall develop and administer programs to provide for such coverage. The
12 Director of Personnel shall confer with the Board of Estimate and Apportionment by February 1st
13 of each year regarding coverage plans and the appropriate funding level. The Director shall then
14 be charged with the responsibility of establishing the applicable funding level and remittance rates
15 for the aforementioned plans and certify same to the Comptroller and Budget Director by March
16 1st of each year. The Director of Personnel may amend said rates as needed.

17 **SECTION 23.**

18 **DEATH BENEFIT**

19 In the event any employee of the City whose pay is established by this ordinance dies as a
20 result of injuries arising out of and in the course of his/her employment by the City, the City shall
21 pay compensation in accordance with the Missouri Workers' Compensation Law. The Director of

Personnel and the City Counselor shall establish procedures for making the payments required by the Missouri Workers' Compensation Law. The Comptroller shall designate the fund or appropriation out of which such payment shall be made. Such compensation shall be in addition to any life insurance benefits paid for by the City or by the employee which is available to the employee's beneficiaries and also in addition to any benefit provided by the Employees Retirement System of the City of St. Louis, the Firemen's Retirement System of the City of St. Louis, or the Firefighters Retirement Plan.

(a) Any employee in the Classified Service whose class title and grade are established in Section 1(a) and denoted by the suffix "G," "M," "T" or "E" of this ordinance, including employees who are compensated on a per performance or unit of work basis, who shall suffer personal injury by accident or occupational disease arising out of and in the regular course of employment while engaged in or about the premises where an employee's duties are being performed or where an employee's presence is required as part of his/her employment, shall promptly report such injury by accident or occupational disease to his/her immediate supervisor. The supervisor shall in turn report, through the appointing authority, all facts concerning the incident to the City Counselor and the Director of Personnel. The appointing authority shall promptly provide such written information and recommendations as may be requested by the City Counselor to aid in making the determination of the period of disability.

2 which results in temporary disability, may elect to use sick or medical leave for the first three (3)
3 days of temporary disability. Thereafter, the employee will be compensated at the rate mandated
4 by the Missouri Workers' Compensation Law. If the period of disability extends fourteen (14)
5 calendar days or more, the three (3) days of sick or medical leave used during the first three (3)
6 days of disability will be restored to the employee's sick or medical leave balance. The City
7 Counselor shall determine the actual amount of compensation and length of time during which
8 payments are made for such temporary disability in accordance with the Missouri Workers'
9 Compensation Law.

10 **(b)** (1) Any employee in the competitive service whose class title and grade are established
11 in Section 1(a) of this ordinance and denoted by the suffix "F" who shall suffer personal injury by
12 accident or occupational disease while engaged in actual fire suppression, or related emergency
13 response activities on or about the premises where these activities are being performed, or during
14 transportation to and from the scene of the fire, or emergency, shall promptly report such injury to
15 his/her immediate supervisor. The injury shall be promptly reported through appropriate
16 management personnel to the Director of Personnel and the City Counselor. During the period of
17 temporary disability which has been determined by the City Counselor to be a result of an injury
18 by accident or occupational disease as defined above, the employee may be continued on the
19 payroll at the regular bi-weekly rate less any amount the employee would otherwise pay in taxes
20 on that portion of the benefit found to be exempt from taxation under the Missouri Workers'
21 Compensation Law, or the federal tax code. Disability leave may also be granted when an

1 employee suffers injury as a result of participation in Training Simulation of an exceptional and
2 highly dangerous nature wherein the appointing authority or the Director of the Department of
3 Public Safety has gained the approval of the Director of Personnel prior to such Training
4 Simulation.

5 (2) Any employee in the competitive service whose class title and grade are established
6 in Section 1(a) of this ordinance and denoted by the suffix "F" who shall suffer personal injury by
7 accident or occupational disease arising out of and in the regular course of employment while
8 engaged in or about the premises where his/her duties are being performed, except as otherwise
9 provided in Section 25(b)(1) above shall likewise, promptly report such injury to his/her immediate
10 supervisor, who shall report, through his/her appointing authority, all facts concerning the incident
11 to the City Counselor and the Director of Personnel. During any such period of temporary
12 disability, the employee shall be entitled to workers' compensation benefits as prescribed by State
13 Law.

14 (3) Employees in the competitive service whose pay is established in Section 2(d) of
15 this ordinance who suffer personal injury by accident or occupational disease arising out of and in
16 the regular course of employment shall receive compensation in accordance with Police Division
17 policies. Employees in the competitive service whose pay is established in Section 2(a) or 2(b) of
18 this ordinance and who were employed by the Board of Police Commissioners and who remain
19 employed by the Police Division who suffer personal injury by accident or occupational disease
20 arising out of and in the regular course of employment shall receive compensation in accordance
21 with Police Division policies.

1 (c) The City Counselor, the Director of Personnel, or the appointing authority may require an
2 employee to undergo a physical examination and medical or surgical treatment at the expense of
3 the City to diagnose and treat injuries or illnesses arising out of employment.

4 (d) The City Counselor and the Comptroller shall establish procedures for paying
5 compensation to employees or former employees who are permanently disabled and due
6 compensation under the Missouri Workers' Compensation Law. The Comptroller shall designate
7 the fund or appropriation out of which such payment shall be made.

8 (e) The City Counselor and the Director of Personnel shall be responsible for the
9 administration of the provisions of this Section and shall establish and publish procedural
10 regulations for the administration of the program. Each appointing authority shall establish
11 procedures to comply with the provisions of this section and established regulations.

12 SECTION 25.

13 JURY AND WITNESS LEAVE

14 (a) Jury leave with pay shall be granted to bi-weekly rate employees working fifty percent (50
15 percent) time or more for such time when such employees are serving as jurors pursuant to order
16 of the St. Louis Circuit Court or United States District Court in St. Louis. Any bi-weekly rate
17 employee, when so summoned for jury service, shall report such fact within seventy-two (72)
18 hours to his/her appointing authority and display to the appointing authority the summons which
19 the employee has received and shall give the appointing authority in writing the date and the time
20 of such jury service. No bi-weekly rate employee shall receive any compensation from the Jury
21 Commissioner or the United States District Court system for jury service for days the employee

1 receives compensation from the City. A bi-weekly rate employee may keep the jury stipend for
2 days when the employee receives no compensation from the City (off days, docks, leaves, etc.).
3 Upon being discharged from serving as a juror by the Court or Jury Commissioner, the employee
4 shall forthwith report to his/her appointing authority if discharged during their normally scheduled
5 work hours and shall submit to his/her appointing authority a written statement from the Jury
6 Commissioner certifying that the employee has served as a juror and the time and date so served.
7 The appointing authority shall, upon receipt of the statement of jury service, credit the employee
8 with paid jury leave for such service.

9 **(b)** Leave with pay shall be granted to bi-weekly rate employees for such time when the
10 employee's presence is required by the prosecutor in a criminal proceeding or grand jury procedure,
11 a trial in prosecuting accused criminals (or for jury service in Federal Court). Any bi-weekly rate
12 employee, when so subpoenaed as a prosecution witness or whose presence is required as a part
13 of a grand jury inquiry, shall report such fact within seventy-two (72) hours to his/her appointing
14 authority and shall give the appointing authority in writing the date and time his/her presence is
15 required for such criminal prosecution. Each appointing authority shall establish controls to assure
16 that any paid leave is actually required by the prosecuting authority. An appointing authority may
17 require an employee to furnish satisfactory evidence of being required to be off the job and that all
18 time off was in connection with the prosecution of the case. This procedure shall apply for
19 employee participation in criminal prosecution in State or Federal Courts.

20 **SECTION 26.**

21 **DEFERRED COMPENSATION**

1 **(a)** Authority is hereby granted for the establishment of a deferred compensation plan for the
2 City of St. Louis.

3 **(b)** In accordance with the regulations applicable to the plan, as set out herein, the Comptroller
4 is authorized to enter into an agreement with eligible participants, whereby said participants may
5 designate a portion of their future earnings to be deducted by the City and placed in a fund to be
6 designated "City of St. Louis Deferred Compensation Plan Fund" for the purpose of providing tax
7 deferred benefits to the participants upon retirement.

8 **(c)** The Board of Estimate and Apportionment is hereby authorized to establish or select a
9 specific plan or plans in accordance with the requirements set out in this ordinance. In establishing
10 the plan, the Board of Estimate and Apportionment may elect to retain outside parties to provide
11 administrative and/or investment services after following competitive bidding procedures. The
12 Board of Estimate and Apportionment is authorized, after analyzing the various competitive bids
13 submitted in accordance with the requirements of this ordinance, to select the plan or plans it
14 determines to meet the requirements established as a part of the competitive bidding procedures
15 and to be in the best interest of the participants. No investment plan shall be considered unless
16 offered by a duly licensed resident agent representing a company duly licensed and authorized by
17 the State of Missouri and other applicable federal regulatory agencies to offer such insurance or
18 investment programs.

19 In the event Federal or State legislation is changed in a manner affecting and/or relating to
20 any of the aforementioned Deferred Compensation provisions contained in this Section, the Board
21 of Estimate and Apportionment of the City of St. Louis may amend the deferred compensation

1 plan accordingly and may execute any and all documents necessary to achieve and effectuate the
2 recommended changes.

3 SECTION 27.

9 **SEVERABILITY**

10 The sections of this ordinance shall be severable. In the event that any section of this
11 ordinance is found by a court of competent jurisdiction to be invalid, the remaining sections of this
12 ordinance are valid, unless the court finds the valid sections of the ordinance are so essential and
13 inseparably connected with and dependent upon the void section that it cannot be presumed that
14 the Board of Aldermen would have enacted the valid sections without the void ones, or unless the

2 **(e) ELECTED OFFICIAL PAY SCHEDULE:**

3

4 (1) The following bi-weekly pay schedule for each Executive pay grade, denoted by
5 the suffix "E," is currently in effect:

6

7	GRADE	BI-WEEKLY RATE
8	1E	\$3491
9	2E	\$4315
10	3E	\$5070

11

1 (2) The salary of an elected official shall not be increased during the term of
2 office.

3
4 **(f) SHIFT DIFFERENTIAL:** Shift differential shall be paid for certain work
5 assignments. The Director of Personnel shall determine the work assignments for which shift
6 differential will be paid. The assignment or removal of an employee from a work assignment
7 having a shift differential shall be determined by the appointing authority and will not constitute
8 a promotion, demotion, advancement or reduction in pay. The shift differential shall be added
9 to the employee's regular bi-weekly rate.

10
11 (1) In order for an employee in Section 2(a) or 2(b) to be eligible for shift differential
12 compensation, the employee must work a shift that requires the completion of four (4) hours of
13 work between the hours of 4:00 p.m. and 8:00 a.m. the following morning. Employees whose
14 pay grade is denoted with the suffix "M" are only eligible to receive shift differential if they are
15 regularly scheduled to work at least four (4) hours between 4:00 p.m. and 8:00 a.m. the
16 following morning. Employees shall be entitled to receive shift differential compensation for
17 no more than one shift worked between the hours of 4:00 p.m. and 8:00 a.m. Employees who
18 are assigned to work schedules that require them to rotate among three shifts (day, evening,
19 night) on a bi-monthly or more frequent basis shall be eligible for shift differential
20 compensation for all three shifts worked.

1 For employees whose pay range is established in Section 2(a) or 2(b) the shift
2 differential premium shall be one percent (1%) of the employee's regular base bi-weekly rate
3 for each eligible shift worked in a bi-weekly pay period.

4
5 An employee whose pay range is established in Section 2(a) or 2(b) shall receive shift
6 differential for working a portion of an eligible shift, provided the portion of the shift not
7 worked is charged to paid leave. Shift differential shall only be paid for whole hours worked;
8 a fraction of an hour shall not be counted toward the payment of the differential.

9
10 (2) For those employees whose pay range is established in Section 2(c), the shift
11 differential premium shall be \$2.00 per hour for each hour worked between 11:00 p.m. and 7:00
12 a.m. during an eligible shift. Employees must work at least 12 hours of a regularly assigned 24
13 hour shift to be eligible for any shift differential for the shift. Such employees shall not receive
14 shift differential for overtime worked, which is not part of their regular schedule. This provision
15 will not go into effect until shift differential is agreed upon by the Director of Personnel and the
16 Union (Local 73) in writing.

17
18 Except shift differential premium shall be \$2.00 per hour for each hour worked between
19 11:00 p.m. and 7:00 a.m. during an eligible shift to be paid to Overtime Code 3 Fire Equipment
20 Dispatcher classifications whose pay range is established in Section 2(c).

1 (3) For Police Officer Trainees and employees whose pay grade is denoted with the
2 suffix D, the night shift differential shall be ten percent (10%) of the hourly rate for all full
3 hours worked between the hours of 11 p.m. and 7 a.m. and all eight (8) hour shifts beginning
4 between 10:30 p.m. and 11:30 p.m.

5
6 (4) Except as otherwise provided in this ordinance, shift differential shall not be
7 paid to employees compensated on an hourly or per performance basis, or bi-weekly paid
8 employees who work part-time. Neither shall shift differential be paid to full-time regular
9 employees docked for any portion of an eligible shift.

10
11 **(g) WEEKEND DIFFERENTIAL:** When employees whose pay range is established in
12 Section 2(a) or 2(b) work on a Saturday and/or a Sunday they shall be eligible for weekend
13 differential. Employees whose pay grade is denoted with the suffix "M" are only eligible to
14 receive weekend differential when it is part of their regularly scheduled work hours. This
15 differential shall be one percent (1%) of an employee's base bi-weekly rate. An employee shall
16 receive weekend differential for working any portion of an eligible day. This differential shall
17 only be paid for full hours worked. Weekend differential shall not be paid to employees
18 compensated on an hourly or per performance basis or bi-weekly paid employees who work
19 part-time. Neither will the weekend differential be paid to full-time regular employees docked
20 for any portion of a day on which the differential would otherwise be paid.

1 **(h) COMMUTING ALLOWANCE:** Employees residing within the corporate limits of
2 the City of St. Louis who are regularly assigned to a position located in a City institution,
3 agency, or facility located outside the corporate limits of the City of St. Louis, and who are
4 regularly assigned to a five-day, forty-hour weekly work schedule, shall be entitled to a
5 commuting allowance in the amount of one hundred forty-one dollars (\$141.00) bi-weekly on
6 the effective date of this ordinance. Eligible full-time employees who are assigned to an
7 alternate form of work schedule which reduces the frequency of commuting to work shall be
8 entitled to a commuting allowance which is reduced in proportion to the reduced frequency of
9 commuting. City employees who are temporarily assigned duty to a facility located outside the
10 corporate limits of the City of St. Louis shall be entitled to a per diem rate for the duration of
11 the assignment. No employee living outside of the corporate limits of the City of St. Louis shall
12 receive a commuting allowance.

13
14 A period of absence of ten (10) working days or more shall result in suspension of
15 eligibility for the commuting allowance. Suspension of the commuting allowance shall begin
16 during the pay period in which the tenth (10th) day of absence occurs and shall continue for
17 any subsequent full or partial pay periods during the period of absence. Upon return to duty
18 from such absence, an employee shall immediately be eligible to resume receiving commuting
19 allowance, reduced in proportion to the time the employee did not work due to absence.

Employees for whom any form of free transportation (car, truck, bus, etc.) is provided by the City from a place within the corporate limits of the City of St. Louis to the work site and back shall not be entitled to the commuting allowance.

9 A person occupying a position as a member of a Board, Commission or Committee shall
10 be paid at the per day, per meeting or per month rate established above.

11
12 **(j)** The Director of Personnel may establish per performance rates of pay, hourly rates of
13 pay, or rates of pay for units of work and the conditions for making of any such payments. Such
14 per performance, hourly, or unit-of-work rates may be computed from the bi-weekly scales
15 established in this ordinance. Per performance, hourly, or unit-of-work rates shall be
16 established considering the nature of employment, community practices in compensating
17 similar employment, and the purpose of the program for which the rate is established.
18 Employees paid per performance, hourly, or unit-of-work rates of pay shall not be entitled to
19 vacation, medical leave or holiday leave with pay or other benefits accorded employees paid a
20 bi-weekly rate except that an appointing authority, with the prior approval of the Director of
21 Personnel, and when sufficient funds have been appropriated for the fiscal year, may establish

1 a modified level or type of benefit program when the provision of such benefit is needed in
2 order to attract and retain sufficiently qualified employees to work in specific per performance,
3 hourly, or unit-of-work assignments.

4
5 Appointing authorities are not permitted to utilize per performance and hourly
6 employees as a method of replacing bi-weekly rate employees who would be entitled to
7 employee benefits.

8
9 **(k)** The Director of Personnel may establish trainee rates of pay. Such trainee rates may be
10 established on an hourly, per performance or bi-weekly basis and shall be less than the rate paid
11 to a regular employee.

12
13 **(l)** The Director of Personnel, with the assistance of appointing authorities concerned, may
14 establish rates and conditions under which compensation may be granted for periods of time
15 during which an employee is away from the job site but restricted in his/her activities because
16 of an assignment by the appointing authority to be available for a call to return to the work site
17 to perform emergency duties. Pay rates and conditions established under the provisions of this
18 Section 2(l) may include reasonable minimum pay guarantees for employees required to return
19 to the work site to perform emergency duties. The provisions of this Section 2(l) shall not be
20 construed to restrict the right of an appointing authority to establish call back procedures for
21 employees as an established condition of employment.

1
2 **(m)** The Director of Personnel may authorize payment of special recruitment bonuses,
3 travel, moving and related expenses to recruit employees for positions when funds for this
4 purpose are appropriated.

5
6 **(n)** The Director of Personnel may approve the payment of hiring incentives to current
7 employees to recruit qualified personnel for positions that are difficult to fill. Hiring incentives
8 shall be in any amount up to twenty-five percent (25%) of the annual salary of the position for
9 which the recruitment is made.

10
11 **(o)** (1) An appointing authority, with the prior approval of the Director of Personnel,
12 may establish cash awards or other incentives for an employee or group of employees to
13 recognize and reward increased productivity or effectiveness. The incentives offered may
14 include cash, paid time off and such other reasonable incentives as the Director of Personnel
15 may determine. Cash awards shall be made from the personal services appropriation of the
16 unit, the account from which the employee's salary is paid or from a general appropriation for
17 this purpose.

18
19 (2) The Director of Personnel, upon the request of the appropriate appointing
20 authority, may establish a program of cash awards or other incentives, not to exceed ten percent
21 (10%) of annual salary, paid as an addition to pay, for the purpose of providing additional

1 compensation for employees who are fluent in a foreign language and who use this skill in the
2 necessary and regular recurring performance of the duties of their position. Cash awards shall
3 be made from the personal services appropriation of the unit, the account from which the
4 employee's salary is paid or from a general appropriation for this purpose. Cash awards and
5 incentives under this program shall be made in accordance with guidelines established by the
6 Director of Personnel.

7
8 (3) Notwithstanding any other provision in this ordinance, the Director of Personnel
9 is authorized to extend the maximum of the pay ranges by up to forty percent (40%) for the
10 purpose of compensating positions which are extremely hard to fill.

11
12 (4) The Director of Personnel may provide an Employee Suggestion Program which
13 grants cash and other awards to recognize employee suggestions which improve City services,
14 operations or facilities. Cash awards to employees for suggestions resulting in tangible savings
15 to the City shall not exceed ten percent (10%) of the annual tangible net savings. Cash awards
16 and payments for other awards shall be made from an appropriation for a suggestion program
17 or other appropriate account. Additionally, cash awards for suggestions shall be granted as an
18 addition to pay, which does not change an employee's bi-weekly rate. The Employee
19 Suggestion Program shall be administered in accordance with regulations established by the
20 Director of Personnel. The Director of Personnel may establish an authority to evaluate
21 suggestions and determine awards; the decisions of this authority shall be final.

1
2 **(p)** An employee who is appointed to a position requiring advanced technical skills or
3 professional qualifications may be paid at a higher rate than prescribed for the class in Section
4 2 of this ordinance on recommendation of the appointing authority with the prior approval of
5 the Director of Personnel. Such advancement shall be made solely on the basis that the
6 employee possesses exceptional academic qualifications, registrations or certifications related
7 to the duties of the position and when such academic qualifications, registrations, or
8 certifications are not deemed necessary qualifications for the class of position.

9
10 The Director of Personnel may also establish other bonus, incentive or reimbursement
11 programs to encourage current employees to attain registration, licensure, certification, or proof
12 of professional mastery when it is deemed to be in the best interest of the Classified Service, or
13 when such credentials are clearly recognized as adding to the capability of individuals in that
14 area. Incentives, bonuses, or reimbursements awarded under such programs do not result in an
15 employee being ruled ineligible for bonuses or salary increases permitted under other sections
16 of this pay ordinance.

17
18 **(q)** In Skilled Trades classes, defined as those that have bona fide apprenticeship programs
19 registered with the Department of Labor or documented attainment of equivalent apprenticeship
20 programs, employees who have completed such apprenticeship programs and attained
21 journeyman status shall be granted the special skills recruitment rate for the class if a special

1 skills recruitment rate exists for the class. Employees in classes in the Trades Pay Schedule
2 who have completed alternative training programs established and approved by the Director of
3 Personnel, and attained journeyman status shall also be eligible for a salary at the special skills
4 recruitment rate if such a rate exists for the class.

5
6 **(r)** An appointing authority may, with the prior approval of the Director of Personnel,
7 establish a program to reimburse, in whole or in part, expenses incurred by employees for the
8 purchase of uniform apparel required in the performance of the duties of their positions, when
9 funds have been budgeted therefore.

10
11 An appointing authority may exercise the option to furnish such uniform as may be
12 required in the employee's performance of his/her duties.

13
14 The Director of Personnel may establish regulations relating to employees' eligibility
15 for reimbursement for uniforms.

16
17 Further, when funds have been budgeted therefore, an appointing authority may
18 authorize reimbursement to uniformed security or correctional employees of up to fifty dollars
19 (\$50) per incident for damage to personal property sustained while the employee was directly
20 engaged in quelling a disturbance while performing assigned and/or authorized duties during a
21 shift. Employees whose pay is established under Section 2(d) of the ordinance may be

1 reimbursed for damages to personal property sustained while in the course and scope of
2 employment in accordance with Police Division policies.

3
4 **(s)** An appointing authority that requires employees to provide and maintain their own tools
5 shall provide a tool replacement program and/or annual maintenance allowance, with the prior
6 approval of the Director of Personnel.

7
8 **(t)** (1) Contingency assignment differential may be paid for certain assignments when
9 immediate position coverage is needed for any unexpected reason (*e.g.* death, forced leave,
10 emergency illness, etc.) in a higher pay grade, and shall be granted at the onset of the
11 assignment, not to extend more than one pay period. The Director of Personnel will determine
12 the assignments for which Contingency Assignment Differential will be paid. The assignment
13 of an employee to said assignment having a contingency assignment differential will be
14 determined by the appointing authority from an existing eligible list and will not constitute a
15 promotion or advancement in pay. In addition, the removal of an employee from said
16 assignment shall not constitute a demotion or reduction in pay. If an eligible list is not available,
17 an appointing authority may submit to the Director of Personnel the name of the employee
18 being considered for the assignment to determine if they meet the necessary minimum
19 qualifications for the position being considered.

1 For an employee whose pay range is established in Section 2(a), 2(b), 2(c) or 2(d), with
2 the prior approval of the Director of Personnel, the contingency assignment differential will be
3 ten percent (10%) of the employee's regular base bi-weekly rate added as an addition to pay for
4 each bi-weekly period worked or one percent (1%) of the employee's regular base bi-weekly
5 rate for each shift assignment covered, not to exceed one (1) pay period.

6
7 (2) Temporary assignment differential will be paid for certain assignments when a
8 vacancy exists for any reason (*e.g.* separations, terminal vacation, leave of absence, military
9 leave, etc.) in a position with a higher pay grade, and shall be granted for at least one (1) pay
10 period but not more than thirteen (13) pay periods, and offset by any days that the employee by
11 reason of absence is not fulfilling the assignment. The Director of Personnel will determine the
12 assignments for which the temporary assignment differential will be paid. The assignment or
13 removal of an employee from said assignment having a temporary assignment differential will
14 be determined by the appointing authority and will not constitute a promotion, demotion,
15 advancement, or reduction in pay. The intended employee must meet the minimum
16 qualifications for the position to be assigned. The temporary assignment differential shall be
17 computed as an addition to pay and not affect the employee's regular bi-weekly rate.

18
19 For an employee whose pay range is established in Section 2(a), 2(b), 2(c) or 2(d), with
20 the prior approval of the Director of Personnel, the temporary assignment differential will be
21 ten percent (10%) of the employee's regular base bi-weekly rate added as an addition to pay for

1 each bi-weekly period worked, not to exceed thirteen (13) pay periods. The Director of
2 Personnel may require the establishment of a department policy on temporary assignment
3 differential pay and must sign off on the policy prior to authorizing temporary assignment
4 differential.

5
6 **(u)** City employees who are required by their appointing authority to routinely use their
7 personal vehicle in the performance of their duties shall be compensated by receiving a vehicle
8 maintenance and use allowance of two-hundred seventy dollars (\$270.00) per month. Eligible
9 employees who use their personal vehicle with reduced frequency shall be entitled to a vehicle
10 maintenance and use allowance which is reduced in proportion to the reduced frequency of use.

12 **SECTION 3.**

13 **EDUCATION REIMBURSEMENT**

14
15 An appointing authority may, with the prior approval of the Director of Personnel,
16 authorize salary payments, payments of tuition expenses, fees, books and related material in
17 whole or in part to employees to permit them to attend school, visit other governmental agencies
18 or in any approved manner to devote themselves to improvement of knowledge or skills
19 required in the performance of the duties of their position.

The Department of Personnel may reimburse, in whole or in part, expenses incurred by employees in the pursuit of improvement of the knowledge and skills required in the performance of their positions or in higher positions, when funds have been allocated in the Department's budget.

An appointing authority, with the approval of the Director of Personnel, may establish a program to reimburse, in whole or in part, expenses incurred by employees in the pursuit of improvement of the knowledge and skills required in the performance of the duties of their positions or to improve their professional, technical or managerial knowledge or skill.

SECTION 4.

SALARY RANGE LIMITATIONS

No employee in the Classified Service shall be paid at a rate lower than the minimum or higher than the maximum of the salary range established for the class to which his/her position has been allocated, except as otherwise provided in this ordinance.

SECTION 5.

STARTING SALARY

(a) The rate of pay for an excepted position to be paid upon original appointment to the class shall be determined by the appointing authority for the excepted position.

(b) Except as otherwise provided in this ordinance, the minimum rate of pay for a position shall be paid upon original appointment to the class unless the Director of Personnel finds that it is difficult to secure the services of persons with minimum qualifications or experienced qualified persons at the minimum rate.

The Director may establish a recruitment rate for a single position or all positions in a class and authorize employment at an amount above the minimum but within the regular range of salary established for the class. When a recruitment rate is established for an entire class, employees already in such class may have their salaries adjusted to appropriate rates in the new range resulting from the establishment of the recruitment rate.

(c) Employees with permanent status who are eligible for reemployment as determined by the rules of the Department of Personnel shall be reemployed at an appropriate rate within the [new] salary range which takes into consideration the employee's prior service in the position, as determined by the Director of Personnel.

SECTION 6.

PROMOTION, DEMOTION, REALLOCATION,

TRANSFER AND TEMPORARY PROMOTION

An employee who is transferred, promoted, demoted, or whose position is reallocated after the effective date of this ordinance, shall have his/her rate of pay for the new position determined as follows:

(a) Promotion: This shall be defined as a change of an employee in the Classified Service from a position of one class to a position of another class with a higher pay grade or a higher starting minimum salary.

(1) When an employee is promoted to a position in the General, Management or Trades Pay Schedule, the employee's current bi-weekly rate of pay shall be set at a rate which is five percent (5%) higher than the rate received immediately prior to the promotion or adjusted to the nearest step in the new pay matrix which is not less than but is closest to a rate which is five percent (5%) higher than the rate received immediately prior to promotion. An appointing authority, with the prior approval of the Director of Personnel, may increase the pay of an employee up to twenty percent (20%), adjusted to the nearest step, when such action is needed to attract experienced, qualified candidates for a position. Such salary determinations shall take into consideration the nature and magnitude of the accretion of duties and responsibilities resulting from the promotion. However, no employee shall be paid less than the minimum rate

1 nor more than the maximum rate for the new class of position, except as otherwise provided in
2 this ordinance.

3
4 (2) Temporary Promotion: When an employee, whose salary range is established
5 in Section 2(a) or 2(b), is certified and temporarily promoted to a vacant position, for a limited
6 duration, the employee's current salary shall be adjusted as provided in Paragraph (a)(1) of this
7 Section. Upon expiration of the temporary promotion, the employee shall be returned to his/her
8 former rate of pay, adjusted by any increases the employee would have received in the absence
9 of the temporary promotion. In no case shall the employee's salary be above the maximum of
10 the salary range, unless otherwise provided for in this ordinance.

11
12 Employees whose salary ranges are established in Section 2(c) or 2(d) of this ordinance,
13 upon receipt of a temporary promotion, shall be granted the new rank with a salary adjustment
14 based on appropriate years of service in accordance with procedures established for a regular
15 promotion. At the end of the temporary promotion, the employee shall be returned to the rank
16 held immediately prior to the temporary promotion. The employee's rate of pay shall be based
17 on the appropriate years of service.

18
19 (b) Demotion: This shall be defined as a change of an employee in the Classified Service
20 from a position of one class to a position of another class which has a lower pay grade and a
21 lower starting minimum salary.

1
2 (1) If an employee is demoted for disciplinary reasons in accordance with the rules
3 of the Department of Personnel and Civil Service Commission and established disciplinary
4 procedures, his/her rate of pay shall be established at a rate within the range for the new position
5 which is at least five percent (5%) lower than the rate received immediately prior to the
6 demotion or reduced to the nearest step which is at least five percent (5%) lower than the rate
7 received immediately prior to the demotion, except no employee shall be reduced below the
8 minimum of the range unless otherwise provided for in this ordinance. The amount of the
9 reduction shall be determined by the appointing authority, with the approval of the Director of
10 Personnel.

11
12 (2) If an employee accepts a voluntary demotion, his/her current rate of pay shall be
13 reduced within the range for the new position which is five percent (5%) lower, to the closest
14 downward step, than the rate received immediately prior to demotion, except that employees
15 who are in a working test period and demote to their previous class of position or pay grade,
16 will return to the rate or step received immediately prior to the promotion, plus any adjustments
17 as otherwise provided in this ordinance. No employee shall be paid less than the minimum nor
18 more than the maximum rate for the new class of position, except as otherwise provided in this
19 ordinance.

1 (3) When an employee is demoted for reasons in the best interest of the City Service
2 as determined by the Director of Personnel, his/her salary may be reduced by reason of the new
3 salary range and grade with the prior approval of the Director of Personnel. If the salary of
4 such employee is above the maximum for the new position, the employee's salary shall not be
5 increased so long as he/she remains in the position, except as otherwise provided by this
6 ordinance.

7
8 **(c)** Reallocation:

9
10 (1) If the employee's position is reallocated to a class in a lower pay grade and the
11 employee's rate of pay for the previous position is within the salary range of the new position,
12 his/her salary shall remain unchanged or adjusted to the closest step provided the employee's
13 rate of pay shall not be reduced.

14
15 (2) The salary of an employee whose position is allocated to a class in a higher pay
16 grade shall be determined in accordance with the provisions of this Section 6(a)(1) relating to
17 salary advancement on promotion.

18
19 **(d)** Transfer: The salary rate of an employee who transfers to a different position in the
20 same class, or from a position in one class to a position in another class in the same pay grade,
21 shall remain unchanged, provided that no employee shall be paid less than the minimum rate

1 nor more than the maximum rate for the new class of position, except as otherwise provided in
2 this ordinance.

3
4 **(e)** Over Maximum: The salary of an employee, which is in excess of the maximum of the
5 range prescribed by this ordinance for the class and grade to which his/her position has been
6 allocated or may be reallocated, shall not be reduced by reason of the new salary range and
7 grade. The salary of such employee shall not be increased so long as he/she remains in the class
8 of position, except as otherwise provided by this ordinance.

10 **SECTION 7.**

11 **SALARY ADJUSTMENT**

12
13 Salary adjustments for all employees in competitive positions shall be based on
14 considerations of merit, equity, or success in fulfilling predetermined goals and objectives as
15 herein provided.

16
17 **(a)** Competitive positions for which salary is established in Section 2(a) - General and
18 Management Schedule; or Section 2(b) - Trades Schedule:

19
20 (1) All full time employees employed on March 29, 2020 whose salary is
21 established in Section 2(a) or 2(b) – General, Management, and Trades Pay Schedules, shall

1 receive a one-time, lump sum payment of \$1,000.00 effective with the pay period beginning
2 March 29, 2020.

3
4 (2) Any employee whose salary is established in Section 2(a) or 2(b) – General,
5 Management, and Trades Pay Schedules, shall receive a service rating in accordance with the
6 Service Rating Manual. The rating together with the standards of performance established in
7 the rating manual shall determine eligibility for a one step within-range (merit) increase at
8 intervals as outlined in the Service Rating Manual or other pay regulation(s) as determined by
9 the Director of Personnel. Notwithstanding any other section of the compensation ordinance,
10 all employees in the General, Management, and Trades pay schedules who would be eligible to
11 receive an annual step increase as a result of a "Successful" or "Highly Successful" Overall
12 Rating on their regular Service Rating date will receive a 1.5% increase regardless of their
13 current rate or place in the pay schedule.

14
15 (3) Effective beginning with the bi-weekly pay period starting June 21, 2020, all
16 employees whose salary is established in Section 2(a) or 2(b) – General, Management, and
17 Trades Pay Schedules, who would be eligible to receive an annual step increase as a result of a
18 "Successful" or "Highly Successful" Overall Rating on their regular Service Rating date will
19 instead receive a two-step (*i.e.* 3%) increase regardless of their current rate or place in the pay
20 schedule.

1 (4) A non-exempt (Overtime Code 3 or 4) employee whose pay is established in
2 Section 2(a) or 2(b) of this ordinance who receives an Overall Rating of “Unsuccessful” as
3 defined by the Service Rating Manual, shall have his/her salary reduced as determined by the
4 standards established in the Service Rating Manual, but not less than the minimum of the pay
5 grade range.

6
7 **(b)** As used in this ordinance, "anniversary date" means the date following fifty-two (52)
8 weeks of continuous service from the date of original appointment or from the date of the last
9 salary adjustment, if other than a temporary reduction in pay for disciplinary reasons, a
10 demotion (not for disciplinary reasons) or an across-the-board ordinance increase, an increase
11 resulting from an authorized incentive program, reallocation or an upgrade of the classification
12 concurrent with adoption of the ordinance. Absence from service as a result of any authorized
13 paid leave, suspensions, military leave, or family/medical leave will not interrupt continuous
14 service. Absence from service for any other cause shall result in breaking continuity of service
15 and establishment of a new anniversary date, except as otherwise provided in this ordinance.
16 The Director of Personnel may authorize different anniversary dates for an employee or groups
17 of employees.

18
19 **(c)** An appointing authority may evaluate the performance of an employee whose salary is
20 established in Section 2(a) or 2(b) of this ordinance for the purpose of a salary adjustment only
21 at intervals as described above except in the case of:

1
2 (1) Exceptional performance of duties:

3
4 With the prior approval of the Director of Personnel, the appointing authority in
5 accordance with the Service Rating Manual, may advance the salary of an employee who
6 demonstrates exceptional performance of duties after serving twenty-six (26) weeks of
7 employment at the same rate in the salary range by not more than ten percent (10%) or to the
8 closest step in the pay range which provides not more than a ten percent (10%) increase; this
9 may be in addition to any merit increase received.
10

11 (2) Substandard performance of duties:

12
13 An appointing authority may reduce the salary of an employee whose level of
14 performance is significantly diminished and no longer warrants payment at the current rate
15 within the range as provided in the Service Rating Manual; providing the employee's salary is
16 above the minimum of the range, established in Section 2(a) or 2(b) and allocated to Overtime
17 Code 3 or Overtime Code 4.
18

19 The granting of any such increase or decrease in salary shall be made at the beginning
20 of a payroll period, as determined by the Director of Personnel, following approval of such
21 salary action.

1
2 **(d)** Competitive positions for which salary is established in Section 2(c) - Fire Division
3 Schedule:

4
5 All employees in the Fire Division Pay Schedule shall have a service rating completed
6 in accordance with the Service Rating Manual.

7
8 Probationary Fire Privates shall be advanced to the rate for Fire Privates at the beginning
9 of the first bi-weekly pay period following one (1) year of service. Probationary Fire Equipment
10 Dispatchers shall follow the same schedule.

11
12 **(e)** Competitive positions for which salary is established in Section 2(d) – Police Division
13 Schedule:

14
15 All employees in the Police Division Pay Schedule shall have a service rating completed
16 in accordance with the Service Rating Manual.

17
18 Police Probationary Officers who successfully complete their working test period shall
19 be advanced to the rate for Police Officer at the beginning of the first bi-weekly pay period
20 during which such officer's one (1) year anniversary as a Probationary Police Officer occurs,
21 excluding his/her initial time in training at the Police Academy.

1
2 **(f)** Excepted Positions: The pay of an employee in an excepted position shall be adjusted
3 to any rate within the pay range at the discretion of the appointing authority for the excepted
4 position.

5
6 **(g)** The Director of Personnel may approve, at the request of an appointing authority,
7 adjustments to correct or mitigate serious and demonstrable internal pay inequities. Salary
8 adjustments under this provision shall preclude adjustments to compensate or reward
9 employees for long-term or meritorious service.

10
11 **(h)** The pay of any employee may be decreased as a disciplinary action by an appointing
12 authority to a lower rate. Any such decrease shall be made in accordance with the established
13 disciplinary procedures. The decrease shall not be greater than fifteen percent (15%) of the
14 current salary rate. The decrease may be below the minimum of the pay range for the class.
15 The appointing authority may determine the pay decrease shall be effective for a specific
16 number of bi-weekly pay periods provided, however, that such decrease shall not be effective
17 for more than thirteen (13) bi-weekly pay periods.

18
19 **(i)** An employee who is temporarily promoted shall be eligible for within range salary
20 adjustments under provisions of this Section 7.

1 **(j)** The Director of Personnel may approve a within range salary adjustment or other
2 incentives to retain employees in positions that are difficult to fill, or because of their unique
3 requirements. Said adjustment may only be granted once during a twenty-six (26) week period.

4
5 **SECTION 8.**

6 **INCOME SOURCES**

7
8 Any salary paid to an employee in the Classified Service shall represent the total
9 remuneration for the employee, excepting reimbursements for official travel and other
10 payments specifically authorized by ordinance or pay regulation promulgated by the Director
11 of Personnel. No employee shall receive remuneration from the City in addition to the salary
12 authorized in this ordinance for services rendered by the employee in the discharge of the
13 employee's ordinary duties, of additional duties which may be imposed upon the employee, or
14 of duties which the employee may undertake or volunteer to perform.

15
16 Whenever an employee not on an approved paid leave works for a period less than the
17 regularly established number of hours a day, days a week or days bi-weekly, the amount paid
18 shall be proportionate to the hours in the employee's normal work week and the bi-weekly rate
19 for the employee's position. The payment of a separate salary for actual hours worked from
20 two (2) or more departments, divisions or other units of the City for duties performed for each

1 of such agencies is permissible if the total salary received from these agencies is not in excess
2 of the maximum rate of pay for the class.

3
4 **SECTION 9.**

5 **CONVERSION**

6
7 **(a)** Pay schedules in Sections 2(a) or 2(b) in Ordinance 70791 shall continue in effect until
8 the start of the bi-weekly pay period of the effective date of this ordinance, and the rates to be
9 paid to employees in positions of any classes for which a rate is established or changed in
10 Section 2(a) or 2(b) of this ordinance shall become effective and be adjusted (if necessary) as
11 follows:

12
13 The salary of each employee whose pay range is established in Section 2(a) or 2(b) of
14 this ordinance whose class has been allocated to a higher pay grade in the appropriate pay
15 schedule as determined by the Director of Personnel shall have their current salary increased to
16 a rate, rounded to the nearest whole dollar, which is not less than but is closest to a rate which
17 is five percent (5%) higher than the rate received immediately prior to promotion, but not less
18 than the minimum of the pay range, whichever is the greater. If an employee's salary is between
19 steps, the employee's salary shall be placed at the higher step.

1 **(b)** No employee shall be reduced in salary by reason of the adoption of the new pay
2 schedules in this ordinance.

3
4 **(c)** The salary of an employee serving in a trainee position, which remains above the new
5 trainee rate for his/her position, shall remain unchanged.

6
7 **(d)** The Director of Personnel may establish a special conversion procedure for a class or
8 position in the event that the Director determines that a serious inequity would be created by
9 the application of the conversion procedures established in this Section 9.

10
11 **(e)** The Director of Personnel shall establish such procedures as needed to place this
12 ordinance into effect and interpret its provisions.

14 **SECTION 10.**

15 **PAYMENT OF SALARIES**

16
17 All compensation for positions in the Classified Service shall be paid bi-weekly. The
18 Director of Personnel and Comptroller shall establish the procedure for listing employees on
19 the various payrolls. The payment due each employee for service, except as otherwise
20 provided, shall be made not later than sixteen (16) days after the end of the bi-weekly pay
21 period. In the event that an employee is dismissed or has been employed for occasional or

1 emergency work, the Comptroller may immediately pay the employee upon termination of
2 service without waiting for the regular bi-weekly pay date of the Department, Division, Section,
3 Office, Agency, Board or Commission where the employee worked.

4
5 **SECTION 11.**

6 **CHANGES TO CLASSIFICATION PLAN**
7

8 Whenever the Department of Personnel finds it necessary to add a new class to the
9 classification plan, the Director of Personnel shall allocate the class to an appropriate grade and
10 schedule in this ordinance, recommend such change to the Civil Service Commission, and
11 notify the Board of Aldermen of this action.
12

13 Whenever the Department of Personnel finds it necessary to change the overtime code
14 of an existing class within the classification plan, the Director of Personnel shall change the
15 overtime code, recommend such change to the Civil Service Commission, and notify the Board
16 of Aldermen of this action.
17

18 Whenever the Department of Personnel finds it necessary to change the pay schedule of
19 an existing class within the classification plan, the Director of Personnel shall allocate the class
20 to the appropriate schedule in this ordinance, recommend such change to the Civil Service
21 Commission, and notify the Board of Aldermen of this action.

1
2 The pay grade allocated to a class of position within the classification plan shall remain
3 unchanged for the duration of the existing compensation ordinance. Whenever the Department
4 of Personnel considers it necessary to change the pay grade of an established class of position,
5 such adjustment can only be made concurrent with the adoption of a new compensation
6 ordinance. Recommendation for the allocation of a new pay grade shall be made by the Director
7 of Personnel to the Civil Service Commission for final approval by the Board of Aldermen.

8
9 **SECTION 12.**

10 **PAYROLL FORMS**

11
12 The Director of Personnel shall prescribe forms on which appointing authorities shall
13 certify to the fact that a vacancy exists in a lawfully created position and to the lawful
14 appointment of a person to fill the position. The Director of Personnel shall indicate on these
15 forms the proper allocation of the position and the rate at which payment is to be made. When
16 approved by the Director of Personnel and submitted to the Comptroller, these forms shall
17 constitute authorization for the initial placing of a person's name on the payroll. The
18 Comptroller shall not authorize any change in the rate of pay of an individual on the payroll
19 unless approved by the Department of Personnel. The Comptroller shall provide the
20 Department of Personnel with a copy of each payroll audited and found correct within twenty-
21 one (21) days after audit and approval of the payroll by the Comptroller's Office.

1
2 **SECTION 13.**

3 **CERTIFICATION OF PAYROLL**
4

5 The appointing authority shall certify on each payroll or a subsidiary document that each
6 person whose name appears on the payroll has been lawfully appointed at a salary provided by
7 this ordinance and that the employee has actually worked the time for which he/she will be paid,
8 subject to the provisions of this ordinance governing hours of work and leaves of absence in
9 the Classified Service.
10

11 **SECTION 14.**

12 **MINIMUM WORK HOURS**
13

14 Each appointing authority shall establish procedures to assure that the employees under
15 his/her supervision are actively engaged in the performance of the duties of their positions in
16 accordance with the provisions of this section.
17

18 Each appointing authority shall submit to the Department of Personnel the work
19 schedule established for each position in the work unit. Work schedule reports shall be
20 submitted upon request of the Director of Personnel or whenever the appointing authority
21 proposes to change the permanent work schedule of a position. The work schedule submitted

1 by the appointing authority shall constitute the normal work schedule for the position when
2 approved by the Director of Personnel.

3
4 All employees in the Classified Service shall be in attendance at their work in
5 accordance with schedules established under the provisions of this Section 14, subject to other
6 provisions of this ordinance with respect to hours, holidays, vacation, medical leave, furloughs,
7 sick leave, military leave, and leaves of absence with or without pay.

8
9 **(a)** Employees whose salaries are established in Section 2(a) or 2(b): Forty (40) hours shall
10 constitute the average minimum required weekly hours of service in an employment cycle under
11 regular full-time employment for all City employees paid on a bi-weekly basis occupying
12 competitive positions in the Classified Service. The minimum daily and annual service required
13 of such employees shall be in proportion to the average minimum weekly hours established.

14
15 Appointing authorities shall so arrange the time for reporting for work, for luncheon
16 intermission, and for quitting work of the various employees under their jurisdiction so that the
17 employees will actually be engaged in active performance of their duties for not less than the
18 average minimum number of hours required.

19
20 **(b)** Management Employees: Appointing authorities for employees occupying full-time
21 positions whose salaries are established in Section 2(a) of this ordinance shall initiate

1 procedures to see that such employees are engaged in the performance of their duties on a full-
2 time basis. Full-time employment for any employee whose classification is denoted in the
3 Management Schedule shall be defined as an average of forty (40) hours per week of time
4 devoted to the duties of the position on an annual basis.

5
6 **(c)** Uniformed Fire Personnel: Fifty-two (52) hours shall constitute the average required
7 weekly hours of service in an employment cycle under regular full-time employment for all
8 employees in the Division of Fire and Fire Prevention, except that the appointing authority,
9 with the approval of the Director of Personnel, may determine that the minimum work hours
10 provision of Section 14(a) shall apply to employees in certain positions due to the nature of the
11 assignment and/or scheduling requirements. The appointing authority shall so arrange the time
12 for reporting for work and for quitting work of the various employees under the appointing
13 authority's jurisdiction so that the employees will actually be engaged in the active performance
14 of their duties for not less than the average number of hours required.

15
16 **(d)** The work period for employees whose pay is established in Section 2(d) of this
17 ordinance is twenty-eight (28) days. The daily work period for an employee in the position of
18 Police Probationary Officer and Police Officer is eight (8) hours which includes a thirty (30)
19 minute meal period. The meal period is counted as working time; however, an officer unable
20 to take a meal break will not receive additional compensation. The daily work period for an
21 employee in the position of Police Officer Trainee is eight (8) hours. Additionally, Police

Officer Trainees shall receive a thirty (30) minute unpaid meal period that shall not be counted as part of their daily work period or work day.

SECTION 15.

OVERTIME

(a) The Department of Personnel shall determine those positions in the Classified Service of the City of St. Louis which are exempt from overtime compensation and those positions which are not exempt from overtime compensation. The overtime codes established for each class in Section 1(a) of this ordinance shall be interpreted as follows:

OVERTIME CODE (OVTM):

1 These classes are primarily managerial in nature, but may also include some professional or administrative classes that are ineligible for overtime pay under all but emergency conditions as described in Section 15(d) of this ordinance.

2 These are supervisory, professional, and administrative classes that are exempt from overtime compensation, but which the City compensates for overtime at the straight (1.0x) time rate.

- 3 These are non-exempt classes that receive overtime compensation at the one and one-half (1.5x) time rate.

- 4 4 These non-exempt classes work an average bi-weekly work schedule of 84 hours and, therefore, receive overtime compensation at the one and one-half (1.5x) time rate.

Appointing authorities are prohibited from changing employee work schedules to avoid the payment of overtime.

For purposes of determining overtime pay rates for non-exempt employees, the regular hourly rate of pay shall be used.

Any employee in a class which has been allocated to Overtime Code 4 (non-exempt) in Section 1(a) of this ordinance shall be compensated for overtime by granting the employee pay or compensatory time off at the one and one half (1.5x) time rate. Each appointing authority shall designate and submit to the Director of Personnel the official work week or work cycle for all non-exempt (Code 4) positions in the work unit. Whenever a non-exempt (Code 4) employee works in excess of forty (40) hours in a work week, the employee will be paid at the one and one half time (1.5x) rate. The average number of scheduled hours in a bi-weekly pay

1 period shall not be less than eighty-four (84) for full-time employment. The regular hourly rate
2 of pay for a non-exempt (Code 4) bi-weekly paid employee shall be determined by dividing the
3 employee's regular bi-weekly rate of pay by the average number of regularly scheduled hours
4 of work in a bi-weekly pay period. In addition to the actual hours worked, only paid vacation,
5 compensatory time, jury leave, and holidays shall count as hours worked for the purpose of
6 determining eligibility for overtime compensation.

7
8 Any employee in a class which has been allocated to Overtime Code 3 (non-exempt) in
9 this ordinance shall be compensated for overtime work in accordance with the provisions of
10 this section. Each appointing authority shall designate and submit to the Director of Personnel
11 the official work week and schedule or work cycle for all non-exempt positions in the work
12 unit. The average number of scheduled hours in a bi-weekly pay period shall not be less than
13 eighty (80) for full-time employment.

14
15 Whenever an Overtime Code 3 employee whose pay matrix is in Section 2(a) or 2(b),
16 works hours in excess of the maximum established for an official work week or work cycle,
17 usually forty (40) hours in a work week such hours shall be paid at the one and-one-half time
18 (1.5x) rate. In addition to the actual hours worked, only paid vacation, compensatory time, jury
19 leave, and holidays shall count as hours worked for the purpose of determining eligibility for
20 overtime compensation.

1 Overtime Code 3 employees whose pay matrix is in Section 2(c) of this ordinance who
2 are working a nineteen (19) day work cycle are eligible to receive overtime after one hundred
3 forty-four (144) hours are worked in a work cycle, except that the Fire Division shall pay
4 overtime for emergency work at the end of a shift or emergency work required on a separate,
5 non-scheduled day, even if the total number of hours worked in the work cycle is not in excess
6 of one hundred forty-four (144) hours. These employees shall not receive additional
7 compensation for regularly scheduled hours in excess of one hundred forty-four (144) hours if
8 they do not actually work more than one hundred forty-four (144) hours in the work cycle;
9 provided however, that in addition to the actual hours worked, jury leave, vacation leave,
10 compensatory time and "O" days shall count as hours worked for the purpose of determining
11 eligibility for overtime compensation. Days scheduled off to reduce average work week to
12 fifty-two (52) hours, compensatory time, vacation, "O" days, and holiday time shall be
13 scheduled consistent with a reasonable vacation and holiday leave policy to avoid the necessity
14 of actually working more than one hundred forty-four (144) hours during any work cycle.

15
16 Police Officer Trainees, Police Probationary Officers and Police Officers shall be paid
17 overtime, defined as one and one-half time (1.5x) the employee's regular standard rate of pay,
18 for all hours worked in excess of their eight (8) hour work day or any hours worked on a
19 scheduled day off. Only hours actually worked shall count toward overtime pay.

1 Police Sergeants – whose salary is established in Section 2(d) of this ordinance shall be
2 paid overtime, as defined as one and one-half time (1.5x) the employee's regular standard rate
3 of pay, for all hours actually worked in excess of one hundred sixty (160) hours in a twenty
4 eight (28) day work period. In addition to hours physically worked, holidays, discretionary
5 holidays, and sick-injured time shall count toward the 160 hour threshold during the 28 day
6 period that must be met to earn overtime. These employees shall receive additional
7 compensation for authorized overtime, court time, and court standby time whenever the total
8 accumulated time exceeds forty (40) hours.

9
10 **(b)** Any employee in a class which has been allocated to Overtime Code 2 in Section 1(a)
11 of this ordinance shall be compensated for overtime by granting the employee pay or
12 compensatory time off at the straight (1.0x) time rate. Each appointing authority shall designate
13 and submit to the Director of Personnel the official work week or work cycle, which is usually
14 forty (40) hours, for all exempt (Code 2) positions in the work unit. Whenever a full-time
15 employee in an exempt (Code 2) position is directed by management, with the approval of the
16 appointing authority, to work hours in excess of the maximum established for an official work
17 week or work cycle it shall be considered overtime. In addition to the actual hours worked,
18 only paid vacation time, compensatory time, jury leave, and holidays shall count as hours
19 worked for the purpose of determining eligibility for overtime compensation. Straight time
20 (1.0x) overtime shall be compensated at the employee's regular hourly rate of pay, or by
21 granting the eligible employee compensatory time off at the rate of one (1) hour for each hour

1 of overtime worked. The average number of scheduled hours in a bi-weekly pay period shall
2 not be less than eighty (80) for full-time employment. The regular hourly rate of pay for an
3 exempt (Code 2) bi-weekly paid employee shall be determined by dividing the employee's
4 regular bi-weekly rate of pay by the average number of regularly scheduled hours of work in a
5 bi-weekly pay period.

6
7 **(c)** Part-time bi-weekly paid employees and employees paid on an hourly or per
8 performance basis shall be compensated for overtime work in accordance with the overtime
9 provisions of this section and with consideration for community practices in compensating
10 similar employment.

11
12 **(d)** An appointing authority may compensate Overtime Code 1 employees at the straight-
13 time (1.0x) rate, when both of the following conditions exist: 1) the Mayor of the City of St.
14 Louis declares an emergency due to serious and protracted conditions which threaten
15 continuous City Service, preservation of public peace, health, or safety, and 2) the appointing
16 authority directs an employee or group of employees to work in excess of forty (40) hours per
17 week. The appointing authority shall maintain attendance records of the assignment(s) and
18 submit such records at the request of the Director of Personnel.

19
20 **(e)** Employees who wish to use compensatory time earned in lieu of pay must make their
21 request in writing at least twenty-four (24) hours in advance of the day or days requested. The

1 appointing authority shall keep in mind the staffing needs of the department when granting time
2 off, but in any case time off will not be unreasonably denied.

3
4 Pay shall be the regular method of compensation for recorded overtime hours of work
5 for employees in classes with Overtime Code 3 and Overtime Code 4. However, an appointing
6 authority shall compensate a non-exempt bi-weekly paid employee for overtime work by
7 granting the employee compensatory time off in lieu of pay only if the employee requests
8 compensatory time, in writing.

9
10 Employees engaged in public safety, emergency response or seasonal activity as defined
11 by the Director of Personnel may have a maximum balance of two hundred forty (240) hours
12 of compensatory time; except that Police Officer Trainees, Police Probationary Officers, Police
13 Officers, and Police Sergeants shall only be allowed to accumulate up to forty (40) hours of
14 compensatory time. All other employees are allowed a maximum balance of one hundred
15 twenty (120) hours of compensatory time excluding compensatory time earned for working on
16 a holiday. These maximum balances of compensatory time shall apply to employees working
17 an average work week of forty (40) hours; the maximum balance of compensatory time for
18 employees whose average work week is more or less than forty (40) hours shall be
19 proportionate. No provision of this section establishing a maximum balance of compensatory
20 time shall serve to cancel any compensatory time due to an employee or to deny an employee

1 payment for recorded compensatory time earned in accordance with the provisions of the
2 compensation ordinance in effect at the time the compensatory time was earned.

3
4 Each appointing authority shall establish procedures to assure that non-exempt
5 employees are promptly granted time off when such employees request to use their earned
6 compensatory time. Appointing authorities may not deny non-exempt employees' requests for
7 earned compensatory time off except when such approval would create an extreme business
8 hardship. For employees occupying the position of Police Officer Trainee, Probationary Police
9 Officer, and Police Officer compensatory time may be used at such times and in such blocks as
10 are mutually agreed upon between the supervisor and the employee and it shall not be
11 unreasonably denied by the supervisor if operating requirements will not be adversely effected.
12 When an appointing authority determines that the work schedule of the organization will not
13 permit the granting of such time off, the appointing authority shall pay the employee in that
14 same pay period for all or a portion equivalent to the time requested of the employee's accrued
15 compensatory time. This provision requiring the prompt granting of requested time off applies
16 only to compensatory time that is earned as a result of the employee working overtime; it does
17 not apply to compensatory time earned as a result of an incentive program or bonus award
18 program.

19
20 Compensatory time earned by exempt employees shall be granted at the discretion of
21 the appointing authority and upon request of the employee.

1
2 (f) Before an employee is transferred, promoted or demoted from a position under one
3 appointing authority to a position under another appointing authority or to another unit with a
4 different appropriation, all compensatory time shall be granted or paid. Upon termination all
5 compensatory time shall be paid. Upon the death of an employee, the person or persons entitled
6 by law to receive any compensation due to the employee shall be paid any amount due to the
7 employee on the date of death.

8
9 (g) All departments shall keep daily attendance records of classified employees and shall
10 submit periodic reports of: 1) unexcused absences and leaves; 2) overtime earned, granted, and
11 paid; or 3) the non-occurrence of same to the Director of Personnel in the form and on the dates
12 specified.

21 compensation ordinance, excluding employees of the Police Division, are required to work on

12 fractional hour shall be made whole. The accrual of vacation leave shall cease at the employee's
13 last day at work.

14
15 **(j)** Appointing authorities shall be responsible for establishing all vacation leave schedules,
16 but may not discipline employees by imposing unusual vacation schedules. Vacation shall be
17 granted to the employee as provided by this ordinance in one of the following ways:

18
19 (1) When the employee requests vacation leave in accordance with departmental
20 policies;

1 (2) When directed to take paid time off by the appointing authority;

2
3 (3) When an employee is terminated or resigns from the Classified Service;

7 the appointing authority in writing of his/her intention to schedule vacation. Such notice shall
8 be at least seven (7) days prior to the first work day the employee intends to take off. If the
9 appointing authority fails to establish a different vacation schedule, the employee may take the

11
12 (5) With the approval of the appointing authority, an employee may request and
13 receive payment from the appointing authority for forty (40) hours of vacation accrual in lieu
14 of scheduling paid leave provided that the full vacation allowance for that year is not exceeded.
15 This may be done a maximum of once in each calendar year. Management employees may
16 request payment from the appointing authority for up to an additional forty (40) hours of their
17 vacation accrual balances in lieu of scheduling paid leave if their schedules do not permit them
18 to be absent from work. Employees whose pay is established in Section 2(c) of this ordinance
19 may request payment for up to ninety-six (96) hours of vacation. These requests are subject to
20 the prior approval of the Director of Personnel.

1 **(k)** During the first twelve (12) months of employment, unless stated otherwise in this
2 ordinance, accrued vacation may be granted to an employee provided that the employee has
3 completed six (6) months of continuous service. When employment is terminated before
4 completing twelve (12) months of continuous service, any previously granted vacation leave
5 shall be deducted from the employee's final pay. When the service of an employee is terminated
6 after twelve (12) months of continuous service, any accumulated vacation that is due the
7 employee shall be paid.

8
9 **(l)** Employees who separate from the Classified Service, who are certified from a
10 reemployment list, and who return to the Classified Service within twenty-four (24) months of
11 the separation, will be given credit for prior continuous service in determining the vacation

13 based on the date of the employee's original appointment.

14
15 **(m)** Employees who move to the Classified Service from the Unclassified Service shall be
16 given credit for the years of service in the Unclassified Service in determining the vacation

18 of the employee's original appointment.

19
20 **(n)** Employees who return to work from a "reemployment from layoff" eligible list shall be
21 eligible to use vacation as soon as it is accrued, unless stated otherwise in this ordinance,

1 provided the employee has completed six (6) months of continuous service prior to the layoff
2 and with approval of the appointing authority. An employee who has completed less than six
3 (6) months of continuous service will be required to complete the remaining portion of the six
4 (6) months period before being eligible to use vacation.

5
6 Any such reemployed worker shall be given credit for prior continuous service in
7 determining the employee's vacation accrual rate in accordance with the schedule established
8 in Section 17(a), 17(b), 17(d), 17(e) or 17(f) of this ordinance and based on the employee's
9 original appointment. A Commissioned Officer who retires and is rehired as a civilian
10 employee will be considered a new employee for vacation purposes.

11
12 **(o)** Appointing authorities shall be responsible for the management of their vacation
13 schedules so as to most effectively administer their organizations and fulfill the desire of
14 employees in the establishment of leave schedules.

15
16 **(p)** Accrued vacation shall be carried with an employee when transferred, promoted, or
17 demoted from a position under one appointing authority to a position under another appointing
18 authority without a break in service or change in method of pay. Upon the death of an
19 employee, the person or persons entitled by law to receive any compensation due the employee
20 shall be paid the amount due the employee for accrued vacation.

1 **(q)** With the approval of the appointing authority, a retiring employee may be paid on the
2 payroll for accrued vacation in the month prior to retirement without inclusion in the employee's
3 final average compensation. An appointing authority may pay previously accrued vacation off
4 in a lump sum to an employee whose service with the City has terminated. Such payment shall
5 be made on the employee's last regular paycheck.

6
7 **(r)** Employees occupying excepted positions in the Classified Service shall be granted
8 vacation at the discretion of their appointing authority. An employee whose term in an excepted
9 position ends and who is then appointed to a permanent competitive position working fifty
10 percent (50%) time or more shall become eligible to accrue vacation leave with pay upon
11 appointment to the competitive position. Length of cumulative service for the purpose of
12 determining rate of vacation leave accrual shall be based on the employee's original date of
13 appointment to the excepted position, providing there was no break in service between
14 expiration of the excepted position and appointment to the permanent competitive position. The
15 date of appointment to the permanent competitive position shall be used to determine the
16 appropriate rate of vacation accrual for the corresponding length of cumulative service in
17 accordance with the schedule established in Section 17(b).

18
19 **(s)** Appointing authorities shall report leave with pay for vacation and such other authorized
20 absences as the Director of Personnel shall designate to the Department of Personnel in such
21 form and at such time as the Director of Personnel may require.

17 a designated authority, or impossible or unreasonable under all of the circumstances.
18

19 Upon the expiration of military leave of absence, the employee shall be reinstated to the
20 class of position he/she occupied at the time the leave was granted without breaking continuity
21 of service. Failure of an employee to report for duty within the time pursuant to state or federal

1 law shall be just cause for dismissal. The employee's accumulated leave balance(s) shall be

10 as required by the Director of Personnel.

18 Family and Medical Leave Act of 1993" as provided in this ordinance and under additional
19 provisions and regulations as determined by the Director of Personnel.

1 **(a)** An appointing authority, with the approval of the Director of Personnel, may grant an
2 employee in a competitive position a general leave of absence without pay for a period of one
3 year, which may be extended, with the prior approval of the Director of Personnel.

4
5 Upon the expiration of such leave of absence, the employee shall be reinstated to the
6 competitive position he/she occupied at the time the leave was granted provided the position is
7 still in existence and he/she is able to perform the duties of the position. The employee shall
8 be reinstated to the competitive position at the same relative rate in the salary range the
9 employee occupied at the time the leave was initiated. Failure of an employee to report for duty
10 promptly at the expiration of the leave shall be just cause for dismissal. If necessary to the
11 efficient conduct of the business of the City, an employee on leave other than military leave or
12 qualifying family/medical leave may be notified by the appointing authority, with the approval
13 of the Director of Personnel, to return prior to the expiration of such leave. Failure of the
14 employee to return within ten (10) calendar days after receipt of such notice shall terminate
15 his/her leave of absence and be just cause for dismissal, subject to any applicable federal, state
16 or local regulations.

17
18 **(b)** The City of St. Louis will follow all applicable state and federal laws on the granting of
19 family/medical leave.

1 The Director of Personnel shall establish additional rules, guidelines and procedures for
2 the effective administration of the City's "Family/Medical Leave Policy." The policy shall
3 comply with all provisions of the "Family/Medical Leave Act of 1993" and any amendments

9 of vacation and are eligible to take them). Employees will be allowed to use all their
10 compensatory time, if requested by employee.

11
12 **(c)** Any employee in a competitive position who is appointed to an excepted position in the

6 of the City of St. Louis may declare an emergency and require an employee or group of
7 employees to take leaves of absence with or without pay while such emergency conditions exist.
8 In the event that the Mayor requires that the leave of absence be without pay, an employee with
9 vacation or accrued compensatory time may elect to take the accrued time off with pay in lieu
10 of all or a part of such non-paid leave of absence. Such non-paid leave of absence shall not
11 interrupt continuity of service for vacation accrual. An emergency leave of absence declared
12 by the Mayor shall not exceed ninety (90) days.

13
14 **(e)** Employees who are granted general leaves of absence and other non-paid leaves of
15 absence, except military leave, must take all accrued vacation at the start of the leave of absence
16 except as otherwise provided in this ordinance. Employees who are granted or placed on a non-
17 paid leave of absence will not accrue vacation, sick leave, and medical leave during the period

19 the procedures as established in this Section 21 and any other applicable regulations and
20 procedures as established by the Director of Personnel.

1 (f) An appointing authority, with the prior approval of the Director of Personnel, may put an

1 employee receives compensation from the City. A bi-weekly rate employee may keep the jury
2 stipend for days when the employee receives no compensation from the City (off days, docks,
3 leaves, etc.). Upon being discharged from serving as a juror by the Court or Jury Commissioner,
4 the employee shall forthwith report to his/her appointing authority if discharged during their
5 normally scheduled work hours and shall submit to his/her appointing authority a written
6 statement from the Jury Commissioner certifying that the employee has served as a juror and
7 the time and date so served. The appointing authority shall, upon receipt of the statement of
8 jury service, credit the employee with paid jury leave for such service.

9
10 **(b)** Leave with pay shall be granted to bi-weekly rate employees for such time when the
11 employee's presence is required by the prosecutor in a criminal proceeding or grand jury
12 procedure, a trial in prosecuting accused criminals (or for jury service in Federal Court). Any
13 bi-weekly rate employee, when so subpoenaed as a prosecution witness or whose presence is
14 required as a part of a grand jury inquiry, shall report such fact within seventy-two (72) hours
15 to his/her appointing authority and shall give the appointing authority in writing the date and
16 time his/her presence is required for such criminal prosecution. Each appointing authority shall
17 establish controls to assure that any paid leave is actually required by the prosecuting authority.
18 An appointing authority may require an employee to furnish satisfactory evidence of being
19 required to be off the job and that all time off was in connection with the prosecution of the
20 case. This procedure shall apply for employee participation in criminal prosecution in State or
21 Federal Courts.

SECTION 26.

DEFERRED COMPENSATION

(a) Authority is hereby granted for the establishment of a deferred compensation plan for the City of St. Louis.

(b) In accordance with the regulations applicable to the plan, as set out herein, the Comptroller is authorized to enter into an agreement with eligible participants, whereby said participants may designate a portion of their future earnings to be deducted by the City and placed in a fund to be designated "City of St. Louis Deferred Compensation Plan Fund" for the purpose of providing tax deferred benefits to the participants upon retirement.

(c) The Board of Estimate and Apportionment is hereby authorized to establish or select a specific plan or plans in accordance with the requirements set out in this ordinance. In establishing the plan, the Board of Estimate and Apportionment may elect to retain outside parties to provide administrative and/or investment services after following competitive bidding procedures. The Board of Estimate and Apportionment is authorized, after analyzing the various competitive bids submitted in accordance with the requirements of this ordinance, to select the plan or plans it determines to meet the requirements established as a part of the competitive bidding procedures and to be in the best interest of the participants. No investment

1 plan shall be considered unless offered by a duly licensed resident agent representing a company
2 duly licensed and authorized by the State of Missouri and other applicable federal regulatory
3 agencies to offer such insurance or investment programs.

4
5 In the event Federal or State legislation is changed in a manner affecting and/or relating
6 to any of the aforementioned Deferred Compensation provisions contained in this Section, the
7 Board of Estimate and Apportionment of the City of St. Louis may amend the deferred
8 compensation plan accordingly and may execute any and all documents necessary to achieve
9 and effectuate the recommended changes.

14 ordinance is found by a court of competent jurisdiction to be invalid, the remaining sections of
15 this ordinance are valid, unless the court finds the valid sections of the ordinance are so essential
16 and inseparably connected with and dependent upon the void section that it cannot be presumed
17 that the Board of Aldermen would have enacted the valid sections without the void ones, or
18 unless the court finds that the valid sections standing alone are incomplete and are incapable of
19 being executed in accordance with the legislative intent.

2 differential premium shall be one percent (1%) of the employee's regular base bi-weekly rate
3 for each eligible shift worked in a bi-weekly pay period.

6 awards shall be made from the personal services appropriation of the unit, the account from
7 which the employee's salary is paid or from a general appropriation for this purpose. Cash
8 awards and incentives under this program shall be made in accordance with guidelines
9 established by the Director of Personnel.

10
11 (3) Notwithstanding any other provision in this ordinance, the Director of
12 Personnel is authorized to extend the maximum of the pay ranges by up to forty percent
13 (40%) for the purpose of compensating positions which are extremely hard to fill.

14
15 (4) The Director of Personnel may provide an Employee Suggestion Program
16 which grants cash and other awards to recognize employee suggestions which improve City
17 services, operations or facilities. Cash awards to employees for suggestions resulting in
18 tangible savings to the City shall not exceed ten percent (10%) of the annual tangible net
19 savings. Cash awards and payments for other awards shall be made from an appropriation for
20 a suggestion program or other appropriate account. Additionally, cash awards for suggestions

7 professional qualifications may be paid at a higher rate than prescribed for the class in Section
8 2 of this ordinance on recommendation of the appointing authority with the prior approval of
9 the Director of Personnel. Such advancement shall be made solely on the basis that the
10 employee possesses exceptional academic qualifications, registrations or certifications related
11 to the duties of the position and when such academic qualifications, registrations, or
12 certifications are not deemed necessary qualifications for the class of position.

13
14 The Director of Personnel may also establish other bonus, incentive or reimbursement

2 or higher than the maximum of the salary range established for the class to which his/her
3 position has been allocated, except as otherwise provided in this ordinance.

4
5 **SECTION 5.**

6 **STARTING SALARY**

7
8 **(a)** The rate of pay for an excepted position to be paid upon original appointment to the
9 class shall be determined by the appointing authority for the excepted position.

10
11 **(b)** Except as otherwise provided in this ordinance, the minimum rate of pay for a position
12 shall be paid upon original appointment to the class unless the Director of Personnel finds that
13 it is difficult to secure the services of persons with minimum qualifications or experienced
14 qualified persons at the minimum rate.

15
16 The Director may establish a recruitment rate for a single position or all positions in a
17 class and authorize employment at an amount above the minimum but within the regular
18 range of salary established for the class. When a recruitment rate is established for an entire
19 class, employees already in such class may have their salaries adjusted to appropriate rates in
20 the new range resulting from the establishment of the recruitment rate.

7 **PROMOTION, DEMOTION, REALLOCATION,**
8 **TRANSFER AND TEMPORARY PROMOTION**

9
10 An employee who is transferred, promoted, demoted, or whose position is reallocated
11 after the effective date of this ordinance, shall have his/her rate of pay for the new position
12 determined as follows:

13
14 **(a)** Promotion: This shall be defined as a change of an employee in the Classified Service
15 from a position of one class to a position of another class with a higher pay grade or a higher
16 starting minimum salary.

17
18 (1) When an employee is promoted to a position in the General, Management or

1 which is five percent (5%) higher than the rate received immediately prior to promotion. An
2 appointing authority, with the prior approval of the Director of Personnel, may increase the
3 pay of an employee up to twenty percent (20%), adjusted to the nearest step, when such action
4 is needed to attract experienced, qualified candidates for a position. Such salary
5 determinations shall take into consideration the nature and magnitude of the accretion of
6 duties and responsibilities resulting from the promotion. However, no employee shall be paid
7 less than the minimum rate nor more than the maximum rate for the new class of position,
8 except as otherwise provided in this ordinance.

9
10 (2) Temporary Promotion: When an employee, whose salary range is established
11 in Section 2(a) or 2(b), is certified and temporarily promoted to a vacant position, for a
12 limited duration, the employee's current salary shall be adjusted as provided in Paragraph
13 (a)(1) of this Section. Upon expiration of the temporary promotion, the employee shall be
14 returned to his/her former rate of pay, adjusted by any increases the employee would have
15 received in the absence of the temporary promotion. In no case shall the employee's salary be
16 above the maximum of the salary range, unless otherwise provided for in this ordinance.

17
18 Employees whose salary ranges are established in Section 2(c) or 2(d) of this
19 ordinance, upon receipt of a temporary promotion, shall be granted the new rank with a salary
20 adjustment based on appropriate years of service in accordance with procedures established

2 of pay shall be based on the appropriate years of service.

3
4 **(b)** Demotion: This shall be defined as a change of an employee in the Classified Service
5 from a position of one class to a position of another class which has a lower pay grade and a
6 lower starting minimum salary.

7
8 (1) If an employee is demoted for disciplinary reasons in accordance with the rules
9 of the Department of Personnel and Civil Service Commission and established disciplinary
10 procedures, his/her rate of pay shall be established at a rate within the range for the new
11 position which is at least five percent (5%) lower than the rate received immediately prior to
12 the demotion or reduced to the nearest step which is at least five percent (5%) lower than the
13 rate received immediately prior to the demotion, except no employee shall be reduced below
14 the minimum of the range unless otherwise provided for in this ordinance. The amount of the
15 reduction shall be determined by the appointing authority, with the approval of the Director of
16 Personnel.

17
18 (2) If an employee accepts a voluntary demotion, his/her current rate of pay shall
19 be reduced within the range for the new position which is five percent (5%) lower, to the

2 adjustments as otherwise provided in this ordinance. No employee shall be paid less than the
3 minimum nor more than the maximum rate for the new class of position, except as otherwise
4 provided in this ordinance.

5
6 (3) When an employee is demoted for reasons in the best interest of the City
7 Service as determined by the Director of Personnel, his/her salary may be reduced by reason
8 of the new salary range and grade with the prior approval of the Director of Personnel. If the
9 salary of such employee is above the maximum for the new position, the employee's salary
10 shall not be increased so long as he/she remains in the position, except as otherwise provided
11 by this ordinance.

12
13 (c) Reallocation:

14
15 (1) If the employee's position is reallocated to a class in a lower pay grade and the
16 employee's rate of pay for the previous position is within the salary range of the new position,

(d) Transfer: The salary rate of an employee who transfers to a different position in the same class, or from a position in one class to a position in another class in the same pay grade, shall remain unchanged, provided that no employee shall be paid less than the minimum rate nor more than the maximum rate for the new class of position, except as otherwise provided in this ordinance.

(e) Over Maximum: The salary of an employee, which is in excess of the maximum of the range prescribed by this ordinance for the class and grade to which his/her position has been allocated or may be reallocated, shall not be reduced by reason of the new salary range and grade. The salary of such employee shall not be increased so long as he/she remains in the class of position, except as otherwise provided by this ordinance.

1 Salary adjustments for all employees in competitive positions shall be based on

3 herein provided.

4
5 **(a)** Competitive positions for which salary is established in Section 2(a) - General and

7
8 (1) Any employee whose salary is established in Section 2(a) or 2(b) – General,
9 Management, and Trades Pay Schedules, shall receive a service rating in accordance with the
10 Service Rating Manual. The rating together with the standards of performance established in
11 the rating manual shall determine eligibility for a one step within-range (merit) increase at
12 intervals as outlined in the Service Rating Manual or other pay regulation(s) as determined by
13 the Director of Personnel. Notwithstanding any other section of the compensation ordinance,
14 all employees in the General, Management, and Trades pay schedules who would be eligible

16 Rating on their regular Service Rating date will receive a 1.5% increase regardless of their
17 current rate or place in the pay schedule.

18
19 (2) A non-exempt (Overtime Code 3 or 4) employee whose pay is established in

standards established in the Service Rating Manual, but not less than the minimum of the pay grade range.

(b) As used in this ordinance, "anniversary date" means the date following fifty-two (52) weeks of continuous service from the date of original appointment or from the date of the last salary adjustment, if other than a temporary reduction in pay for disciplinary reasons, a demotion (not for disciplinary reasons) or an across-the-board ordinance increase, an increase resulting from an authorized incentive program, reallocation or an upgrade of the classification concurrent with adoption of the ordinance. Absence from service as a result of any authorized paid leave, suspensions, military leave, or family/medical leave will not interrupt continuous service. Absence from service for any other cause shall result in breaking continuity of service and establishment of a new anniversary date, except as otherwise provided in this ordinance. The Director of Personnel may authorize different anniversary dates for an employee or groups of employees.

(c) An appointing authority may evaluate the performance of an employee whose salary is established in Section 2(a) or 2(b) of this ordinance for the purpose of a salary adjustment only at intervals as described above except in the case of:

2 accordance with the Service Rating Manual, may advance the salary of an employee who
3 demonstrates exceptional performance of duties after serving twenty-six (26) weeks of
4 employment at the same rate in the salary range by not more than ten percent (10%) or to the
5 closest step in the pay range which provides not more than a ten percent (10%) increase; this
6 may be in addition to any merit increase received.

7
8 (2) Substandard performance of duties:

9
10 An appointing authority may reduce the salary of an employee whose level of
11 performance is significantly diminished and no longer warrants payment at the current rate
12 within the range as provided in the Service Rating Manual; providing the employee's salary is
13 above the minimum of the range, established in Section 2(a) or 2(b) and allocated to Overtime
14 Code 3 or Overtime Code 4.

15
16 The granting of any such increase or decrease in salary shall be made at the beginning
17 of a payroll period, as determined by the Director of Personnel, following approval of such

7 **INCOME SOURCES**

9 Any salary paid to an employee in the Classified Service shall represent the total

1 2 These are supervisory, professional, and administrative classes that are
2 exempt from overtime compensation, but which the City compensates
3 for overtime at the straight (1.0x) time rate.

4

5 3 These are non-exempt classes that receive overtime compensation at
6 the one and one-half (1.5x) time rate.

7

8 4 These non-exempt classes work an average bi-weekly work schedule of
9 84 hours and, therefore, receive overtime compensation at the one and
10 one-half (1.5x) time rate.

11

12 Appointing authorities are prohibited from changing employee work schedules to
13 avoid the payment of overtime.

14

15 For purposes of determining overtime pay rates for non-exempt employees, the regular
16 hourly rate of pay shall be used.

17

18 Any employee in a class which has been allocated to Overtime Code 4 (non-exempt)
19 in Section 1(a) of this ordinance shall be compensated for overtime by granting the employee
20 pay or compensatory time off at the one and one half (1.5x) time rate. Each appointing
21 authority shall designate and submit to the Director of Personnel the official work week or

1 work cycle for all non-exempt (Code 4) positions in the work unit. Whenever a non-exempt
2 (Code 4) employee works in excess of forty (40) hours in a work week, the employee will be
3 paid at the one and one half time (1.5x) rate. The average number of scheduled hours in a bi-
4 weekly pay period shall not be less than eighty-four (84) for full-time employment. The
5 regular hourly rate of pay for a non-exempt (Code 4) bi-weekly paid employee shall be
6 determined by dividing the employee's regular bi-weekly rate of pay by the average number
7 of regularly scheduled hours of work in a bi-weekly pay period. In addition to the actual
8 hours worked, only paid vacation, compensatory time, jury leave, and holidays shall count as
9 hours worked for the purpose of determining eligibility for overtime compensation.

10
11 Any employee in a class which has been allocated to Overtime Code 3 (non-exempt)
12 in this ordinance shall be compensated for overtime work in accordance with the provisions of
13 this section. Each appointing authority shall designate and submit to the Director of
14 Personnel the official work week and schedule or work cycle for all non-exempt positions in
15 the work unit. The average number of scheduled hours in a bi-weekly pay period shall not be
16 less than eighty (80) for full-time employment.

17
18 Whenever an Overtime Code 3 employee whose pay matrix is in Section 2(a) or 2(b),
19 works hours in excess of the maximum established for an official work week or work cycle,
20 usually forty (40) hours in a work week such hours shall be paid at the one and-one-half time

2 for overtime compensation.

3
4 Overtime Code 3 employees whose pay matrix is in Section 2(c) of this ordinance who
5 are working a nineteen (19) day work cycle are eligible to receive overtime after one hundred
6 forty-four (144) hours are worked in a work cycle, except that the Fire Division shall pay
7 overtime for emergency work at the end of a shift or emergency work required on a separate,
8 non-scheduled day, even if the total number of hours worked in the work cycle is not in
9 excess of one hundred forty-four (144) hours. These employees shall not receive additional
10 compensation for regularly scheduled hours in excess of one hundred forty-four (144) hours if
11 they do not actually work more than one hundred forty-four (144) hours in the work cycle;
12 provided however, that in addition to the actual hours worked, jury leave, vacation leave,
13 compensatory time and "O" days shall count as hours worked for the purpose of determining
14 eligibility for overtime compensation. Days scheduled off to reduce average work week to
15 fifty-two (52) hours, compensatory time, vacation, "O" days, and holiday time shall be
16 scheduled consistent with a reasonable vacation and holiday leave policy to avoid the
17 necessity of actually working more than one hundred forty-four (144) hours during any work

3 actually worked shall count toward overtime pay.

4
5 Police Sergeants – whose salary is established in Section 2(d) of this ordinance shall
6 be paid overtime, as defined as one and one-half time (1.5x) the employee's regular standard
7 rate of pay, for all hours actually worked in excess of one hundred sixty (160) hours in a
8 twenty eight (28) day work period. In addition to hours physically worked, holidays,
9 discretionary holidays, and sick-injured time shall count toward the 160 hour threshold during
10 the 28 day period that must be met to earn overtime. These employees shall receive
11 additional compensation for authorized overtime, court time, and court standby time
12 whenever the total accumulated time exceeds forty (40) hours.

13
14 **(b)** Any employee in a class which has been allocated to Overtime Code 2 in Section 1(a)
15 of this ordinance shall be compensated for overtime by granting the employee pay or
16 compensatory time off at the straight (1.0x) time rate. Each appointing authority shall
17 designate and submit to the Director of Personnel the official work week or work cycle, which
18 is usually forty (40) hours, for all exempt (Code 2) positions in the work unit. Whenever a
19 full-time employee in an exempt (Code 2) position is directed by management, with the
20 approval of the appointing authority, to work hours in excess of the maximum established for

3 Straight time (1.0x) overtime shall be compensated at the employee's regular hourly rate of
4 pay, or by granting the eligible employee compensatory time off at the rate of one (1) hour for
5 each hour of overtime worked. The average number of scheduled hours in a bi-weekly pay
6 period shall not be less than eighty (80) for full-time employment. The regular hourly rate of
7 pay for an exempt (Code 2) bi-weekly paid employee shall be determined by dividing the
8 employee's regular bi-weekly rate of pay by the average number of regularly scheduled hours
9 of work in a bi-weekly pay period.

10
11 **(c)** Part-time bi-weekly paid employees and employees paid on an hourly or per
12 performance basis shall be compensated for overtime work in accordance with the overtime
13 provisions of this section and with consideration for community practices in compensating
14 similar employment.

15

2 submit such records at the request of the Director of Personnel.

3
4 **(e)** Employees who wish to use compensatory time earned in lieu of pay must make their
5 request in writing at least twenty-four (24) hours in advance of the day or days requested.
6 The appointing authority shall keep in mind the staffing needs of the department when
7 granting time off, but in any case time off will not be unreasonably denied.

8
9 Pay shall be the regular method of compensation for recorded overtime hours of work
10 for employees in classes with Overtime Code 3 and Overtime Code 4. However, an
11 appointing authority shall compensate a non-exempt bi-weekly paid employee for overtime
12 work by granting the employee compensatory time off in lieu of pay only if the employee
13 requests compensatory time, in writing.

4 compensatory time shall serve to cancel any compensatory time due to an employee or to
5 deny an employee payment for recorded compensatory time earned in accordance with the
6 provisions of the compensation ordinance in effect at the time the compensatory time was
7 earned.

8
9 Each appointing authority shall establish procedures to assure that non-exempt
10 employees are promptly granted time off when such employees request to use their earned
11 compensatory time. Appointing authorities may not deny non-exempt employees' requests
12 for earned compensatory time off except when such approval would create an extreme
13 business hardship. For employees occupying the position of Police Officer Trainee,
14 Probationary Police Officer, and Police Officer compensatory time may be used at such times

The City of St. Louis will follow all applicable state and federal laws on the granting of military leave and reemployment rights.

Each employee is required to give advance notice (at least 30 days prior to departure when feasible), preferably in writing, of service obligation or intention to perform services in the uniformed services, unless such notice is prevented by military necessity, as determined by a designated authority, or impossible or unreasonable under all of the circumstances.

Upon the expiration of military leave of absence, the employee shall be reinstated to the class of position he/she occupied at the time the leave was granted without breaking continuity of service. Failure of an employee to report for duty within the time pursuant to state or federal law shall be just cause for dismissal. The employee's accumulated leave balance(s) shall be restored to the employee upon his/her return.

Full-time, permanent employees paid a bi-weekly rate of pay who are called to active duty as a member of the National Guard or any reserve component of the Armed Forces of the United States and who are placed on a military leave of absence will be granted compensation
